

Imaging in Prague 2019

Radiology Congress

In association with the Czech Radiological Society

10 June - 12 June, 2019

Prague Marriott Hotel

21 hours of AMA Category 1 CME

Course Directors:

Blake Johnson & Phillip Tirman

International Faculty:

Nicole Hindman • Paul Parizel • Donald Resnick • Neil Rofsky

Czech Faculty: Jiří Ferda • Josef Vymazal

Global Radiology CME

International CME for Today's Radiologist

**Czech Radiological
Society**

Join the luminaries in Radiology: ACR's 2018 Gold Medalist Donald Resnick, MSK MRI expert Phillip Tirman, acclaimed neuroradiologist Blake Johnson, and world renowned body imager Neil Rofsky for cutting edge Radiology CME at the Prague Marriott. In addition, Nicole Hindman from New York University will be teaching Body Imaging as well as Neuroradiologist and past president of the ESR & ECR Paul Parizel who will be part of the faculty for advanced neuroradiology. Accomplished Czech radiologists Jiří Ferda and Josef Vymazal will also be sharing their knowledge.

Course Faculty

Blake A. Johnson, MD, FACR • Co-Director of Scientific Program • Neuroradiology
Medical Director and Director of Neuroimaging at Center for Diagnostic Imaging (CDI) - St. Louis Park, Minnesota

Phillip Tirman, MD - Co-Director of Scientific Program • Musculoskeletal Imaging
Medical Director, Musculoskeletal Imaging - Renaissance Imaging, Westlake Village, California

Donald Resnick, MD, FACR • Musculoskeletal Imaging
Professor of Radiology and Chief, Musculoskeletal Imaging - University of California, San Diego

Neil Rofsky, MD, MHA, FACR • Body Imaging
Effie and Wofford Cain Distinguished Chair in Diagnostic Imaging of University of Texas Southwestern - Dallas, Texas

Prof. MUDr. Jiří Ferda, Ph.D. • Neuroradiology
President of the Czech Radiological Society
Head of Molecular Imaging, Professor of Radiology - Pilsen, Charles University, Czech Republic

Nicole Hindman, MD • Body Imaging
Associate Professor - Departments of Radiology and Surgery and Director, Female Pelvic Imaging at New York University

Paul Parizel, MD, Ph.D. • Neuroradiology
Chairman of the Department of Radiology at the Antwerp University Hospital, and tenured Professor of Radiology, University of Antwerp, Belgium

Prof. MUDr. Josef Vymazal, D.Sc. • Neuroradiology
Head, Department of Radiology at Na Homolce Hospital, Full Professor at Charles University, Prague, Czech Republic, and Previous Deputy Minister of Health, Czech Republic

Scientific Program

Sunday, June 9, 2019

Location: The Prague Marriott

17:30-19:30 Early Registration and Welcome Reception with Faculty

• Attire: Smart Casual

Monday, June 10, 2019

Location: The Prague Marriott Hotel

Moderator: Blake Johnson, MD

Focus: Neuroradiology

Faculty: Blake Johnson MD, Paul Parizel MD, Josef Vymazal MD, Jiří Ferda MD

07:00 - Registration and Coffee

07:50 Johnson • Welcome and Introductions.

08:00 Parizel • Neuroimaging in Patients with Traumatic Brain Injury: A Practical Guide

08:40 Johnson • Imaging CNS Tumors and Tumor Mimics

09:15 Parizel • Multiparametric MR Imaging of Brain Tumors: Moving beyond Morphology

09:45 - Coffee Break

10:00 Parizel • To Measure is to Know: Assessing Brain Biomarkers through Quantitative Artificial Intelligence

10:45 Vymazal • MRI in Brain Neurodegenerative Diseases: Clinical and Radiological Correlations

11:15 Johnson • Regenerative Medicine: A Primer for Radiologists

12:00 - Lunch

12:00 - Johnson - Round Table - Regenerative Medicine (Limited Seating for Early Registrants)

12:45 Ferda • The Role of PET/MRI in Neurodegenerative Diseases

13:15 Parizel • Imaging Strategies in Acute Stroke

13:45 Johnson • Approach to Imaging the Pituitary Gland and Sellar Region

14:15 - Afternoon Tea

14:45 Parizel • Case Based Review of Neuroradiology (Interactive Workshop)

15:45 Johnson • We Won't Get Fooled Again: Making the Right Diagnosis the First Time

16:30 - Adjourn

Tuesday, June 11, 2019

Location: The Prague Marriott Hotel

Moderator: Kevin Rice, MD

Focus: Body Imaging

Faculty: Neil Rofsky MD, Nicole Hindman MD

7:00 - Registration and Coffee

7:50 **Rice** • Welcome and Introductions

8:00 **Rofsky** • MRI of Solid Renal Masses

8:30 **Hindman** • Current Controversies in Management of Renal Cysts

9:15 **Rofsky** • Approach to Fatty Liver Disease

9:45 - Coffee Break

10:00 **Hindman** • Bariatric Imaging - Improving Your Reads for Referring Surgeons

10:30 **Rofsky** • Multiparametric Prostate MRI

11:00 **Rofsky** • PIRADS with Pathology Correlation

11:30 **Hindman** • Challenging Cases/Pitfalls in Female Pelvic Imaging

12:00 - Lunch

12:00 - **Rofsky** - Round Table - Critical Thinking in Radiology (Limited Seating for Early Registrants)

12:45 **Rofsky** • Adrenal Imaging

13:15 **Hindman** • MR Safety Controversies- Basic Concepts and Practical Implementation

13:45 **Rofsky** • Great Cases in Body MRI

14:15 - Afternoon Tea

14:45 **Hindman** • Imaging Hepatocellular Carcinoma- from Diagnosis to Treatment

15:30 **Hindman** • Imaging Pancreatic Cysts and Masses- Challenges and Pitfalls

16:00 **Hindman** • MR Enterography- Current Advances and Limitations

16:30 - Adjourn

Wednesday, June 12, 2019

Moderator: Phillip Tirman, MD

Focus: Musculoskeletal Imaging

Faculty: Donald Resnick MD, Phillip Tirman MD

07:00 - Registration and Coffee

07:45 **Tirman** • Welcome and Introductions.

