CONTINUING EDUCATION (CE) INFORMATION

CONFERENCE GOALS AND TARGET AUDIENCE

The ASPEN Nutrition Science & Practice Conference is designed for dietitians, nurses, physicians, pharmacists, researchers, and others who practice the sciences of clinical nutrition and metabolism. The conference provides nutrition support professionals with current and cutting-edge information in the field of nutrition support, clinical nutrition, and metabolism.

CONFERENCE OBJECTIVES

Upon conclusion of the conference, attendees will be able to:

- Challenge current clinical practices
- Integrate evidence-based updates into practice
- Reflect on the implications of current research
- Identify gaps in knowledge that require further education and training

LEARNING LEVELS

To assist in selecting sessions that are most appropriate for you, each session will be identified by learning level in the on the ASPEN website at www.nutritioncare.org/conference:

BASIC: Assumes little or no prior knowledge of areas covered. The basic session is aimed toward individuals building a foundation for competent practice. This correlates to CDR level 1.

INTERMEDIATE: Assumes a general knowledge of the literature and clinical practice within the areas covered. Intermediate sessions are aimed toward individuals wishing to expand their skills and knowledge base. This correlates to CDR level 2.

ADVANCED: Assumes thorough knowledge of the literature and clinical practice within the areas covered. Advanced sessions are aimed toward individuals seeking a synthesis of recent advances and future directions. This correlates to CDR level 3.

VIRTUAL CONFERENCE

ASPEN21 is a virtual online conference presented live and in real-time to virtual attendees. Virtual attendees can ask questions and interact with speakers and faculty. Participants in the virtual conference must follow all processes for successful completion and all accreditation guidelines apply.

SUCCESSFUL COMPLETION

ASPEN provides CE credit to physicians, nurses, pharmacists, and dietitians who attend in full each live session claimed for credit and complete the program evaluation process within the electronic CE system in ASPEN's eLearning Center, www.nutritioncare.org/elearning. Registered conference participants will need to login using their ASPEN credentials to gain access to the conference evaluations in the eLearning Center. *Of note, the live broadcast of the session is what is accredited, registered conference participants must log in and participate in the live broadcast to be eligible to claim credit.*

INTERNATIONAL PARTICIPANTS

Participant feedback is essential in the continued improvement of ASPEN's educational programs, including the annual conference. International participants are encouraged to use the electronic system to submit evaluations for the sessions attended and the overall conference. Through the electronic system, detailed documentation of the sessions attended at the conference will be provided on a discipline-specific transcript.

SYSTEM REQUIREMENTS FOR VIRTUAL CONFERENCE:

- Adobe Flash Plugin
- Internet Explorer 8+, Mozilla Firefox, Google Chrome, Safari
- Broadband Internet connection

** Also compatible with iOS and Android-based tablets and smartphones.*
