

The Lodge at Edgewood Tahoe offers casual comforts complemented by classic refinement where untamed adventure resides in unparalleled accommodations. Edgewood Tahoe is only minutes from world-class Heavenly Mountain via complimentary shuttle, and just a short drive to numerous other mountain options as well. Ski Ambassadors from the Concierge / Guest Services team are available to help you get where you need to be and make the most of your ski experience.

After a day on the slopes, unwind at the Spa at Edgewood Tahoe. The year-round lakefront heated pool and hot tub make for the perfect place to relax. Enjoy majestic views of the Sierras that surround you as you work up a sweat on top-of-the-line equipment in the fitness center. Have fun browsing the one-of-a-kind storefronts of the Boutique, Adventure Center, and Golf Shop to find necessities and souvenirs alike.

Edgewood Tahoe offers dining options both casual and refined. Bistro was recently selected as one of the “10 Places You Must Eat and Drink in South Lake Tahoe” by the Reno Gazette-Journal. The Bistro, is a casual yet refined hub for guests to gather, dine, and reminisce about the day's adventures. Edgewood Restaurant was recently selected as one of the “100 Most Scenic Restaurants in America for 2017” by OpenTable diners and offers stunning floor-to-ceiling windows where diners enjoy striking views of mountains, pines, and the glistening lake.

Guest room feature premium linens, Keurig coffee maker, robes, slippers, mini-refrigerator, bathroom with separate shower and more. Guestrooms also feature a gas fireplace and private deck or terrace. There's no better way to warm up on a cold winter night than around a cozy fire pit or fireplace.

Edgewood Tahoe is located approximately 56 miles from the Reno-Taho International Airport (RNO). For more information on transportation to and from Reno-Tahoe International Airport visit <https://renoairport.com> or South Tahoe Express <https://www.southtahoeexpress.com>. Edgewood Tahoe self-parking and valet parking are available for approximately \$10 per night.

HOTEL RATES: A portion of the room rate is used to partially offset the cost of refreshments during the seminar for meeting participants only. The discounted group rate is available for reservations made through December 21, 2019 or until the group block is full, whichever occurs first.

Tahoe King Room: Single/Double Occupancy
Sunday–Thursday Night – \$260 per night
Friday or Saturday Nights – \$360 per night

Tahoe 2 Queens Room: Single/Quad Occupancy
Sunday–Thursday Night – \$260 per night
Friday or Saturday Nights – \$360 per night

Room rates are subject to a \$25 Daily Resort Fee* per room, per night and 14% tax. Tax rate subject to change without notice.
• All rooms are non-smoking.
• Rollaway beds and cribs are limited and available on a first come, first serve basis.
• Edgewood Tahoe does not accommodate pets.

The Resort Fee provides lodge guests with the following amenities: Nightly Resort Gathering from 4:30pm–6:00pm (example offerings include après ski s'mores, signature drink hosting, and wine tastings), access to a state-of-the-art fitness center, access to the year-round lakefront heated pool and hot tub, welcome glass of champagne upon check-in, nightly turndown service, in-room coffee and bottled water, complimentary wifi internet access, courtesy local shuttle transportation within designated areas around South Lake Tahoe, personal concierge services and designated kids activities. **Resort fee inclusions subject to change without notice.**

CANCELLATIONS: Cancellations of room reservations accepted until 15 days prior to arrival. Cancellation inside 15 days of arrival will forfeit one night's stay plus tax. Reductions in the length of stay at time of check in are subject to an Early Departure fee. No-shows will be charged a penalty up to your entire reserved stay. **Please review your reservation for accuracy. Travel insurance is highly recommended.**

MEDICAL DIRECTOR: Mark Murphy, MD, MSN Education, Treasure Island, Florida
Northwest Seminars, Pasco, Washington

TARGET AUDIENCE: This course is designed for physicians, physician assistants, nurse practitioners, registered nurses, paramedics, pre-hospital emergency medicine care providers and all other medical care providers who must maintain state-of-the-art knowledge of the specialty or are impacted by it.

