REGISTRATION PROOF FOR PARTICULAR CATEGORIES

* Members of partner organizations that do not provide the SPR a list with the names of their members, medical students, graduate students and trainees/non-members residents must submit proof of their condition to inscricao@spr.org.br or by fax: (+5511) 5053-6364 to make effective their registration.

BADGE RECEIVING IN ADVANCE

The pre-registered participant can receive his/her badge in advance by mail, at the address provided at the time of registration. Simply check this option. We emphasize that the delivery of the badge is completed by a receiver signing at the address. Those who live in houses should let someone instructed to receive this material. Those residing in apartments must notify the lobby and periodically check with the doormen and employees if there has been a delivery. ☐ Yes, I want to get my badge by mail at the address provided by me at the registration.

POINTS TO CNA-CAP

ATTENTION: If the participant wish to receive points for renewal of his/her title of specialist with the CNA-CAP, h/she should opt-in during the registration act, noting the option below. SPR Member is exempt from registration payment and does not pay to the CAN-CAP points. Other participants interested in receiving the CNA-CAP points must pay the amount equivalent to 3% of his/her total enrollment. This amount will be added to the registration fee to be paid at the registration moment, and then destined to the Brazilian Medical Association.

☐ Yes, I want to receive the CNA-CAP points.

RULES OF REGISTRATION PROCESS

1. Registration for JPR '2016 open on 19 October, only for SPR members, via the JPR'2016 website (www.jpr2016.org.br), by mail, fax or in person at the SPR headquarters. Until December 13th, only SPR members to date with their semiannual installments can register for the event with payment exemption.
2. Other participants, SPR non-members, interested in participating in JPR may register from December 14, via the JPR'2016 website (www.jpr2016.org.br), by mail, fax or in person at the SPR headquarters. The attendance fee for these professionals depends on the category to which they belong and the date on which they carry out their registration.
3. The deadline for all participants to carry out pre-enrollment in JPR'2016 is April 4, 2016. After that date, new registrations will be accepted only at the venue.
4. The benefit of registration exemption from payment will only be granted to the SPR member that is to date with their half-yearly installments, 2016. The biannual payment, which can even be anticipated, has the date of March 9, 2016, as the deadline. SPR members who fail to pay their half-yearly fee until April 4, 2016, will lose the benefit of registration exemption in JPR'2016. In this case, to attend the event, the SPR member will have to retake their registration by paying the recommended value in the registration form as the current term (on site).
5. There are four ways to enroll in JPR'2016.
 - a) **Online Registration** - The user must access the registration link in the JPR'2016 site and follow the filing instructions. The ones already registered in SPR have the key data automatically filled, with the option to update them, and should only choose the name on the badge and the courses to follow. Then, participants will view their selected information and, all being correct, will be able to confirm and be directed to the payment screen. Payment confirmation is made at the same time, and the receipt is sent 24-48 hours after the transaction to the attendee's e-mail.

Enrollment Form n. _____ (for use of the Secretariat)

On the Online Registration form, payment mode is exclusively via credit card - Master, Visa, Diners or Amex. In the case of cards issued outside Brazil, it is recommended that the account holder notifies the card issuer that s/he is about to purchase from a Brazilian site, avoiding delays or cancelation for security reasons.

b) Registration by mail - You must print the PDF version of the registration form available on the JPR'2016 website, and send it fulfilled to the SPR by mail along with the attached data from the credit card or check payable to the São Paulo Radiological Society. SPR address is Av. Paulista, 491, conj. 31/32, CEP 01311-909, São Paulo, SP, Brazil.

c) Registration by Fax - You should print the PDF version available on the JPR'2016 website and send it fulfilled by fax to SPR with the credit card data – the only valid payment form for this option. The fax number is +55 11 5053-6364.

d) At the SPR headquarters - Those who prefer can still address to the SPR office to register in person. In this case, the payment forms are credit card, check or cash. SPR is located at Av. Paulista, 491, conj. 31/32, CEP 01311-909, São Paulo, SP, Brazil.

6. Members of partner societies, Medicine students, graduate students, interns and residents should send their situation proof by fax: (11) 5053-6363 or email inscricao@spr.org.br.
7. The badge is personal and not transferable, being mandatory for access to all the scientific, technical and commercial area of the commercial exhibition, and for the use of the official transportation. In case it is lost or forgotten, the participant must pay a R\$ 100 fee for the 2nd copy. This condition is an irrevocable security measure.
8. The pre-registered participant can receive his/her badge in advance by mail, at the address provided at the time of registration. Simply check this option. We emphasize that the delivery of the badge is made by a signing receiver at the venue. Those who live in houses should let someone instructed to receive this material. Those residing in apartments must notify the lobby and periodically check with the doorman if there has been a delivery. If the badge is received by a third party, since it is signed and registered with the Post Office, and the attendee claims that he/she has not received the document from that person, SPR will charge a R\$ 100 fee for the 2nd copy. This condition is a certain security measure.
9. The pre-registered participant who chooses to withdraw their badge at the event or not receive it in advance for another reason must, upon his/her arrival at JPR, address to the Pre-Registered Department, attendee care service sector, and ask for his/her badge on the corresponding window to the first letter of their first name.
10. If the enrolled one wishes to receive points for renewal of his/her title of specialist with the CNA-CAP, s/he should opt for it at the registration, marking next that option. SPR member exempt from subscription payment does not pay to get points by the CNA-CAP. Other participants interested in receiving the CNA-CAP points must pay the amount equivalent to 3% of his/her total enrollment. This amount will be added to the registration fee to be paid at registration, and then addressed to the Brazilian Medical Association.
11. Vacancies at JPR'2016 are limited. SPR recommends that interested in participating register as soon as possible. Because of the physical limit of places on the site and respecting the safety standards, SPR does not guarantee the completion of registration of interested parties, members or non-members, after all places are taken.
12. Registration at JPR'2016 is personal and not transferable. If an enrolled one can not attend the event, s/he should request the cancelation of their registration and refund of the paid amount.
13. Unsubscribing requests must be made by April 11, 2016, to financeiro@spr.org.br. Until then, SPR will refund 70% of the paid amount for registration. For payments made by credit card, refund will be credited on the card itself. For payments made by cash or check, refund will be via deposit. In this case, it is essential the applicant sends bank details along with the cancelation request. We emphasize cancelation requests made later than April 11 will not be refunded.
14. We emphasize that enrolling in JPR'2016 alone does not entitle to receive a participation certificate. To receive it, the attendee must have registered presence at the classroom door, when the room door receptionist digitally reads the participant badge bar code. Certificates of participation in the JPR will be available in digital format (PDF) only, ten days after the event, on the SPR website. More information: inscricao@spr.org.br

Final notes:

It is forbidden the entrance of people under 16 years old at the event.

Smoking is prohibited in the classrooms and toilets.

It is forbidden to use the phone and beeps in the auditoriums.

It is forbidden to photograph and film any JPR scientific activity.

It is forbidden to enter wearing shorts, slippers and tank tops.
