

LICENSURE RENEWAL COURSE

These courses required for renewal of your dental license

California Dental Practice Act, Infection Control & OSHA Refresher

Are you a licensee who's looking to bang-out all the mandatory courses in one day? Say no more — our All-In-One covers the following:

- 2-hours of California Dental Practice Act for California licensees
- 2-hours of Infection Control for California licensees
- 2-hours of OSHA refresher to include bloodborne pathogens, hazard communication, materials safety, general office and all the required elements of your compliance in the office for all those classified as being exposed to pathogens

We encourage all licensed as well as unlicensed staff to attend this comprehensive education day which covers scope of practice, infection control regulations from the Dental Board, employee safety issues from Cal-OSHA and a review of the duties and functions of practitioners in dental healthcare provision.

Marcella Oster, RDA

Marcella Oster has 27+ years of experience in the dental industry including working as a dental assistant and RDA for 13 years. In 1993, Marcella co-founded and was President of EcoSolutions, the first company to provide comprehensive hazardous chemical waste management services to dental offices (including processing of the chemicals). In 1999, EcoSolutions merged with the industry's largest medical waste management company.