PROGRAM PURPOSE: The practitioner of emergency medicine must possess evidence-based scientific background for competent clinical practice; maintain state-of-the-art knowledge of the specialty and all additional related disciplines; maintain an up-to-the-minute armamentarium of knowledge and skills for the selection and use of complex equipment, pharmacological agents, and procedures; manage self and colleagues to function toward common goals in providing consistent care in all settings in which emergency care is provided; serve as an expert in matters involving quality, safe and equitable health care delivery and support of other service providers, departments, institutions, and organizations dependent upon professional expertise. Presentations are designed to facilitate the acquisition of cognitive and technical skills as defined through evidence-based data translated to best practice standards by the pertinent governmental and professional organizations including the American College of Emergency Physicians, American College of Surgeons and the Emergency Nurses Association and abilities in one or more of the disciplines vital to the practicing professional.

OBJECTIVES: At the conclusion of this activity, the participant will be able to:

Apply the pertinent physical and behavioral sciences as they impact and are affected by the planning, delivery, and monitoring of services inherent in the professions.

Explain the selection, dosing considerations with methods of administration, safe use, contraindications and precautions of drugs based on their chemical and pharmacologic properties.

Outline comprehensive patient management plans for the special patient population.

Apply the principles of safety and asepsis in the performance of all aspects of patient care regardless of the clinical environment in which the practice resides.

Incorporate the published tenets of pertinent, recognized external organizations, institutions, and professional groups defining medical, legal, philosophical, ethical, and health care management standards.

ACCREDITATION: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health and Northwest Seminars. The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health is accredited by the ACCME to provide continuing medical education for physicians.

The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health designates this live activity for a maximum of 20 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Anesthesiology: CME credit will be sent directly to The American Board of Anesthesiology to fulfill the Part 2 requirement for the Maintenance of Certification in Anesthesiology Program (MOCA®).

Canadian Physicians: This activity is eligible for Section 1 credits in the Royal College's Maintenance of Certification (MOC) Program. Participants must log into MAINPORT to claim this activity.

Certified Registered Nurse Anesthetists: This program has been prior approved by the AANA for 20 Class A CEC; AANA Code #1036622; Expiration Date 3/8/2019.

Nurse Practitioners: The American Academy of Nurse Practitioners Certification Program (AANPCP) and the American Nurses Credentialing Center (ANCC) accept CME from organizations accredited by the ACCME.

Osteopathic Physicians: This program is eligible for Category 2 credit with the American Osteopathic Association (AOA).

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit*™ from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 20 hours of Category I credit for completing this program.

Registered Nurses: NWS is an approved provider for the following state nursing boards: Arkansas State Board of Nursing (Provider Number 50-7480), California Board of Registered Nursing (Provider Number 4833), District of Columbia Board of Nursing (Provider Number 50-7480), Florida Board of Nursing (Provider Number 50-7480), Georgia Board of Nursing (Provider Number 50-7480), and the South Carolina Board of Nursing (Provider Number 50-7480). This program offers 20 contact hours.

†Pharmacology hours subject to change.

Lake Tahoe (Stateline) is the crystalline blue gem topping the crown of the Sierra Nevada Mountains. Tahoe's clear waters, expansive blue skies, pine forests, and mountain vistas create the perfect backdrop in this skier's paradise. No matter your skill level, Tahoe offers a variety of slopes and natural half-pipes perfectly suited to alpine skiing and snowboarding enthusiasts.

Snowmobiling on guided tours can take you across hundreds of miles of scenic trails, encompassing several national forests. There are also sleigh rides, and dogsled tours which are great for kids and couples. Snowshoeing is a trending sport at several state parks and most of the cross-country ski areas, and it's possible to take short, easy hikes through frosted meadows and forests or even along snow-covered beaches. Kayaking is popular along Sand Harbor where you can get a closer look at the lake's pristine waters and surrounding views.

For the indoors-inclined, fine restaurants, nightclubs, casino showrooms, big-name acts, Broadway-style entertainment and 24-hour gaming keep the fun coming. The Stateline hotels have such a complete transportation infrastructure that guests arriving at the Reno or Tahoe airports can get around just fine without a car.

FAP (Frequent Attendee Points):

FAP lets you accumulate points based on dollars spent with NWS including net hotel and tuition booked through NWS (but not air). Once you have enough points to cover a full tuition they can be redeemed for tuition (no cash value). A great program to reward you for supporting NWS.
