Comments from past participants:

"I have absolutely enjoyed my experience and learning thus far. I have been to other neurology reviews and board reviews and this, in many ways, tops all of them."

"The best review course for the neurology board exam."

"Please allow me to thank you and your staff for helping me pass the Neuro Boards. I personally feel that the course made a difference."

THE 15TH PENN NEUROLOGY BOARD REVIEW COURSE

Program Overview

This course is specifically designed for neurologists taking or retaking the Initial Certification Neurology Examination, the Initial Certification Neurology with Special Qualifications in Child Neurology Examination or the Recertification Examination.

Target Audience

This course is designed for neurology residents, fellows, and practicing neurologists.

Educational Goal

Upon completion of this activity, participants will be able to prepare for either the American Board of Neurology and Psychiatry (ABPN) Initial Certification Examination in Neurology, the Initial Certification Neurology with Special Qualifications in Child Neurology Examination, or the Recertification Examination.

Accreditation

Perelman School of Medicine at the University of Pennsylvania is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Designation of Credit

Perelman School of Medicine at the University of Pennsylvania designates this live activity for a maximum of 22.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Amount of Credit Available By Day:

Monday7.75 *AMA PRA Category 1 Credits™*

Tuesday.....8.0 *AMA PRA Category 1 Credits™*

Wednesday7.0 *AMA PRA Category 1 Credits™*

Certificates and Transcripts: After the conference has concluded, all participants will receive a follow-up email with instructions and a link. Once participants submit the request for credit, the earned credits will be available for viewing on a transcript and certificates will be available for printing at www.pennmcmeonline.com. Please note that the individual certificate will not be mailed.

Benefits of Attendance

The list of course topics and subtopics was adapted from the ABPN's description of the board and recertification examinations. The time allotted for each topic is based upon the approximate distribution of the subject matter as given by the ABPN.

Our course will provide an excellent review of board exam and recertification topics and help the learner identify areas that require further study. The learner can then review and prepare further in these areas prior to taking the examination.

Pre-recorded Presentations: We understand that preparing for the boards means spending many hours studying and reviewing. In an effort to provide our attendees with the comprehensive review needed to study for the boards within their own busy schedule, about 40 hours of pre-recorded video lectures are included in the course registration fee and will be available online from 2/28/18 until 11/2/18. The pre-recorded lectures are different lectures from the live board review course. This will allow our attendees to review and study the videos at their own pace. Please note that the videos are available only to those pre-registered, paid, and are attending in-person or by Live Stream. The pre-recorded lectures are not approved for CME credit. The full list of pre-recorded lectures is listed on the agenda.

Problem-based Learning: The Problem-based Learning modules are designed to optimally prepare you for the American Board of Psychiatry and Neurology Examination by assessing your ability to apply your fund of knowledge to board-style questions and identify concepts for further study. There is a live mock-examination on Wednesday 6/6 with discussion of challenging questions. There is an option to purchase 2 additional mock examinations for self-study. Lastly, there is an option to receive questions via email, or to your mobile device, three times per week from 2/28/18 until 11/2/18 to more continuously prepare you for the American Board of Psychiatry and Neurology Examination. Utilization of this technology has been shown to increase scores on National Board of Medicine examinations. For an additional fee, all preregistered, paid attendees can choose one of the three options below for additional studying:

- **Option 1 (300 questions):** 2018 Mock Exam – register and attend the optional live mock exam session (please see Mock Exam under Registration Fees for additional information). For live-stream participants, they can purchase this examination for self-assessment but the discussion of challenging questions on Wednesday 6/6/18 is not available to be live-streamed.
- **Option 2 (700 questions):** 2018 Mock Exam, an additional different mock exam (including answers and explanations for self-study), and receive two (2) Board-style questions that will be sent to your email or mobile device every other day for 3 months prior to and 5 months after the Review concludes.
- **Option 3 (1100 questions):** 2018 Mock Exam, two additional different mock exams (including answers and explanations for self-study) and receive four (4) Board-style questions that will be sent to your email or mobile device every other day for 3 months prior to, and 5 months after the Review concludes.

Live Stream Option

Can't attend in person? Watch the *15th Annual Penn Neurology Board Review Course* in real-time online (eastern standard time). Purchase and have full access to the course which will be live streamed from the Philadelphia Marriott Downtown, 1201 Market Street, Philadelphia on June 4-5, 2018. The Mock Exam is not available for Live Stream. By registering for the live stream, you will:

- Receive two days of live streaming. You will have access to watch the presenters live through your computer while the course is being conducted.
- Receive the same course materials and access to the more than 40 hours of pre-recorded lectures as those attending in person
- Have the option of purchasing the 2018 Mock Exam (not available for live streaming) or other problem-based learning options and an Audio CD
- Participation is required in real time (please see course schedule)
- Save over \$1,000 in travel and hotel costs!

