December 11-12, 2015
Auditorium, Cleveland Clinic Abu Dhabi
UAE

**Program
Book**

Welcome

Dear Colleagues,

It gives us great pleasure to welcome you to the Clinical Updates in Respiratory and Critical Care Medicine Conference which will be held from the 11 to 12 of December, 2015 at the Cleveland Clinic Abu Dhabi, UAE.

Organized by the Cleveland Clinic Abu Dhabi Respiratory and Critical Care Institute, the comprehensive two-day program is designed for pulmonologists, intensivists, internists, respiratory therapists and respiratory nurses.

This conference cover the wide range of specialist respiratory and critical care medicine topics, with emphasis on evidence based medicine and best practice. The first day will focus on Chronic Obstructive Pulmonary Disease, chronic suppurative lung diseases, advanced lung diseases, as well as lung cancer. The second day will focus on asthma, pleural disorders, and important topics in sleep and critical care medicine. The sessions will consist of a mixture of lectures, case presentations and group discussions, delivered by renowned international and national experts in their fields of expertise within Respiratory and Critical Care Medicine.

We are looking forward to welcoming your participation in this unique educational experience and trust it will be a scientifically and socially rewarding, memorable and enjoyable experience.

Sincerely,

Zaid Zoumot, MBBS., MSc., MRCP, Ph.D

About Cleveland Clinic Abu Dhabi

Cleveland Clinic Abu Dhabi, part of Mubadala's network of world-class healthcare facilities, is a multispecialty hospital on Al Maryah Island in Abu Dhabi, UAE. Cleveland Clinic Abu Dhabi is a unique and unparalleled extension of US-based Cleveland Clinic's model of care, specifically designed to address a range of complex and critical care requirements unique to the Abu Dhabi population. Cleveland Clinic Abu Dhabi has five Centers of Excellence in the following Institutes: Heart & Vascular, Neurological, Digestive Disease, Eye and Respiratory & Critical Care. Other Institutes include Surgical Subspecialties, Medical Subspecialties, Emergency Medicine, Anesthesiology, Pathology & Laboratory Medicine, Imaging and Quality & Patient Safety. In all, more than 30 medical and surgical specialties are represented at Cleveland Clinic Abu Dhabi.

The facilities at Cleveland Clinic Abu Dhabi combine state-of-the-art amenities and world-class service standards. The hospital is a 364 (expandable to 490) bed facility, with five clinical floors, three diagnostic and treatment levels, and 13 floors of critical and acute inpatient units. It is a physician-led medical facility served by North American board certified (or equivalent) physicians. Cleveland Clinic Abu Dhabi provides patients in the region direct access to the world's best healthcare providers and Cleveland Clinic's unique model of care, reducing their need to travel abroad for treatment.

Cleveland Clinic Abu Dhabi is located on the waterfront of Al Maryah Island. The island occupies a unique position between Abu Dhabi's existing downtown district, the upcoming developments at Al Reem Island and the new cultural district on Saadiyat Island.
