AN EVENT LIKE NO OTHER

Now in our fifth year, World Summit AI Americas is the only event for the American continent that gives stakeholders across the entire AI value chain a deeper insight into the different business development, strategic, technical and operational issues surrounding AI adoption and systems implementation.

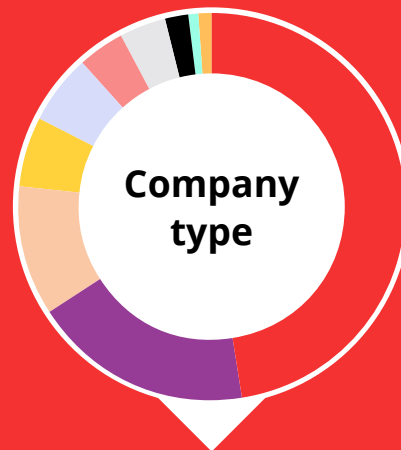

The Summit unites the world's AI ecosystem, bringing together major players in enterprise, BigTech, investors and those dedicated to advancing science. It provides a host of opportunities for sponsors, exhibitors and partners to connect and do business.

DO BUSINESS WITH THE GLOBAL AI ECOSYSTEM

Why partner with World Summit AI Americas?

We're the leading global event for the entire AI ecosystem. Nowhere else will you find big brains, big entrepreneurs and big spenders all in one place.

Our partners are the brave, the bold, the innovators, the game changers, the challengers. Those who have an AI solution ready to change the world for the better. Those who create AI products breaking science's glass ceiling. Ambitious start-ups. Forward-thinking investors. Relationship builders. Deal makers.

Is this you? Then we invite you to partner with us.

How?

Exhibit: showcase your products, test the appetite for your services, engage in lead generation, network. All exhibiting packages include our Marketing campaign (website, social media, newsletter, blog, app) and a number of free passes to the event.

Sponsor: includes all the 'Exhibit' elements + massive exposure on our website + dedicated marketing campaign - we take your exposure pre/at/post show to the next level!

Want to be a thought leader at the event? Lead a workshop? Run a Hackaton? Host a networking party? We're here to make it happen.

Talk to us.

We want to hear about your goals. We want to know what makes you tick. We don't do 'one size fits all' – we're here to make it special for you.