Discount Policy

Individuals taking this 2018 course may take a future *Penn Neurology Board Review Course* and receive a discount of 25% off of a future Penn Neurology Board Review Course if they do not pass the 2018 board exam or 75% off of a future *Penn Neurology Board Review Course* if they do not pass the 2018 recertification exam. Proof of non-passing score will be required to be eligible for the discounted rate to attend a future course.

Limitations

It is impossible for us to cover all of the material necessary to answer every question on the board or recertification exams. Similarly, we cannot guarantee that attending this course will result in passing the board or the recertification exams.

Personal recording Devices

Due to the copyright issues of this course, personal recording devices are not permitted for any reason. Anyone found using any personal recording device will be asked to leave the course and no refund will be issued.

Registration Fees

The registration fees for the *15th Penn Neurology Board Review Course* in person or Live Stream are \$1,295 for physicians and \$995 for residents and fellows. The registration fee includes attendance to the 2-day board review, access to pre-recorded lectures, presentation slides available online only, black & white reduced-size syllabus, continental breakfast, and mid-morning & afternoon breaks each day. Lunch, dinner and parking fees are not included.

Presentation Slides (available online only) and Reduced-size Printed Version

Registration is required to view the presentation slides (available online only). All participants are strongly encouraged to bring their laptop or mobile device in order to access the slides while on-site and follow the presentations electronically. Participants should be sure to download the latest free Adobe Reader software in order to open the files. Power stations are provided for charging needs.

The course syllabus will be printed as a black & white reduced-size version for convenient storage and travel.

Optional Written Mock Examination with Discussion

The 2018 Mock Exam will consist of 300 new questions written especially for this course. On Wednesday, June 6, the mock examination will be administered to participants who register additionally for this part of the course. In addition, the answers will be given and a discussion will follow. The registration fee for the optional mock examination is \$500 and only available to those who register and pay for the full course. This fee includes additional course materials, continental breakfast and mid-morning break. If interested, select this option on the registration form.

Audio CD's

The live course will be professionally recorded (audio only) and available online to those who order the files. Together with the presentation slides, the audio recordings will allow participants to review the course material in detail after the course concludes. The audio files do not include the pre-recorded lectures. All lectures from the live course will be recorded and available online at www.penncmeonline.com and only to those who ordered the files. You will be able to listen to the files wherever you log into your www.penncmeonline.com account. The audio files are for sale only to those who register and pay for the course. Those who pre-order the files will receive a discounted price of \$300. On-site orders will cost \$350. Please use the registration form to pre-order the audio files. The files will be available approximately 2-4 days after the course concludes.

If you are registering with a credit card, please register online at www.penncmeonline.com, then click on CME activities/Live Events. We cannot accept faxed or mailed registration forms with credit card information. To pay by check, complete the registration form and mail it in with your check. Please see the registration form for mailing information. Please note: mailed registrations can take up to 5-10 business days before they are received. All registrations will be confirmed by email as long as your registration is received no later than May 25, 2018.

Cancellation and Refund Policy

In order to process refunds for course withdrawals, cancellations must be received in writing no later than March 2, 2018. Cancellation refunds issued before March 2, 2018 are subject to a service charge equivalent to 10% of the registration fee. **No refunds will be issued on or after March 2, 2018.**

The University reserves the right to cancel or postpone any course due to unforeseen circumstances. In the event of cancellation or postponement, the University will refund registration fees but is not responsible for related costs or expenses to participants, including cancellation fees assessed by hotels, airlines, and travel agencies.

Hosting Institution

The *15th Penn Neurology Board Review Course* is hosted by the Department of Neurology, University of Pennsylvania Health System. The department has a long tradition of excellence in the neurosciences and is internationally known for its strengths in many of the neurologic subspecialties. Other lecturers include those from the Departments of Psychiatry and Radiology.

Disclosures

Perelman School of Medicine at the University of Pennsylvania, Office of Continuing Medical Education, adheres to the *ACCME Standards for Commercial Support*. Faculty disclosure information will be made available in the conference materials and syllabi. Faculty members are also expected to disclose to participants any discussions of off-label and/or investigational uses of pharmaceutical products within their presentations.

Meeting Location

The *15th Penn Neurology Board Review Course* will be held at the Philadelphia Marriott Downtown, 1201 Market Street, Philadelphia, PA 19107. Please call 215-625-2900 or visit the Philadelphia Marriott Downtown online www.marriott.com/Philadelphia

Hotel Information

A block of rooms has been reserved at the Philadelphia Marriott Downtown at a special group rate of \$249 per night (single or double occupancy). Taxes are 15.2% per room per night and are subject to change. Philadelphia Marriott Downtown requires a credit card to hold the reservation. They accept all major credit cards. Hotel check-in is at 3 pm, check-out is at noon.

