Invitation

Dear Colleagues,

On behalf of the Department of Neuroanaesthesiology & Critical Care, All India Institute of Medical Sciences (AIIMS), it is our great pleasure to welcome you to **AIIMS Neuroanaesthesia Update 2015**, to be held on 26-27 September 2015 at **JLN Auditorium, AIIMS**, New Delhi. The Neuroanaesthesia Update has been designed to provide an innovative and comprehensive overview of the latest research developments in the clinical arena. The meeting was organised for the first time in 2013, on demand from both young and experienced neuroanaesthesiologists, who see AIIMS as the torch bearer in the field of neuroanaesthesia, in India. With overwhelming success in previous years, it has become an annual feature and is being organised for the third consecutive year under the aegis of Neuroanesthesia Research Trust (NRT). This year the scientific programme includes live-demonstrations of anaesthetic and surgical procedures from the operating room, neuromonitoring workshops, panel discussion, guest lectures, interactive case discussion, quiz and a poster session. Many distinguished neuroanaesthesiologists and neurointensivists from various parts of India and abroad will take part in this conference.

We assure you that **AIIMS Neuroanaesthesia Update 2015** will be a major scientific event which would update your knowledge and skills on neuroanaesthesia and neurocritical care.

Look forward to hosting you at AIIMS, New Delhi.

Sincerely,

Dr. Parmod K Bithal
