

7th BASHH Genital Dermatology Course 20th October 2017

The Wesley Euston Hotel and Conference Venue, 81-103 Euston Street, King's Cross,
London NW1 2EZ. Tel: 0207 6918510

*This Course organised by the Genital Dermatology Special Interest Group of the British Association of Sexual Health & HIV (BASHH) covers basic topics in Genital Dermatology. It is a practical oriented Course and offers choice of 4 workshops from which each delegate can choose two. Details of workshops are given below. **Registration is online.***

Aim of the course

To equip participants with the basic knowledge and skill for the effective management of genital skin conditions.

Audience

This course will be useful to all clinicians dealing with genital dermatology conditions: Consultants, Speciality Trainees, SAS Doctors, GPs, Nurse Practitioners and Clinical Nurse specialists in Genitourinary Medicine/Sexual & Reproduction Health, Dermatology, Gynaecology and Urology.

Learning objectives

By the end of the course you should:

Knowledge

- Understand the basic pathophysiology of the skin
- Have knowledge of common genital skin conditions and challenging cases
- Be aware of the principles of topical therapy
- Understand the principles of genital skin biopsy

Skills

- Be competent and feel comfortable performing a genital dermatological examination
- Develop the skills necessary to perform a genital skin biopsy
- Optimise care pathways for patients through improved links with local dermatology services

Choice of workshops (for reference only)

Please choose 2 out of 4 workshops provided when registering online:

1. Basic techniques in genital dermatology
2. Genital skin biopsy
3. Challenging vulval dermatological cases
4. Genital Eczema: a case management approach

NB: The organisers will make every effort to accommodate delegates' choice of workshop. Those who apply early are more likely to get their first choice.

The number of places on this course is limited, so please apply early to avoid disappointment.