To make hotel reservations, please contact the Philadelphia Marriott Downtown at 215-625-2900 or make your reservation online using this link: <https://aws.passkey.com/go/UpennNeurologyBoardReview>

Deadline for Hotel Room Reservations: May 13, 2018. After this date, or if the room block is filled, whichever comes first, reservations will be taken based on space and rate availability.

Overnight Room Cancellation: Your credit card will not be charged if you cancel your reservation 24 hours prior to your date of arrival. There is a charge for early departures and no-shows. Please be sure to ask about the hotel's reservation and cancellation policies. The University of Pennsylvania is not responsible for any misinformation regarding hotel policies and procedures.

Parking: Philadelphia Marriott Downtown offers valet-only parking in their garage (entrance is off Filbert Street) Daily rate – \$53.90 per day. Please research your parking options before you arrive! There are several garages and lots in the area that offer more economical rates for parking.

Additional Overnight Options: In the event that the Philadelphia Marriott Downtown room block is filled, the following hotels are a five-minute walking distance of the Philadelphia Marriott Downtown and may have overnight room availability:

Hampton Inn Philadelphia
215-665-9100

Hilton Garden Inn Philadelphia
215-923-0100

**Courtyard Marriott
Philadelphia Downtown**
215-496-3200

**Residence Inn Philadelphia
Center City**
215-557-0005

AGENDA

Day 1 – Monday, June 4

7:30 AM – 8:00 AM

Registration & Continental Breakfast

8:00 AM – 8:05 AM

Introduction

Raymond Price, MD

- How This Course Will Help You Study for the Board Exam

8:05 AM – 8:20 AM

Description of the ABPN Initial Certification Exam

Raymond Price, MD

- Content, Format of the Boards

8:20 AM – 9:30 AM

Neuroanatomy Through Clinical Cases

Raymond Price, MD

- Neuroanatomy Application of Recorded Talks

9:30 AM – 10:15 AM

Sleep Through Clinical Cases

David Raizen, MD, PhD

- Sleep Disorders Application of Recorded Talks

10:15 AM – 10:30 AM

Break (Coffee & Snack Provided)

10:30 AM – 11:15 AM

Movement Disorders Through Clinical Cases

Nabila Dahodwala, MD

- Movement Disorders Application of Recorded Talks

11:15 AM – 12:00 PM

Neurovascular Through Clinical Cases

Steven R. Messé, MD

- Neurovascular Disorders Application of Recorded Talks

12:00 PM – 1:00 PM

Lunch (On Your Own)

1:00 PM – 1:30 PM

Neuropathology Through Clinical Cases

Raymond Price, MD

- Neuropathology Application of Recorded Talks

1:30 PM – 2:00 PM

Headache

Katherine Hamilton, MD

- Migraine Diagnosis and Treatment (Prophylactic and Abortive)
- Other Types (Tension, Cluster, Chronic, Daily, Medication Overuse)

2:00 PM – 3:15 PM

Psychiatry and Substance Abuse through Clinical Cases

Robert M. Weinrieb, MD

- Psychiatry and Substance Abuse Application of Recorded Talks.

3:15 PM – 3:30 PM

Break (Coffee & Snacks Provided)

3:30 PM – 4:15 PM

Epilepsy and EEG Through Clinical Cases

Sudha Kessler, MD

- Epilepsy and EEG Application of Recorded Talks

4:15 PM – 4:50 PM

Neurophysiology (EMG, VEP, BAERS) Through Clinical Cases

Shawn Bird, MD

- EMG and Evoked potentials Application of Recorded Talks

4:50 PM – 5:10 PM

Neuromuscular Disease Through Clinical Cases

Shawn Bird, MD

- Disorders of Neuromuscular Transmission

5:10 PM – 5:45 PM

Neuromuscular Disease Through Clinical Cases

Lauren B. Elman, MD

- Neuropathies
- Myopathies

Day 2 – Tuesday, June 5

7:30 AM – 8:00 AM

Course Sign-in & Continental Breakfast

8:00 AM – 8:10 AM

Description of the Recertification Exam

Eric Lancaster, MD, PhD

8:10 AM – 8:40 AM

Neurochemistry

Eric Lancaster, MD, PhD

- Neurotransmitters and Receptors

8:40 AM – 9:10 AM

Pediatric Neurology Through Clinical Cases I

Nicole Ryan, MD

- Pediatric Neurology Application of Recorded Talks

9:10 AM – 9:50 AM

Pediatric Neurology Through Clinical Cases II

Eric Marsh, MD, PhD

- Pediatric Neurology Application of Recorded Talks

9:50 AM – 10:05 AM

Break (Coffee & Snack Provided)

10:05 AM – 10:45 AM

Neuro-Immunology Through Clinical Cases

Dina Jacobs, MD

- Neuro-immunology Application of Recorded Talks.

