JOIN US!

Join us for the **Florida Vascular Society's 35th Annual Scientific Sessions** on April 28 - May 1, 2022 at the Four Seasons Orlando at Walt Disney World® in Orlando, Florida.

We are looking forward to seeing our Florida vascular surgical community back in-person, where members will experience an educationally impactful and socially enriched weekend with friends and colleagues in a world-class meeting location. The meeting will feature keynote presentations by visiting professors, oral scientific presentations by members, residents, and fellows and promises to expand your knowledge through new science, techniques, and practices.

We are expecting **OVER 130** vascular surgeons, interventional radiologists, physician assistants, nurse practitioners, residents, fellows, medical students, and other medical professionals to join us in Orlando.

Registration

REGISTRATION TYPE	FEE
Member Registration	\$350.00
Non-Member Registration	\$450.00
PA APRN RN Tech	\$200.00
Resident Fellow Student <i>Proof of training status required</i>	\$0.00

HOW TO REGISTER

Registration for the Florida Vascular Society Scientific Sessions will only be accepted online at fvs.org/2022meeting.

RESIDENT/FELLOW/STUDENT REGISTRATION

To receive the complimentary registration, residents, fellows, and medical students must submit proof of enrollment in a training program.

CANCELLATION POLICY

A written notice of cancellation must be received by **March 28, 2022** in order to receive a refund. Cancellations received prior to this date will be honored minus a \$100 administration fee. Refunds will not be honored after **March 28, 2022**. Telephone cancellations cannot be accepted. Cancellation refunds will be processed within 30 days after the conclusion of the conference.

DISCLAIMER

By registering for the Florida Vascular Society Scientific Sessions, the attendee understands and agrees that attendee's name, city, and state may be shared with other attendees and exhibitors. By allowing an exhibitor to scan the conference badge, attendee understands, agrees and consents to the sharing of attendee's contact information with the company that scanned the conference badge. By registering for this conference, attendee also gives the FVS the right to publish all photos, videos, etc., taken at this conference.

ADA COMPLIANCE

Attendees who need special reasonable accommodations or who have special needs should contact the meeting organizers at 904-309-6268.

Special Events

Golf Tournament

Friday, April 29, 2022 · 1:30 pm

The FVS Golf Tournament will take place at the Four Seasons Tranquilo Golf Course, a Tom Fazio designed course and certified Audubon Sanctuary, offering a picturesque layout, protected wetlands, and abundant wildlife. With the addition of a newly enhanced \$2.5 million, 16-acre practice facility featuring undulating target greens, an 18-hole putting course, and a 6-Hole Par 3 Short Course, Tranquilo provides an incomparable setting and golf experience. Your ticket price includes a spot in the golf tournament, green fees, and lunch.

Price: \$125/per person

Splash Bash

Saturday, April 30, 2022 · 2:30 pm

This family friendly event will be held at the Four Seasons pool in a private area just for FVS conference attendees. Join us for an afternoon of fun including swimming, food, pool games, and activities for all ages. This event is complimentary, however, pre-registration is required.

Price: \$0

HOTEL AMENITIES

- » Spa
- » Golf
- » Tennis
- » Fitness
- » Explorer Island
- » Transportation to Disney Parks
- » Dive in Movies
- » Character Breakfast
- » Kids for All Seasons - Kids Camp

Splash Bash Family Friendly Event <i>(Event is complimentary. RSVP is required.)</i>	\$0
Presidents Lunch <i>(Event is complimentary. RSVP is required.)</i>	\$0

Agenda

Thursday, April 28

8:00 – 9:00 AM Registration & Breakfast

SESSION 1: VISITING PROFESSORS AND PLENARY

Moderators: Thomas Huber, MD and Erin Moore, MD

9:00 – 9:05 AM Welcome & Introductions

9:05 – 9:25 AM Vascular Surgery Workforce Analysis *John E. Rectenwald, MD*

9:25 – 9:45 AM Multidisciplinary Approach for the Management of CLTI: How to Embrace it *Vincent L. Rowe, MD*

