

SCAI 2016

Orlando, FL | May 4-7, 2016

Interventional Cardiology's Annual Meeting

Translating Science to Practice

PRELIMINARY PROGRAM

Featuring

- Coronary Track
- Congenital Track
- Peripheral Track
- Structural Track
- Quality Improvement Track
- Cath Lab Leadership Boot Camp
- C3 SUMMIT® for Fellows-in-Training
- Education for Cath Lab Nurses, Technicians, and Other Professionals

Program Chairs

Roxana Mehran, MD, FSCAI (Chair)
Robert J. Applegate, MD, FSCAI (Co-Chair)
Ehtisham Mahmud, MD, FSCAI (Co-Chair)

Congenital Heart Disease Program Chairs

Jacqueline Kreutzer, MD, FSCAI (Chair)
Henri Justino, MD, FSCAI (Co-Chair)

SCAI 2016 General Information

SCAI 2016 Scientific Sessions Highlights Include:

If you can only attend one Interventional / Invasive Cardiology education meeting this year, shouldn't it be the **Best of the Best**? Shouldn't it be SCAI 2016 Scientific Sessions, Interventional Cardiology's Annual Meeting?

- Don't miss SCAI's Cath Lab Leadership Boot Camp - expanded to 1 1/2 days!
- Late-breaking clinical trials and real-world analysis of how the latest studies should affect your practice.
- Emerging and state-of-the-art therapies in structural and valvular heart disease.
- Stand-alone tracks on coronary, congenital, structural, and peripheral interventions and quality in the cath lab.
- View more SCAI 2016 Scientific Sessions highlights on page 5.

Educational Objectives

The SCAI 2016 Scientific Sessions learning objectives are:

- Provide an overview of the latest science, clinical evidence, challenges and opportunities within the field of interventional cardiology;
- Discuss the safety and efficacy of newly developed devices and therapies for treatment of cardiovascular disease to improve early and late clinical outcomes after coronary/peripheral/structural heart disease interventions;
- Recognize the appropriate diagnostic studies for evaluation of acute coronary syndromes and review new pharmacologic and interventional approaches to management of pts with ACS;
- Emphasize the importance of implementing quality-based practices including appropriate use criteria, ACC / AHA / SCAI guidelines, consistent documentation and assignment of quality metrics for interventional procedures;
- Assess the latest techniques, technologies, and therapies (medical and interventional) for structural heart disease, congenital heart disease and peripheral vascular disease.

Program Committee

Roxana Mehran, MD, FSCAI
Program Chair &
Satellite Sessions Chair
New York, NY

Henri Justino, MD, FSCAI
Congenital Heart Disease
Program Co-Chair
Houston, TX

Timothy D. Henry, MD, MSCAI
Development Committee
Co-Chair
Los Angeles, CA

Robert J. Applegate, MD, FSCAI
Program Co-Chair
Winston-Salem, NC

Howard C. Herrmann, MD, FSCAI
C3 SUMMIT® Chair
Philadelphia, PA

Rena L. Silver, MSN, APN, CNP
CVP Program Planner
Evanston, IL

Ehtisham Mahmud, MD, FSCAI
Program Co-Chair &
Education Committee Chair
San Diego, CA

Ruby Satpathy, MD, FSCAI
C3 SUMMIT® Co-Chair
Omaha, NE

Dawn E. Shaddinger, MSN, RN, CCRC, CCRN
CVP Program Planner
New Haven, CT

Michael R. Jaff, DO, FSCAI
Immediate Past Program Chair
Boston, MA

Sahil A. Parikh, MD, FSCAI
C3 SUMMIT® Co-Chair
Cleveland, OH

Jeff Davis, RRT-NPS, RCIS
CVP Program Planner
Fort Myers, FL

Jacqueline Kreutzer, MD, FSCAI
Congenital Heart Disease
Program Chair
Pittsburgh, PA

J. Jeffrey Marshall, MD, FSCAI
Development Committee Chair
Gainesville, GA

ACCREDITATION / CME CREDIT

This activity has been planned and implemented by The Society for Cardiovascular Angiography and Interventions Foundation (SCAI) in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Education (ACCME). SCAI Foundation designates this live educational activity for a maximum of 21* AMA PRA Category 1 Credit(s)[™]. Participants should only claim credit commensurate with the extent of their participation in the activity.

