WORDS FROM THE COMMITTEE

Dear Friend,

We cordially welcome all the global participants to the 3rd Annual Conference of Indian Biologics Orthopaedic Society (IBOS meet 2020) which will be held during February 7-8, 2020 carrying the theme as 'Biology is the new Technology' in Indore, India, this social gathering is an opportunity to get connected with the top researchers of the world in the fields of Regeneration, Tissue healing, Cell therapy, Stem Cell Researches, Genetics, Biotechnology, Arthroscopy, Joint Preservation, Pharmaceuticals, etc.

The aim of this global conference is to promote the recent advances with its applications of BIOLOGICS which stands as the new therapeutic approaches. The conference will also support and motivate young researchers in the fields of Orthobionics to meet the new advancements.