9:45 – 10:05 AM Management of Concomitant Carotid and Coronary Artery Disease *Kellie R. Brown, MD*

10:05 – 10:30 AM Panel Discussion

10:30 – 11:00 AM Coffee Break

11:00 – 11:15 AM Comparison of Operative Characteristics and Outcomes after Infected Endovascular and Open-Surgical Abdominal Aortic Graft Excision *Coulter Small, MS3*

11:15 – 11:30 AM Hemodialysis Access: Role of Chronic Kidney Disease on Basilic Vein Morphometry *Akshara Sree Challa, BS*

11:30 – 11:40 AM Bilateral Popliteal Artery Entrapment Syndrome in a 4-Year-Old Child with Cerebral Palsy *Blaire Slavin, MS2*

11:40 – 11:55 AM Novel Radiation Protection System: Significant Radiation Reduction to Typically Under-protected Body Parts over Traditional Lead in a Mannequin Model *Angelyn Thayer, MD*

12:00 – 1:00 PM Lunch and Learn Series: Sponsored Session

SESSION 2: PLENARY SESSION

Moderators: Murray Shames, MD and Robert Feezor, MD

1:15 – 1:30 PM Alive and Kicking: Cerebrospinal Fluid Drain Usage in 936 TEVARs at a Tertiary Aortic Center *John Spratt, MD*

1:30 – 1:45 PM Effect of Shunt Placement on Postoperative Stroke Risk in Symptomatic Patients Undergoing Carotid Endarterectomy with Patch Angioplasty *Antoine Ribieras, MD*

1:45 – 1:55 PM Management of Carotid Dissection Following TCAR *Sara Yi, MD*

1:55 – 2:05 PM Outcomes of Endovascular Repair of Thoracic and Thoracoabdominal Aortic Pathology in Connective Tissue Disease Patients at a Tertiary Aortic Center *John Spratt, MD*

2:05 – 2:20 PM Outcomes of Trans Carotid Artery Revascularization in Younger Patients *Isibor Arhuidese, MD*

2:20 – 2:30 PM Massive Renal AVM: A Rare Cause of Congestive Heart Failure *Daisy Sanchez, MD*

2:30 – 3:15 PM Coffee Break & Exhibits

3:15 – 3:30 PM Effect of Smoking on Outcomes of Arteriovenous Access for Hemodialysis *Isibor Arhuidese, MD*

3:30 – 3:45 PM Primary Balloon Angioplasty Versus Hydrostatic Dilation for AVF Creation in ESRD Patients Harboring Small-Caliber Cephalic Veins: A Systematic Review and Meta-analysis of Randomized Controlled Trials *Ali Reza Sattari, MD*

3:45 – 4:00 PM Salvage Open Aortic Repair after Failed Endovascular Treatment Of Aortoiliac Occlusive Disease *Ulugbek Negmadjanov, MD*

4:00 – 4:10 PM Effect Of Weight Status on Outcomes following Endovascular Abdominal Aortic Aneurysm Repair *Antoine Ribieras, MD*

4:10 – 4:20 PM Management of Renal Artery Occlusion after EVAR *Aaron Patel, MD*

4:20 – 4:25 PM Adjourn

4:30 – 6:00 PM Welcome Reception in Exhibit Hall

Friday, April 29

7:00 – 8:00 AM Registration & Breakfast with Exhibitors

SESSION 3: JAMES M. SEEGER, MD SYMPOSIUM ON AORTIC DISEASES*Moderators: Jorge Rey, MD and Robert Winter, MD*

