Welcome to iSMIT 2023

Join us for the 34th Annual International Society for Medical Innovation and Technology Conference (iSMIT 2023), where ISMIT and IRCAD will be collaborating to explore the future of minimally invasive therapies, AI, robotics, and image-guided surgeries. This exciting event will feature keynote lectures, interactive workshops, industry-sponsored symposiums, and hands-on sessions showcasing the latest cutting-edge technologies.

Dr. Wayne Shih-Wei Huang

iSMIT 2023 Conference President
Director of IRCAD-Taiwan

Prof. Michele DIANA
MD, PhD, MBA

iSMIT 2023 Conference Co-President
Director of IRCAD,
Research Institute against Digestive Cancer

Our ultimate goal is to develop augmented surgery by integrating artificial intelligence, robotics, advanced imaging, and advanced energy delivery systems, ultimately improving the efficacy of minimally invasive therapies. Attendees will have the opportunity to learn, network, and stay up-to-date with the latest surgical technologies.

Don't miss out on this amazing experience, and register now!

Important Dates

14 Feb	Call for Abstracts
01 Mar	Registration Open
20 Apr	Early Acceptance
28 Apr	Abstract Submission Deadline - 1 st Extension
05 May	Abstract Submission Deadline - 2 nd Extension
14 Jul	★ Early Bird Registration Deadline
13 Oct	Registration Closed

Call for Abstracts!

The iSMIT 2023 Organizing Committee cordially invites you to submit abstracts. Please submit your abstracts and share your latest research and discoveries with colleagues and friends from across the world. Go Online Submission!

Submission open until **05 May**

Topics

1. Surgical Simulation and Training
2. Catheter Based Interventions
3. Surgical Navigation and Visualization
4. Robotic Surgery and Automation
5. Hybrid and Future Smart Operating Rooms
6. Minimally and Non-Invasive Therapy
7. Biomedical Sensors
8. 3D Printing and Artificial Organs
9. Surgical Energies (Lasers, Radiofrequency, Cryo Etc)
10. Nanomedicine
11. Remote Diagnostics and Patient Follow-Up
12. Theranostics
13. Emerging Technologies and Devices
14. Intellectual Property, Regulatory Compliance and Commercialization
15. Affordable Medical Technology for Use In Low-Income Countries
16. Health Economics and Value Based Healthcare
17. Innovation In Healthcare: From An Idea To A Product
18. Artificial Intelligence and Clinical Database Management

Registration & Prices

Registration	Type of participant	Early Bird Before 14 Jul	Regular Before 13 Oct	Late 19 - 21 Oct
	Member	TWD 9,500 (≡ USD 310)	TWD 12,000 (≡ USD 395)	TWD 15,000 (≡ USD 490)
	Non Member	TWD 12,500 (≡ USD 410)	TWD 15,000 (≡ USD 490)	TWD 18,000 (≡ USD 590)
	Students / Trainees	TWD 6,000 (≡ USD 198)	TWD 7,000 (≡ USD 231)	TWD 8,000 (≡ USD 264)
Welcome Reception (add-on plan)	TWD 2,000 (≡ USD 65) *This add-on dinner price is applicable to all types of participant			

Workshop (add-on plan)	Member	Non Member	Students / Trainees
	TWD 9,000 (≡ USD 295)	TWD 12,000 (≡ USD 395)	TWD 6,000 (≡ USD 198)

Conference Venue

IRCAD Taiwan is a leading center for advanced surgical training in minimally invasive procedures. It offers a unique and inspiring environment for medical professionals to learn and engage in professional development.

About Lukang, Taiwan

Lukang is a charming town with well-preserved traditional architecture, rich cultural heritage, and a range of local specialties to try. Don't miss the opportunity to discover this one-of-a-kind destination and immerse yourself in Taiwan's fascinating history and culture.
