ABOUT

GTCbio and the advisory board would like to invite you to the **2016 Diabetes Summit** to be held **April 25-27, 2016** in **Boston, MA**. Experts from industry and academia will discuss the bionic pancreas, bariatric surgery, the gut microbiome, obesity, and emerging therapies to target Type 1 and Type 2 diabetes in sessions and panels geared towards novel therapeutic strategies, drug discovery, and partnering with pharmaceuticals, biotech firms, and academic institutions. This unique event encompasses the drug discovery and partnering aspects of diabetes in two individual conferences that take place concurrently:

[9th Diabetes Drug Discovery & Development](#) (April 25-26)

[6th Diabetes Partnering & Deal-Making](#) (April 26-27)

POSTER & ORAL PRESENTATION OPPORTUNITIES

If you are interested in participating in the Summit's poster session to showcase your work and research, please submit an abstract [here](#) and select which conference you would like to present in by **March 25, 2016**. In addition, the top two to three abstracts submitted for each individual conference will be selected to give a short oral presentation as part of that conference's program. Presentation slots fill up fast so please submit your abstract ASAP.

2015 DEMOGRAPHICS

SPONSORSHIP OPPORTUNITIES

Our conferences are designed with our sponsors and exhibitors in mind: we create intimate and highly interactive environments so that they can maximize their reach and make long-lasting contacts. Our sponsors and exhibitors benefit from a few of the following:

- Sponsors/exhibitors have the option to receive the delegate list a week before and a week after the conference.
- The exhibit space for the meeting is shared with any other concurrent conferences, providing sponsors and exhibitors with access to a larger audience. The exhibit space is also where all networking functions take place, including coffee, snack stations, breakfast, and the evening reception.
- Your corporate logo will be placed on the cover page of the conference brochures, the proceedings given to all conference delegates, and on the presentation screen during all breaks to enhance your company's visibility at the event. Your logo will also be placed on the conference website agenda linked to your website.

For sponsorship and exhibit opportunities, please contact:

Amber Kempf
Senior Account Executive
amber.kempf@gtcbio.com

AGENDA AT-A-GLANCE

Day 1 - Monday, April 25, 2016

7:00	<i>Continental Breakfast & Registration</i>
7:55	<i>Welcome & Opening Remarks</i>
	9th Diabetes Drug Discovery and Development
8:00	Session: New Discoveries and Emerging Therapies for Type 1 Diabetes
9:40	<i>Morning Networking Break</i>
10:30	Session: Advances and Strategies in Drug Development
12:10	<i>Lunch Provided by GTCbio</i>
1:30	Session: New Discoveries and Treatment for Type 2 Diabetes
3:10	<i>Afternoon Networking Break</i>
