

2018 Basic Life Support Courses

The Austen Simulation Center for Safety & Reliability

47 N. Main St.

Akron, Ohio 44308

Akron Children's Hospital utilizes the HeartCode BLS Part 1 as part of our BLS (CPR) for Healthcare Providers program. HeartCode BLS is a web-based, self-paced instructional program that uses eSimulation technology to allow students to assess and treat patients in virtual healthcare settings. HeartCode Part 1 is **pre-course** work and must be completed by the student before attending a skill challenge session. This course is for students taking the course for the first time or those needing a refresher course. When students attend the hands-on skills testing session, they will practice and then test off their skills with an AHA Instructor. During the testing session there will be no prompting or coaching. Student manuals may be purchased on www.worldpoint.com.

Course Requirements for Successful Completion:

1. Register for a Skills Challenge Session – You must be registered in order to attend the session.
2. Complete HeartCode BLS Part 1 – Go to www.onlineaha.org and complete the BLS Heartcode (#15-1400) for \$28.50. Once completed, print and bring the completion certificate with you to the skills session registered for.
3. Attend Skill Challenge Session – You must bring Part 1 Completion Certificate with you to the skills session that you registered for below.
4. Complete Final Evaluation – (Receive card at the end of the course)

Cancellations: Cancellations must be received by email to melrod@chmca.org **no later than 3 business days** before your scheduled skills session. If your cancellation is not received in time, you will not receive a refund.