- **Physicians:** The Society for Cardiovascular Angiography and Interventions Foundation is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
- **International Physicians:** The American Medical Association has determined that physicians not licensed in the US who participate in this CME activity are eligible for AMA PRA Category 1 credit[™].
- **Doctors of Osteopathy:** Category 2 credit will be awarded for formal educational programs that are ACCME accredited or AAFP-approved.
- **Physician Assistants:** AAPA accepts Category I credit from AOACCME, Prescribed credit from AAFP, and AMA PRA Category 1 CME credit for the organizations accredited by ACCME. The Society for Cardiovascular Angiography and Interventions is an accredited provider through the ACCME.
- **Nurses:** The Society for Cardiovascular Angiography and Interventions Foundation has applied to the Maryland Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation, for up to 21 credits for this activity.
- **Technologists:** The Society for Cardiovascular Angiography and Interventions Foundation has applied to the American Society of Radiologic Technologists for up to 21 Category A credits for this activity.

*Subject to change.

EDUCATIONAL FORMAT

A distinguished faculty will conduct a four-day program that includes case reviews, lectures, comprehensive didactic sessions, interactive discussions, taped case presentations, and workshops.

SUCCESSFUL COMPLETION STATEMENT

Certificates of Completion / Attendance are provided to registered attendees based upon completion of the evaluation. For questions regarding continuing medical education (CME) credits for this event, please email Georgina López Cruz at GLopezCruz@SCAI.org.

TARGET AUDIENCE

SCAI 2016 Scientific Sessions represents a unique forum driven by issues of the day in invasive and interventional cardiology and are of special interest to:

- Invasive, interventional, other specialty, and general cardiologists
- Fellows-in-training
- Cardiovascular Cath Lab Professionals including cath lab nurses, technologists, radiologic technologists, technicians, physician assistants, nurse practitioners, and administrators

COMMERCIAL SUPPORT

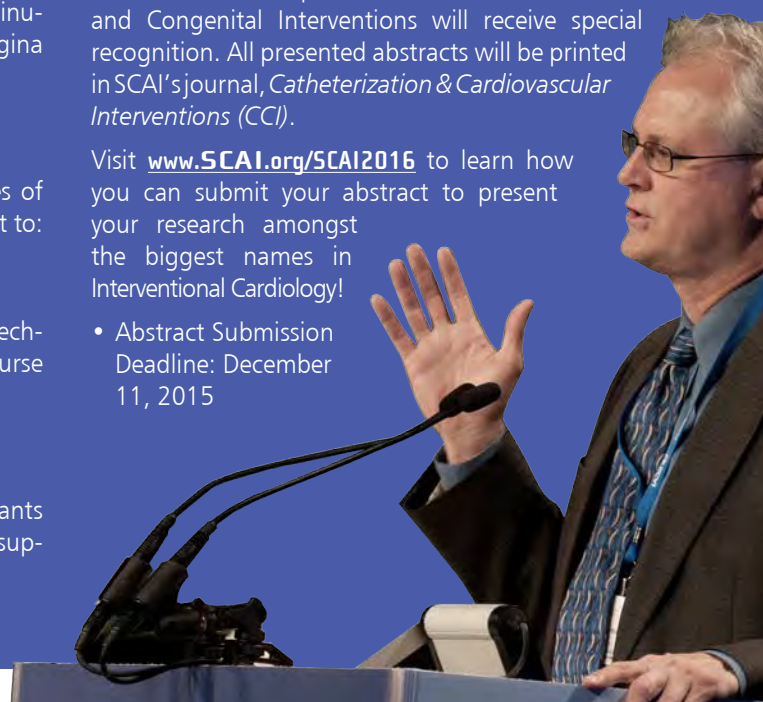

SCAI 2016 Scientific Sessions is being funded in part by educational grants from various commercial organizations. A complete list of commercial supporters and contributors will be published in the final program.

SUBMIT YOUR ABSTRACTS

An exciting array of abstracts will be presented at the conference. The top three abstracts on both Adult and Congenital Interventions will receive special recognition. All presented abstracts will be printed in SCAI's journal, *Catheterization & Cardiovascular Interventions* (CCI).