8:00 – 8:05 AM Introductions – Strategies for Infrainguinal Occlusive Disease

8:05 – 8:20 AM Open Surgical Bypass

Libby Watch, MD

8:20 – 8:35 AM Pedal Access for Revascularization

Edgar Galiñanes, MD

8:35 – 8:50 AM Heroic Limb Salvage Strategies – Blind Distal Bypass

Jorge Rey, MD

8:50 – 9:05 AM Heroic Limb Salvage Strategies – Deep Vein Arterialization

Benjamin Jacobs, MD

9:05 – 9:20 AM Endovascular Device Strategies

Edgar Galiñanes, MD

9:20 – 9:35 AM Panel Discussion

9:35 – 10:15 AM Coffee Break & Exhibits

10:15 – 10:30 AM Introductions – COVID and Vascular Care

10:30 – 10:45 AM COVID Related Vascular Thrombosis – Arterial and Venous

Karen Manzur-Pineda, MD

10:45 – 11:00 AM Upper Extremity Vascular Complications and COVID

Tony Shao, MD

11:00 – 11:15 AM Statewide Experience with COVID

Salvatore Scali, MD

11:15 – 11:30 AM Medical Therapies for COVID Related Thromboembolic Disease

Ewa Wysokinska, MD

11:30 – 11:45 AM Vascular Biology and COVID

Young Erben, MD

11:45 AM – 12:00 PM Panel Discussion

12:00 – 1:00 PM Presidential Address & Luncheon

1:00 PM Adjourn

1:30 – 5:30 PM FVS/FVF Golf Tournament

5:30 – 7:30 PM Meet the Professors – Roundtable Discussion with John E. Rectenwald, MD, Vincent L. Rowe, MD, and Kellie R. Brown, MD

Saturday, April 30

7:00 – 8:00 AM Registration & Breakfast with Exhibitors

SESSION 4: VISITING PROFESSORS AND PLENARY SESSION*Moderators: Santiago Chahwan, MD and Juan Carlos Pereda, MD*

8:00 – 8:05 AM Welcome & Introductions

8:05 – 8:25 AM Advanced Techniques for IVC Filter Removal

John E. Rectenwald, MD

8:25 – 8:45 AM Infrainguinal Occlusive Disease: What Results Should We Expect in 2022?

Vincent L. Rowe, MD

8:45 – 9:05 AM Burnout in Vascular Surgery

Kellie R. Brown, MD

9:05 – 9:30 AM Panel Discussion

9:30 – 10:00 AM Coffee Break & Exhibits

10:00 – 10:15 AM Implications of Re-intervention after Endovascular and Open Bypass Revascularization for Chronic Mesenteric Ischemia

Kyle Staton, MD

10:15 – 10:30 AM Outcomes of Open Mesenteric Bypass after Prior Failed Endovascular or Open Mesenteric Revascularization for Acute and Chronic Mesenteric Ischemia

Christopher Jacobs, MD

10:30 – 10:45 AM Telemedicine Justification

Arthur Palamara, MD

10:45 – 11:00 AM The Impact of Clostridium Difficile Infection in Contemporary Vascular Surgery

Morgan Cox, MD

11:00 – 11:10 AM Persistent Aortic Sac Expansion following EVAR Secondary to Malignancy

Marcos Aranda, MD

11:10 – 11:25 AM The Importance of Simulation in Vascular Training: A Literature Review

Amanda Tullos, MD

11:25 – 11:35 AM Hybrid Approach to the Repair of a Large Axillary Pseudoaneurysm in an Infant

Bryant McLafferty, MD

11:35 – 11:45 AM Complex Endovascular Aortic Repair Utilizing Antegrade In-Situ Laser Technique for a Ruptured Pararenal Aortic Aneurysm Repair via Single Site Percutaneous Access

Dariam Cardentey Oliva, MD

12:00 – 1:00 PM Lunch & Learn Series: Sponsored Session

1:00 – 1:30 PM Annual Business Meeting

1:30 PM Adjourn

2:30 – 5:30 PM Splash Bash

Agenda

Sunday, May 1

7:00 – 8:00 AM Registration & Breakfast

SESSION 5: VISITING PROFESSORS AND PLENARY SESSION

Moderators: Libby Watch, MD and Jon Wesley, MD

8:00 – 8:05 AM Welcome & Introductions

8:05 – 8:25 AM Contemporary Results of Open TAAA Repair

John E. Rectenwald, MD

8:25 – 8:45 AM Who Should Still Have a Bypass in the Endovascular Era?

