40 YEARS

A large, semi-transparent graphic of the number '40' is overlaid on a nighttime photograph of the San Francisco skyline. The '4' is a simple, bold shape, while the '0' is a circle. To the right of the '0', the word 'YEARS' is written vertically in a bold, sans-serif font. The background image shows the Golden Gate Bridge and various city buildings illuminated at night.

40TH ANNUAL ADVANCES IN INFECTIOUS DISEASES:

New Directions for the Clinic and the Hospital

The Division of Infectious Diseases, Department of Medicine, University of California, San Francisco presents its annual symposium on Advances in Infectious Diseases. Now marking its 40th year, this conference emphasizes state-of-the-art therapy for patients with infectious diseases and also provides reviews of new developments.

TARGET AUDIENCE

This educational activity is intended for internists, family physicians, general practitioners, nurse practitioners, physician assistants, nurses, pharmacists, and advanced health practitioners who are involved in the care of patients with infectious diseases.

OBJECTIVES

An attendee completing this course should be able to:

- Select appropriate treatment regimens for specific infections such as community acquired pneumonia and urinary tract infections in both outpatient and inpatient settings;
- Effectively manage common infections in the clinic and hospital, including upper respiratory infections, dermatologic infections, and diarrhea;
- Relate infectious considerations in certain groups at special risk, including those with HIV and diabetes;
- Discuss how the emergence of drug-resistant organisms is shaping therapy of common problems such as sexually-transmitted diseases;
- Interpret and apply up-to-date information on less common infections in the U.S., including tuberculosis, infections in travelers, and emerging infections;
- Counsel patients regarding new vaccines and expanded indications for established vaccines.

ACCREDITATION

The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. UCSF designates this live activity for a maximum of **18.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

Nurses:

For the purpose of recertification, the American Nurses Credentialing Center accepts **AMA PRA Category 1 Credit™** issued by organizations accredited by the ACCME.

Physician Assistants:

AAPA accepts category 1 credit from AOACCME, Prescribed credit from AAFP, and **AMA PRA Category 1 Credit™** from organizations accredited by the ACCME.

Pharmacy:

The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for **AMA PRA Category 1 Credit™**.

ABIM Maintenance of Certification:

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 18.25 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

IMPORTANT: The online course evaluation must be completed by the due date specified. Within 45 days after submitting your evaluation, we will report your points to the ABIM.

Family Physicians: Application for CME credit has been filed with the American Academy of Family Physicians.

Determination of credit is pending.