Visit www.SCAI.org/SCAI2016 to learn how you can submit your abstract to present your research amongst the biggest names in Interventional Cardiology!

- Abstract Submission Deadline: December 11, 2015

Out & About *in Orlando*

HOTEL ACCOMMODATIONS

SCAI 2016 will take place entirely at:

Hyatt Regency Orlando

9801 International Drive, Orlando, FL 32819

SCAI has arranged a tremendous room rate of \$199 per night plus taxes and fees at Hyatt Regency Orlando. Take advantage of this price by making your reservations by April 1.

Room Rate: \$199 / night plus taxes and fees

Room Discount Ends: April 1, 2016 or until the SCAI room block sells out

Cancellation Policy: Cancellations must be made 72 hours prior to arrival date

Make Your Hotel Reservations Today!

- **Online:** <https://resweb.passkey.com/go/SCAI2016>
- **By Phone:** Call 1(800) 233-1234 and reference "SCAI 2016"

Year after year attendees tell us one of the reasons they love SCAI Scientific Sessions is the venue: all in one hotel, easy to navigate, quick to traverse. SCAI 2016 continues the tradition, taking place entirely at Hyatt Regency Orlando.

While Orlando is certainly known as America's favorite family destination, there are plenty of activities for the business traveler, whether it's enjoying:

- The great weather (average highs in the mid-80's during May);
- One of the world's largest golf destinations;
- A culinary destination with sophisticated restaurant options for every taste; and/or
- Finding out why Orlando is secretly known as a shopper's paradise.

Start planning for the **Best of the Best** in Interventional and Invasive Cardiology Education!

SCAI 2016

Orlando, FL | May 4-7, 2016

SNEAK PEAK OF SCAI 2016 SCIENTIFIC SESSIONS HIGHLIGHTS:

- **Cath Lab Leadership Boot Camp** builds upon previous success by expanding the popular session to a 1½ day event this year
- **Stand-Alone Tracks** on coronary, congenital, structural, and peripheral interventions and quality in the cath lab
- **Accreditation for the Entire Cath Lab Team** for all SCAI 2016 Scientific Sessions educational content, cath lab team member and physician alike
- **Emerging & State-of-the-Art Therapies** in structural and valvular heart disease and complex peripheral vascular disease
- **Focused Mini-Symposia** on TAVR, transradial interventions, mitral valves and more
- **Location, Location, Location!** Orlando offers a wide variety of things to see and do from world-class family attractions to nightlife and fine dining.
- **And much, much more!**

Call for Late-Breaking Clinical Trials

SCAI's LBCT results have been prominently featured in mainstream and trade media including: *The Wall Street Journal*, *USA Today*, *The L.A. Times*, and *The Washington Post*, fostering collegial education, collaboration, and dialogue in important interventional cardiology topics. Learn more about presenting your trial results at SCAI 2016 at www.SCAI.org/LBCT.

SCAI 2016 Schedule at a Glance

Wednesday | May 4, 2016

■ Coronary Track / General Session
 ■ Peripheral Track
 ■ Structural Track
 ■ Quality Improvement Track
 ■ Congenital Track

7 AM	...				
Noon	Satellite Events: Half-Day Event (7:00 AM - 11:00 AM) Lunch Event (11:00 AM - 12:15 PM)				
1 PM	Opening General Session (12:30 PM - 1:30 PM)				
2 PM	Complex PCI Case-Based Clinical Decision Making	Peripheral Artery Disease: Data-Driven Decisions on Best Treatment Options	SHD: State of the Art 2016 (Including LAA)	Postgraduate Education and Training: How to Keep Your Game Sharp	Novel Techniques in Congenital Catheter Intervention
3 PM	Break – Exhibit Hall (3:15 PM - 3:45 PM)				
4 PM	CTO / Bifurcation Tips, Tricks, and Techniques	The Case for Intervention: Venous Thromboembolic Disease	SHD Essential Skill Set	AUC: A Case-Based Approach for CAD and PAD	Brainscratchers
5 PM					Lightning Rounds
6 PM	Abstract Poster Session A – Exhibit Hall (5:30 PM - 6:00 PM) Presidents' Reception – Exhibit Hall (5:30 PM - 7:30 PM)				
...					

