

Emergency & Trauma Masterclass Series

27-30 April 2020 | Prato, Italy

Annual program of continuing medical education events in Italy

Leadership Masterclass:

Emergency Department Leadership

This course equips participants with a practical toolkit to progress from great clinician to great clinical leader. It provides an environment to practice leadership techniques and to benefit from the experience of colleagues, including gaining insights from the COO of a major tertiary hospital. Participants take part in personal reflections, lectures, group tasks, case studies and other activities to enable their development as well-rounded, well-networked clinical leaders.

Who should attend:

- Emergency Department Directors
- Emergency Medicine Fellows (Medical)
- Emergency Medicine Trainees (Medical)
- Senior hospital administrators in Emergency Medicine

Trauma Masterclass:

Gutsy decision-making under pressure

A large number of critical, life-saving decisions and interventions determine the difference between life, disability and death for trauma patients. This three-day masterclass will equip you with the knowledge and tools to lead trauma reception and resuscitation and change the lives of your patients. We will share our experience and discuss strategies to make the correct decision without delay, every-time. Our job is to save lives.

Who should attend:

- Critical Care Specialists and/or Fellows in Emergency Medicine, Retrieval, Intensive Care, or Anaesthetics
- Senior Critical Care Registrars in Emergency Medicine, Intensive Care, or Anaesthetics
- Rural GPs/CMOs involved in retrievals/trauma resuscitation

The Emergency and Trauma Masterclass Series is accredited by the Australasian College for Emergency Medicine and the Australian College of Rural and Remote Medicine
