

The American College of Surgeons offers
ADVANCED SURGICAL SKILLS FOR EXPOSURE IN TRAUMA (ASSET)
Date: 4/15/2024
Center for Advanced Medical Learning and Simulation
124 S Franklin St. Tampa, FL 33602

CONTINUING MEDICAL EDUCATION CREDIT INFORMATION

Accreditation: The American College of Surgeons is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA PRA Category 1 Credits™ The American College of Surgeons designates this live activity for a maximum of 7.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Of the AMA PRA Category 1 Credits™ listed above, a maximum of 7.5 credits meet the requirements for Self-Assessment.

Of the AMA PRA Category 1 Credits™ listed above, a maximum of 7.5 hours meet the requirements for **Trauma**.

**The content of this activity may meet certain mandates of regulatory bodies. Please note that ACS has not and does not verify the content for such mandates with any regulatory body. Individual physicians are responsible for verifying the content satisfies such requirements.*

Agenda

Schedule	Session	
7:00 – 7:15 AM	Registration, Change into Scrubs, Breakfast	
7:15 – 7:30 AM	Welcome, Course Overview	Luis E. Llerena, MD, FACS, CHSE-A – Course Director <i>Professor of Surgery, Morsani College of Medicine, USF, Tampa, FL;</i> <i>Medical Director, Center for Advanced Medical Learning and Simulation (CAMLs), Tampa, FL</i>
7:30 – 10:00 AM	Lab One Neck and Upper Extremity Injuries Cases 1-2	Faculty:
	Upper Extremity Injuries Cases 3-4	Faculty:
10:00 – 10:15 AM	Break	Classroom
10:15 – 12:30 PM	Lab Two Exposure of Femoral and Lower Extremity, Lower Extremity Fasciotomies Cases 5-6	Faculty:
	Pelvis Vessels Cases 7-8	Faculty:
12:30 – 1:00 PM	Lunch/REBOA –	Classroom
1:00 – 3:30 PM	Lab Three Heart, Thoracotomy and Neck Cases 9-12	Faculty:
	Lab Four Abdomen Trauma Cases 13-17	Faculty:
3:30 – 4:30 PM	Post Test and Self-Assessment	Classroom

About the Course	The course provides an overview of key surgical exposures in five key anatomic areas: neck, chest, abdomen and pelvis, extremities, upper and lower. A one day cadaver-based course follows this modular, body region approach. Each section begins with a short case-based overview, followed by a hands-on exposure performed by students under the guidance of faculty. The student to faculty ratio is low, allowing extensive faculty guidance and interaction with students. The student assesses his or her ability to perform each exposure independently and is evaluated on knowledge, and technical skills.
Fees	\$2500 per person
Location	CAMLS – Center for Advanced Medical Learning and Simulation - 124 S Franklin ST, Tampa, FL, 33602
Cancellation	Due to instructors, tissue and resources being procured based on course attendance, USF Health Professions Conferencing Corporation must adhere to the following cancellation policy. • All requests for cancellation, transfer or refunds must be received in writing to camlsoperations@usf.edu. • Cancellations received at least 31 calendar days prior to the start of the activity, a refund will be provided minus a \$75 administrative fee and the cost of the book and shipping (up to \$184.00). • Requests for a transfer to another course date at least 31 calendar days prior to the start of the activity will be honored with no additional fees. The new course date must be within 6 months of the original course date. • No refunds or requests for transfer will be provided if cancellation is received within (and including) 30 calendar days of the start date of the activity • No-shows are not eligible for a refund or transfer. For internal USF participants or organizations wishing to be invoiced for registrations, your department or organization will be invoiced according to the above guidelines. USF Health Professions Conferencing Corporation reserves the right to cancel this activity due to unforeseen circumstances, in which you will be contacted via phone and/or email to reschedule or issue a refund. USF Health Professions Conferencing Corporation is not responsible for travel expenses incurred by the participants in the rare event that this activity is canceled or postponed
Course Director	Luis E. Llerena, MD, FACS, CHSE-A – Course Director <i>Professor of Surgery, Morsani College of Medicine, USF Health, Tampa, FL</i> <i>Medical Director, Center for Advanced Medical Learning and Simulation (CAMLS), Tampa, FL</i>
Course Coordinator	Frank Whitaker, BS Program Analyst USF Health, CAMLS 124 S. Franklin Street, Tampa, FL 33602 Phone: 813.224.7819 Fwhitaker@usf.edu
Target Audience	Mid-level and senior surgical residents, trauma and acute care surgical fellows, or any surgeon who wishes to undertake a review of this anatomy.
Learning Objectives	<i>As a result of participating in this activity, the physician will be able to:</i> • Apply knowledge of key anatomical exposures for the care of acutely injured surgical patients.

- Demonstrate technical ability to expose important structures that may require acute surgical intervention to save life or limb.
- Perform anatomic exposures independently.

Educational Gap Surgeons who care for injured patients need to know how to rapidly expose and repair complex injuries in all parts of the human body. This course teaches comprehensive exposure skills using a cadaver-based model.

Self Assessment Credit In order to qualify for Self-Assessment credit, the learner must achieve 75% or higher on the post test.

Commercial Support None.

Course Credit Course certificates will be distributed weeks to months after the course from ACS.

DISCLOSURE INFORMATION

In accordance with the ACCME Accreditation Criteria, the American College of Surgeons must ensure that anyone in a position to control the content of the educational activity (planners and speakers/authors) has disclosed all financial relationships with any commercial interest (see below for definitions).

Commercial Interest: The ACCME defines a “commercial interest” as any entity producing, marketing, re-selling, or distributing health care goods or services used on or consumed by patients. Providers of clinical services directly to patients are NOT included in this definition.

Financial Relationships: Relationships in which the individual benefits by receiving a salary, royalty, intellectual property rights, consulting fee, honoraria, ownership interest (e.g., stocks, stock options or other ownership interest, excluding diversified mutual funds), or other financial benefit. Financial benefits are usually associated with roles such as employment, management position, independent contractor (including contracted research), consulting, speaking and teaching, membership on advisory committees or review panels, board membership, and other activities from which remuneration is received, or expected. ACCME considers relationships of the person involved in the CME activity to include financial relationships of a spouse or partner.

Conflict of Interest: Circumstances create a conflict of interest when an individual has an opportunity to affect CME content about products or services of a commercial interest with which he/she has a financial relationship.

The ACCME also requires that ACS manage any reported conflict and eliminate the potential for bias during the educational activity. Any conflicts noted below have been managed to our satisfaction. The disclosure information is intended to identify any commercial relationships and allow learners to form their own judgments. However, if you perceive a bias during the educational activity, please report it on the evaluation.