Thursday | May 5, 2016

■ Coronary Track / General Session
 ■ Peripheral Track
 ■ Structural Track
 ■ Quality Improvement Track
 ■ Congenital Track
 ■ Track / Cath Lab Boot Camp

7 AM	Morning Refreshments – Exhibit Hall (7:00 AM - 8:00 AM)				
8 AM	Radial PCI Tips, Tricks, and Advanced Techniques	Critical Limb Ischemia: Why Cardiologists Should Care	Mitral Valve Therapies: Where Do We Stand?	Interventional Medicine: Occupational Hazards? You Bet Your Life	Bioengineering and Pathology
9 AM				Minimizing Occupational Hazards of Interventional Medicine: Tips and Tricks	Debate: BTS vs. PDA Stenting
10 AM	Abstract Poster Session B – Exhibit Hall (10:00 AM - 10:30 AM)				Failure of the Fontan Circulation
11 AM	Late-Breaking Clinical Trials - Part 1 (10:30 AM - 11:30 AM)				
Noon	Lunch – Exhibit Hall (11:30 AM - 12:45 PM)				
1 PM	Integrating Imaging and Functional Assessment into Your Practice (IVUS, OCT, FFR)	Carotid Artery Disease: Is This Worth Talking About Anymore?	TAVR - Part 1: State of the Technique	Cath Lab Boot Camp - Part 1: Leadership	Mullins Lecture
2 PM					How To: Another Way to Come At It
3 PM	Break – Exhibit Hall (2:30 PM - 3:00 PM)				
4 PM	Complex PCI Lesion Preparation and Hemodynamic Support	Intervention for Hypertension: Does Any Treatment Matter?	TAVR - Part 2: State of the Therapy	Cath Lab Boot Camp - Part 2: Economics	Abstract Presentations - Part 1
5 PM					Worst Case of the Year
...	Abstract Poster Session C – Exhibit Hall (5:00 PM - 5:30 PM) Cases Over Cocktails Presented by the Experts – Exhibit Hall (5:30 PM - 6:30 PM)				

Schedule is tentative and subject to change.

Friday | May 6, 2016

■ Coronary Track / General Session
 ■ Peripheral Track
 ■ Cath Lab Boot Camp
 ■ Structural Track
 ■ Congenital Track
 ■ C3 SUMMIT® for Fellows-in-Training

7 AM	Morning Refreshments – Exhibit Hall (7:00 AM - 8:00 AM)					Satellite Breakfast
8 AM	Presidential Address and MSCAI Ceremony (8:00 AM - 8:30 AM)					Complex Coronary Interventions - Part 1
9 AM	Hildner Lecture (8:30 AM - 9:00 AM)			Catheter Procedures in Adult Congenital Heart Disease		
	Late-Breaking Clinical Trials (9:00 AM - 10:00 AM)					
10 AM	Break – Exhibit Hall (10:00 AM - 10:30 AM)					
11 AM	From Clinical Trials to Clinical Practice: Review of the Best of the Best in the Last Year	VIVA @ SCAI: Strategies on the Frontline V I V A	Cath Lab Boot Camp - Part 3: Quality Outcomes	Combined CHD and SHD Symposium: Two Perspectives and a Common Ground		Structural Heart Sessions
Noon	Lunch – Exhibit Hall (Noon - 1:15 PM)					Satellite Lunch
1 PM						
2 PM	ACS Pharmacology and Devices	SFA @SCAI: Technical Maneuvers for Optimal Outcomes	Cath Lab Boot Camp - Part 4: Registries, Research, and Public Reporting	Pushing the Frontiers in SHD	Abstract Presentations - Part 2	Complex Coronary Interventions - Part 2
3 PM	Break (3:00 PM - 3:30 PM)					
4 PM	Cases, Cases, Cases - Part 1: Stable PCI to STEMI to Cardiogenic Shock	Superficial Venous Disease: The Learning Phase for the Cardiologist	Cath Lab Boot Camp - Part 5: Cases, Cases, Cases - Ethical Challenges	Cases, Cases, Cases - Part 1: My Biggest Challenge	Abstract Presentations - Part 3	Peripheral Interventions
5 PM	Cases, Cases, Cases - Part 2: PCI Complications - My Worst Nightmare	Cases, Cases, Cases: Vascular Interventions - What Cardiologists Think!		Cases, Cases, Cases - Part 2: My Worst Nightmare	I Blew It	Meet the Masters Reception
6 PM	Annual Reception (5:30 PM - 7:30 PM)					
...						

