Gastrointestinal Endoscopy

Annual GI Advanced Practice Provider Course

March 31-April 1, 2023 | Virtual

An excellent introductory or refresher course for GI APPs,
physician leaders and practice staff who work with and/or
supervise APPs.

Register at **ASGE.org/APP2023**

FOURTH ANNUAL GI PRACTICE PROVIDER COURSE

Advanced practice providers (APPs) are an integral part of the gastroenterology team. This virtual two-day course is an excellent introductory or refresher course for APPs and the physicians and practice staff who work with and/or supervise them. Course directors will highlight ways to build and sustain more collaborative working relationships and steps a GI practice should take to integrate APPs into its clinical team.

This top-notch course features:

- Learning through a mix of lectures and interactive panel discussions
- Concepts and clinical applications that can be directly applied to patient care
- Flexible registration options allowing you to participate based on your individual interests and/or practice needs
- Access to recordings of the course available through GI Leap

COURSE DIRECTORS

John A. Martin
MD, FASGE
Mayo Clinic
Rochester, Minnesota

Jill Olmstead
DNPc, ANP-BC,
CCS-P, FAANP
St. Joseph Health
Fullerton, California

FACULTY

Sarah Enslin, PA-C
University of Rochester Medical Center
Rochester, New York

Andrea Gossard, APRN, CNP
Mayo Clinic
Rochester, Minnesota

Vivek Kaul, MD, FASGE
University of Rochester Medical Center
Rochester, New York

Kimberly Kearns, MS, APN-BC
Duly Health and Care
Hoffman Estates, Illinois

Aaron Shiels, MD, FASGE
Rockford Gastroenterology Associates
Rockford, Illinois

Joseph J. Vicari, MD, MBA, FASGE
Rockford Gastroenterology Associates
Rockford, Illinois

COURSE LEARNING OBJECTIVES

Day 1

Gastroenterology and Endoscopy Practice: Introduction, Onboarding and General Practice Principles

- List recommendations for developing optimal GI consultation skills including proper medical record documentation.
- Identify common billing codes for GI Consultation, supported by appropriate documentation.
- Discuss best practices in preparing the patient for procedures including informed consent, bowel preparation and anticoagulation management in the peri-endoscopy period.
- Discuss key medicolegal principles in GI practice.
- Assess tools and resources needed to develop an onboarding program for the GI APP.
- List key elements of a high-performing APP-based and supported GI team.
- Discuss strategies to develop APP leaders.

Day 2

Gastroenterology & Hepatology Clinical Practice: Cased-based Discussions

- Review best practices for general and advanced endoscopic procedures.
- Identify the appropriate evaluation and management algorithm for common GI symptoms/diagnoses/diseases that a GI-APP will encounter.
- Learn the essentials of patient evaluation and management for liver disease, IBD, acute pancreatitis, Celiac disease and Barrett's esophagus.
- Discuss role and interpretation of common GI imaging tests.
- Discuss what every APP should know about the NordICC Trial Study and education for patients and referring physicians.

Register at **ASGE.org/APP2023**

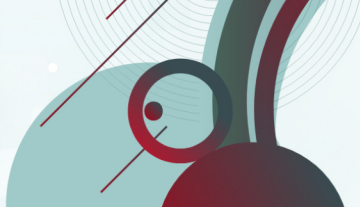

Day 1 - Friday, March 31, 2023

Gastroenterology and Endoscopy Practice: Introduction, Onboarding and General Practice Principles

8:00 - 8:10 AM	Welcome and Introductions
8:10 - 8:40 AM	Creating a High-Quality GI Consultation
8:40 - 9:00 AM	Optimizing the Role of the APP: From Onboarding to Continued Professional Development
9:00 - 9:20 AM	Opportunities for Scholarships and Research for the APP
9:20 - 9:40 AM	APP/MD Collaborative Relationship
9:40 - 10:00 AM	Work-Life Satisfaction: Strategies for Success
10:00 - 10:30 AM	Questions and Answers
10:30 - 10:45 AM	Break
10:45 - 11:05 AM	Building APP Leaders
11:05 - 11:25 AM	Informed Consent, Sedation and Bowel Preparation
11:25 - 11:45 AM	Management of Anti-Thrombotic Agents for Patients Undergoing GI Endoscopy
11:45 AM - 12:15 PM	Questions and Answers
12:15 - 12:55 PM	Lunch Break
12:55 - 1:15 PM	Upper Endoscopy
1:15 - 1:35 PM	Colonoscopy
1:35 PM - 1:55 PM	ERCP and EUS
1:55 - 2:15 PM	Therapeutic Endoscopy: What the APP Needs to Know
2:15 - 2:45 PM	Questions and Answers
2:45 - 3:00 PM	Break
3:00 - 3:20 PM	Billing and Coding
3:20 - 3:40 PM	Medicolegal Aspects of Endoscopic Practice
3:40 - 4:00 PM	Contracts and Negotiations
4:00 - 4:30 PM	Questions and Answers
4:30 PM	Adjourn

