

2018 Kona, Hawaii Workshop:

Current Issues in Aromatherapy

November 4 - 9, 2018

Highlights:

- Earn 100 Continuing Education Hours
- Top Tips for Successful Aromatherapy Consulting
- Expert Aromatherapy Blending Kit and Supplies
- One-year Access to ACHS's Aromatherapy Monographs Published by Renowned Aromatherapist Dorene Petersen

ARC
Aromatherapy Registration Council

Cost: \$2,895*

*Does not include airfare, travel insurance (required), or incidentals

Overview:

This 5-night, 6-day workshop is designed for professional aromatherapists and aromatherapy students. This workshop provides expert instruction in current issues in aromatherapy and continuing education in the important areas of essential oil chemistry, safety, quality assessment, conducting client intakes, and therapeutic aromatherapy blending. The program includes tours that provide an opportunity for students to immerse themselves in the rich culture of traditional Hawaiian plants and natural product-making. Additional optional tours also available as indicated in the schedule.

Daily Schedule:*

Sunday, November 4: Arrival Day

We will travel for approximately 20 minutes to the Kailua-Kona central area for check-in at the Royal Kona Hotel. The remainder of the day will be spent arriving, unpacking, and settling in. Dinner on your own; recommendations provided.

About ACHS

American College of Healthcare Sciences (ACHS) has been educating industry leading holistic health professionals since 1978. View our Alumni in Action online at www.achs.edu/alumni/in-action. ACHS is an accredited by the Distance Education Accrediting Commission (DEAC). DEAC is recognized by the U.S. Department of Education and by the Council for Higher Education Accreditation (CHEA).

ACHS is one of the few accredited holistic health colleges offering fully online graduate and undergraduate degrees, diplomas, career-training certificates, and continuing education courses in integrative medicine fields, such as aromatherapy, herbal medicine, holistic nutrition, and wellness coaching. For more information about ACHS programs visit www.achs.edu.

Learn more about our accredited, online programs including our new Bachelor of Science in Holistic Nutrition and Bachelor of Science in Integrative Health Sciences degree programs. These programs provide opportunities to specialize in several areas of health and wellness including aromatherapy, holistic spa management, fitness training and sports nutrition, and more!

About Dorene Petersen

President and Founder of American College of Healthcare Sciences (ACHS) in 1976, Dorene Petersen holds a BA in Archaeology and Anthropology from Otago University, New Zealand, a Diploma in Natural Therapeutics from the South Pacific College of Natural Therapies in Auckland, New Zealand, and is a Certified Acupuncturist with specialized training in Chinese herbal medicine and moxibustion.

Dorene currently serves as Chair of the Aromatherapy Registration Council (ARC), an independent, nonprofit organization that administers the national examination in aromatherapy to ensure minimum standards of training and safety knowledge of Registered Aromatherapists. Dorene is also a professional member of the American Herbalists Guild (AHG). In 2009, Dorene was awarded the Professional Service Award from the International Herb Association (IHA) for her outstanding contributions to the herb industry.