Saturday | May 7, 2016

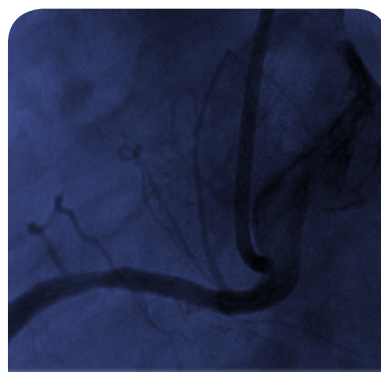

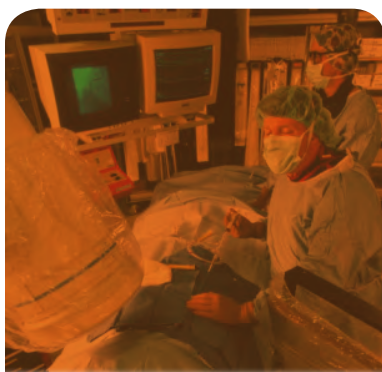

8 AM	Satellite Session	CVP Symposium	Fellows Symposium	SCAI Emerging Leaders Mentorship (ELM) Program Session (Non-Credit Activity) *Attendance by invitation only
...				
Noon				

C3 SUMMIT®

14th Annual Interventional Fellows
Complex Coronary Complications (C3) Summit

Where the FUTURE of Interventional Cardiology is Shaped

LEARN MORE ABOUT SCAI'S C3 SUMMIT AT www.SCAI.org/C3

If you can only attend one fellows course this year, make sure it's the **Best of the Best**. Make sure it's **SCAI's C3 SUMMIT®**, held in conjunction with **SCAI 2016 Scientific Sessions**. The world's premiere figures in interventional cardiology will be there. Shouldn't YOU?

Made possible by various educational grants, SCAI is able to provide interventional cardiology fellows-in-training (in their last year of training) with:

- **Complimentary registration** for SCAI 2016 Scientific Sessions (May 4-7) and C3 SUMMIT® (May 6).
- **Complimentary hotel accommodations** during the SCAI 2016 Scientific Sessions and the C3 SUMMIT®.
- **Lowest Coach airfare to / from Orlando** up to \$500. Hotel and airfare restrictions apply.

Advance **YOUR** Career and Profession with the World's
PREMIERE Interventional / Invasive Cardiology Society!

SCAI Membership is Open to the Whole Cath Lab Team

SCAI CVP
Members Save
\$400*

Join SCAI at www.SCAI.org/Join

*Combined savings of
Earlybird & SCAI
Member Discounts

SCAI Membership is a Smart Investment – Join SCAI Today!

SCAI's membership is open to the entire cath lab team, recognizing that engaging the whole cath lab team is key to advancing OUR interventional cardiovascular specialty through education, advocacy and quality improvement.

SCAI Member Benefits Include:

- Tuition discounts for SCAI meetings including up to **\$400 Off SCAI 2016 Scientific Sessions CVP Tuition***
- SCAI Advocacy efforts on your behalf
- FREE subscription to SCAI's official journal, *Catheterization & Cardiovascular Interventions (CCI)*
- Diverse CME / CE / CEU offerings to meet your needs
- FREE access to SCAI's e-Learning Library
- And More!

SCAI 2016 Highlights for Cardiovascular Professionals:

- **NEW!** All SCAI 2016 Scientific Sessions educational content is accredited for cath lab team member and physician alike, focusing on education for the whole team
- Cardiovascular Professional (CVP) Symposium on Saturday, May 7, 2016
- SCAI's Cath Lab Leadership Boot Camp, extended to 1½ days
- CVP Networking Reception
