9:00am – 11:00am • Class

Zoom Meeting

COVID-19 has changed the landscape of our dental practices, how do we pivot and thrive in a post-pandemic clinical practice? In this presentation, the focus is on how to improve the quality of life of your patients and improve practice growth using dental implants. Emphasis will be placed on focusing on a broad range of dental implant options using affordable and low cost strategies to treat patients to get patients to say yes to treatment even when the world is going crazy!

\$99
2 CEU, CORE

Dr. Scherer is an Assistant Clinical Professor at Loma Linda University, a Clinical Instructor at University of Nevada – Las Vegas, and maintains a practice limited to prosthodontics and implant dentistry in Sonora, California. He is a fellow of the American College of Prosthodontists, has published articles, DVD training series, and in-person and online courses related to implant dentistry, clinical prosthodontics, and digital technology with a special emphasis on full-arch reconstruction. As an avid technology & computer hobbyist, Dr. Scherer's involvement in digital implant dentistry has led him to develop and utilize new technology with CAD/CAM surgical systems, implement interactive CBCT implant planning, and outside of the box radiographic imaging concepts.