Vincent L. Rowe, MD

8:45 – 9:05 AM Complications of Superficial Venous Insufficiency

Kellie R. Brown, MD

9:05 – 9:30 AM Panel Discussion

9:30 – 10:00 AM Coffee Break

10:00 – 10:15 AM Renal Artery Stenosis Impacts Postoperative Complications After Major Vascular Surgery

Amanda Filiberto, MD

10:15 – 10:30 AM Short-Term Results of Physician-Modified Fenestrated Endografts for Treatment of Failed Prior Infrarenal Endovascular Aortic Aneurysm Repair

Angelyn Thayer, MD

10:30 – 10:45 AM The Use of Arteriovenous Grafts As a Secondary Procedure after a First Stage Mid or Proximal Arm Brachial-Brachial Arterio-Venous Fistulas or Failed Basilic Vein Transpositions

Karen Manzur-Pineda, MD

10:45 – 11:00 AM Treatment Modalities in Failed Aortic Endograft: Comparing Open Versus Endovascular Repair Outcomes

Christina Tran, MD

11:00 – 11:15 AM Trends in Management of Carotid Stenosis

Daniel Swink, MD

11:15 – 11:25 AM Application of Neo-aortoiliac System for Contained Rupture of Mycotic Infrarenal Aortic Aneurysm

Estela Abich, MD

11:25 – 11:40 AM The Impact of COVID-19 Pandemic on Patient Safety Indicator-12 in a Multi-Site Health Care System

Shivang Bhakta, MD

11:40 AM Adjourn

VISITING PROFESSORS

Kellie R. Brown, MD

Professor of Surgery
Division of Vascular and Endovascular Surgery
The Medical College of Wisconsin
Milwaukee, WI

John E. Rectenwald, MD

Professor of Surgery
Program Director, Vascular Residency and Fellowship
Division of Vascular Surgery
Department of Surgery
UW School of Medicine and Public Health
Madison, WI

Vincent L. Rowe, MD

Professor of Surgery
Keck Medical Center of USC
Los Angeles, CA

Venue

Four Seasons Orlando at Walt Disney World®

10100 Dream Tree Blvd
Lake Buena Vista, Florida 32836

The Four Seasons Resort Orlando is nestled in a secluded, residential setting within Walt Disney World® Resort. Complete with a five-acre water park, this resort is a destination in its own. Tee off at the exclusive Four Seasons Golf and Sports Club Orlando, splash around with the kids at Explorer Island, treat yourself to a soothing massage at the Spa, or toast the evening fireworks with dinner at our rooftop steakhouse, Capa. FVS attendees will enjoy all the many amenities of the resort at a fraction of the regular price!

To book your room, visit: bit.ly/FVS2022 or call the hotel directly at 407-313-7777 and mention the FVS room block. The FVS discounted room rate is available until **Friday, March 25, 2022** or until the room block is full.

Accreditation

TARGET AUDIENCE:

Physicians, Residents, Fellows and Student Researchers with a focus on the specialty of Vascular Surgery.

LEARNING OBJECTIVES:

At the end of this educational activity, participants will be able to:

- » Discuss the latest findings on aortic dissections, lower extremity arterial conditions, peripheral arterial disease, ruptured aortic aneurysms, endovascular approaches, dialysis access, venous diseases, and vascular coding. Especially as it relates to COVID.
- » Analyze how technical innovations will facilitate vascular disease treatment in the future.
- » Describe socioeconomic, legislative and regulatory issues affecting the physicians.
- » Discuss the latest research in vascular disease management.
- » Appraise unique cases studies.

ACCREDITATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of American College of Surgeons and the Florida Vascular Society. The American College of Surgeons is accredited by the ACCME to provide continuing medical education for physicians.

AMA PRA CATEGORY 1 CREDITS™

The American College of Surgeons designates this live activity for a maximum of **17.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AMERICAN COLLEGE OF SURGEONS

A large graphic for the 35th Annual Scientific Sessions. It features a light blue circle with a red crescent shape on its right side. Overlaid on this is a black geometric frame consisting of several intersecting lines. The text "35th ANNUAL" is in red and black, with "35th" inside a dashed circle. Below it, "Scientific Sessions" is written in large, bold, black letters with a white outline. Decorative wavy lines and small circles are scattered around the central graphic.