10:45 AM – 12:00 PM

Neuroimaging Through Clinical Cases

John Woo, MD

- Neuroimaging Application of Recorded Talks

12:00 PM – 1:00 PM

Lunch (On Your Own)

1:00 PM – 1:30 PM

Afferent Neuro-ophthalmology Through Clinical Cases

Ali Hamedani, MD

- Neuro-ophthalmology Application of Recorded Talks

1:30 PM – 2:20 PM

Efferent Neuro-ophthalmology Through Clinical Cases

Ali Hamedani, MD

- Neuro-ophthalmology Application of Recorded Talks

2:20 PM – 3:30 PM

Neuro-infectious Disease, Neuro-oncology, and Neurologic Complications of Medical Disease Through Clinical Cases

Amy Pruitt, MD

- Neuro-infectious Disease, Neuro-oncology, and Neurologic Complications of Medical Disease Application of Recorded Talks

3:30 PM – 3:45 PM

Break (Coffee & Snacks Provided)

3:45 PM – 4:30 PM

Behavioral and Personality Changes Associated With Structural Changes

Geoffrey Aguirre, MD, PhD

- The Big Picture
- Aphasias and Apraxias
- Disorders of Attention/Neglect
- Agnosias
- Cognitive Effects of Head Trauma

4:30 PM – 5:15 PM

Memory Disorders and Cortical Changes With Dysfunction

Geoffrey Aguirre, MD, PhD

- Memory and Amnesias
- Mild Cognitive Impairment
- Dementias Including Alzheimer's, Frontotemporal, and Vascular
- Delirium

5:15 AM – 5:45 PM

Behavioral Neurology Through Clinical Cases

Geoffrey Aguirre, MD, PhD

- Behavioral Neurology Application of Live talks

Day 3 – Wednesday, June 6
Mock Examination/Discussion

7:30 AM – 7:45 AM Sign-In	12:30 PM – 2:45 PM Mock Examination Part II 150 Questions
7:45 AM – 10:00 AM Mock Examination Part I 150 Questions	2:45 PM – 3:00 PM Break (Coffee & Snacks Provided)
10:00 AM – 10:15 AM Break (Coffee & Snack Provided)	3:00 PM – 4:30 PM Discussion Ali Hamedani, MD Christyn Edmundson, MD David Coughlin, MD Donna Kurowski, MD Michael Rubenstein, MD Raymond Price, MD
10:15 AM – 11:45 AM Discussion Sona Narula, MD Sudha Kessler, MD Colin Quinn, MD Michael Mullen, MD Laura Stein, MD Sanjeev Vaishnavi, MD, PhD Raymond Price, MD	4:30 PM Adjournment
11:45 AM – 12:30 PM Lunch (On Your Own)	

Topics Covered in Appendices Without Talks

Cerebrospinal Fluid Normal CSF Constituents and Volume Ventricular System; CSF Pathways Pathologic CSF Patterns (Cellular, Chemical Enzymatic, Serologic)	Neuropharmacology Antioxidants Autonomic Agents Neurologic Side Effects of Systemic Drugs
Physician-patient Relationship Interview Techniques and Mental Status Testing Management of Difficult Patients Relationship with Other Professionals Particularly Common “Errors” Death and Dying, Normal Grief vs. Depression Role of Physician Attitudes in Therapy Therapy in Liaison Psychiatry Legal Responsibilities Factitious Phenomena Suicide	Forensic Psychiatry and Neurology, Epidemiology, Transcultural Psychiatry, Public Mental Health, and Systems-based Practice Forensic Psychiatry/Neurology Epidemiology Transcultural Psychiatry Community Psychiatry, Public Mental Health Systems-based Practice

40 Hours of Pre-recorded Presentations Available Only to Pre-registered
Live or Live-Stream Attendees:

Neuroanatomy Neurochemistry Neuroendocrinology Neuropathology Neurovascular Neuro-ophthalmology Neuromuscular Neurophysiology Neurogenetics Neuroradiology Neuro-oncology Neuro-infectious Metabolic Disorders Phakomatoses	Development and Disorders of Childhood Movement Disorders Neuroimmunology/MS Altered States of Consciousness Neuropsychology EEG/Epilepsy Sleep Psychiatry and Substance Abuse Neurology and Systemic Disease
