- **Orofacial Mesenchymal Stem Cell-mediated Tissue Regeneration: A Future in Implant Dentistry?**
Songtao Shi, DDS, PhD
- **The Emergence of "Tau": A Clinically Relevant Measure of Implant Osseointegration Potential and the Importance of Mesenchymal Stromal Cells**
John Davies, DDS, PhD
- **Achieving Excellence with Implant Dentistry: Techniques Using Today's Evidence-based Principles**
Joseph Kan, DDS, MS
- **The Future for Osseointegration and Implant Dentistry and How Do We Prepare for the Future?**
Kenji Higuchi, DDS, MS

ADA CERP® | Continuing Education
Recognition Program

The Academy of Osseointegration (AO) is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. AO designates this activity for 24 continuing education credits.
