The firm also specializes in dental board defense, estate planning for dentists and employment law issues

Arlene Luu, RN, BSN, JD, CPHRM

Senior Patient Safety and Risk Consultant

Arlene Luu earned her bachelor of science degree in nursing from San Diego State University, a certificate in public health nursing for the state of California, and her juris doctorate degree from California Western School of Law. She is a licensed attorney in California and a certified professional in healthcare risk management. Arlene Luu provides comprehensive risk management services to healthcare systems, hospitals, doctors, and dental providers in MedPro Group's Western Division. Arlene has more than 20 years of experience as a registered nurse in diverse areas that include direct patient care, long-term care administration, case management/utilization management, nursing education, and risk management and patient safety. She has worked as a defense attorney representing doctors, nursing homes, nurses, and other healthcare providers in medical malpractice cases.

Kathy Kim, CSP,

ARM Senior Risk Solutions Consultant

Kathy Kim has been a professional loss control consultant for ten years, but her inclination toward helping people and industries preserve life and business has been there since long before she took her first professional position in risk management. Kathy majored in environmental studies at UCLA before going on to her Master of Science degree from Cal State University-Northridge in industrial hygiene.