Day 2 - Saturday, April 1, 2023

Gastroenterology & Hepatology Clinical Practice: Cased-based Discussions

8:00 - 8:10 AM	Introduction to Day 2
8:10 - 8:40 AM	Evaluation of Abnormal Liver Function Tests (LFTs)
8:40 - 9:10 AM	Case Studies in Liver Disease
9:10 - 9:40 AM	Management of Liver Disease Complications
9:40 - 10:10 AM	Questions and Answers
10:10 - 10:25 AM	Break Management of Anti-Thrombotic Agents for Patients Undergoing GI Endoscopy
10:25 - 10:55 AM	Abnormal Imaging in GI: Tests, Clinical Significance and Impact on Management
10:55 - 11:25 AM	Celiac Disease and Other Diseases of the Small Bowel
11:25 - 11:55 AM	GERD, Barrett's Esophagus and Endotherapy
11:55 AM - 12:25 PM	Questions and Answers
12:25 - 1:00 PM	Lunch Break
1:00 - 1:30 PM	Acute Pancreatitis Update 2023
1:30 - 2:00 PM	Evaluation and Management of IBD
2:00 - 2:30 PM	Evaluation of Acute and Chronic Diarrhea
2:30 - 3:00 PM	Questions and Answers
3:00 - 3:15 PM	Break
3:15 - 3:45 PM	The NordICC Trial and Colorectal Cancer Screen: What Every APP Needs to Know
3:45 - 4:15 PM	Roundtable Discussion – What Questions Have We Not Addressed?
4:15 - 4:30 PM	Closing Remarks and Adjourn

REGISTRATION

Our tailored agenda and flexible registration options allow you to participate based on your individual interests and/or practice needs. Register for the first, or second day of the course, or register for both days and save!

	One day	Both days
ASGE Members	\$195	\$295
Non-members*	\$295	\$395

* Includes a complimentary one-year associate membership for APPs.

Practices with three or more participants can contact ASGE at info@asge.org or 630-573-0600 for details on a group discount.

Can't make the live event? Your registration includes access to the course recordings, which will be available mid-May.

Visit ASGE.org/APP2023 for registration and cancellation policies.

CONTINUING MEDICAL EDUCATION

The American Society for Gastrointestinal Endoscopy (ASGE) is accredited by the Accredited Council for Continuing Medical Education to provide continuing medical education for physicians.

ASGE designates this live virtual activity for a maximum of 14.75 AMA PRA Category 1 Credits™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

All other healthcare professionals will receive a Certificate of Participation specifying hours of education accredited for AMA PRA Category 1 Credits™.

Go to ASGE.org for details on:

- ASGE's Outcome-Based Education Level
- ASGE's Assurance to High Level Scientific Evidence and Adherence to Neutrality
- HIPAA Accountability
- Educational Attributes
- ASGE's Commitment to Its Learners

TESTIMONIALS FROM PAST ATTENDEES

“

As a new APP, this course gave me a great base to start from when providing care to my patients. There was plenty of great information as to where to start with a patient coming in for a variety of conditions.

It is necessary for APPs to understand the necessity and the process of all GI procedures to provide the best care for patients following a procedure or preparing for one. All topics were pertinent. I would definitely recommend this to my fellow GI APPs.

All APPs and all the doctors were excellent, this course definitely makes a positive impact in my GI career. All APPs in GI should take this course!

APPs are essential in the diagnosis and management of acute and chronic GI problems. It is important to know the ins and outs of all possible conditions to properly diagnose and treat patients with the support of other providers.

The faculty were all wonderful and I enjoyed listening to and learning from them. I can tell they are passionate about GI and about successfully incorporating and optimizing APs in their practices. This is not always the case elsewhere so it's good to know there is support out there.

As a new grad PA at a private practice GI group, it was very interesting to hear about the APP/physician relationship and typical APP onboarding processes. I also loved the list provided for deciding if a patient can be scoped outpatient or needs to be scoped in the hospital - I will definitely be utilizing that in practice.

”

Annual GI Advanced Practice Provider Course

March 31-April 1, 2023 | Virtual

Earn up to 14.75 AMA PRA Category 1 Credits™!

Day 1 Curriculum

Designed for APPs new to GI, physician leaders and practice managers to help integrate the APP into the GI practice, with a look into normal day-to-day roles and responsibilities.

Day 2 Curriculum

Will delve into more advanced clinical concepts addressed in an interactive case-based learning format.

*Attend one, or both days,
depending on your individual interests
and needs!*