07:50 **Resnick** • Show MSK Quiz Cases

08:00 **Resnick** • Common Disorders of Synovium-Lined Joints with Emphasis on MR Imaging

08:45 **Tirman** • MR Arthrography of the Shoulder

09:15 **Resnick** • Macroinstability of the Glenohumeral Joint

10:00 - Coffee Break

10:15 **Resnick** • Human Tendons: Function and Dysfunction

11:00 **Tirman** • Imaging Lower Extremity Collision Injuries

11:45 **Tirman** • MRI of the TMJ- The Skull is Actually a Bone

12:15 - Lunch

12:15 - **Resnick** - Round Table - MR Arthrography (Limited Seating for Early Registrants)

13:00 **Resnick** • Meniscus of the Knee: Patterns of Failure with Emphasis on MRI

13:45 **Tirman** • MRI of Peripheral Neuropathy

14:30 - Afternoon Tea

14:45 **Tirman** • MRI of the Forefoot

15:15 **Resnick** • Crucial Ligaments of the Elbow

16:00 **Resnick** • MSK Quiz- Answers and Discussion

16:30 - Adjourn

18:30 Dinner and Entertainment with The Bad Rads at Prague Municipal House •
Attire: Smart Casual

Registration

All prices are subject to change. All scientific program registration fees are charged in US Dollars and will be converted to your local currency by your credit card company or payment processor.

Conference fee for Participant and *Trainees/Radiographers includes:

- Participation in sessions
- Online downloadable syllabus
- 21 hours of Category 1 CME
- Morning coffee and afternoon tea for the ONE Participant
- Three hot lunches for the registrant
- [Welcome Reception](#) for the registrant
- [Evening Event at the Francouzka Restaurace](#) for the ONE Participant

Friends and Family fee includes:

- [Welcome Reception](#)
- [Evening Event at the Francouzka Restaurace](#)

SAM Module fee includes:

- SAM credits. Exact number to be announced before the congress. There were up to 14 SAM credits available for Imaging in Israel 2017 and up to 16 SAM credits available for Imaging in England 2018.

***Trainees and Radiographers:**

Trainees is defined as a full time resident, fellow, or specialist registrar (SpR) in an accredited program, who is receiving advanced training in a specialist field of medicine in order to eventually become a consultant or attending physician. Radiographers, also known as radiologic technologists, diagnostic radiographers and medical radiation technologists are non-physician healthcare professionals who perform diagnostic imaging examinations of human anatomy. Please include verification from your department chair, program director, or a link to your program website which has your name.

The online registration form will be active until May 30, 2019. After that date please register on-site or contact Global Radiology CME directly.

Category	Early- by January 31, 2019	Standard- by May 15, 2019	Onsite/Late- after May 15, 2019
Participant	US\$1390	US\$1590	US\$1790
Trainees and Radiographers*	US\$895	US\$995	US\$1095
Friends and Family	US\$200	US\$250	US\$300
SAM Module	US\$300	US\$300	US\$300

Scientific Program **Payment Methods:**

1. Credit Card.
2. PayPal.
3. Bank Transfer.
4. Check.

Global Radiology CME is not affiliated with any hotel or travel company. All travel plans and hotel arrangements are the responsibility of the registrant. All disclaimers here: [Global Radiology CME Disclaimers](#)

Scientific Program Cancellation Policy:

Notification of scientific program cancellation must be sent by email to Global Radiology CME at: info@globalradcme.com

Refunds of scientific program registration fees will be made as follows:

- Cancellations received by March 1, 2019 - Full refund, less US\$500 handling fee.
- Cancellations received after March 1, 2019 - No refund.

In the unlikely event that the scientific program is cancelled by Global Radiology CME, we will refund the registration fee in full, but cannot be responsible for any hotel or travel costs.

Please read all disclaimers before you register here: [Disclaimer](#)

The Conference Hotel:

Global Radiology CME has reserved a limited block of rooms at the [Prague Marriott Hotel](#), the conference hotel which is conveniently located in Old Town city centre.

Prague Marriott Phone: +420-2-2288-8822

All Hotel charges are settled in Czech Korunas and include breakfast but do NOT include 15% VAT. For these special group rates contact [Prague Marriott Hotel](#) directly or [book online](#).

Rates and booking are provided by the Prague Marriott Hotel and subject to Marriott Hotel terms and policies.

Deluxe Room: Single CZK4950 (approx. US\$220 or €192) • Double CZK5300 (approx. US\$236 or €205)

Executive Room or Suite: Please contact the [Prague Marriott Hotel](#) directly.

Book early as rates are subject to availability at time of reservation.

Cut off date for the group rate is May 12, 2019 or when the block is fully booked, whichever comes first.

Global Radiology CME is not affiliated with any hotel or travel company. All travel plans and hotel arrangements are the responsibility of the registrant. All disclaimers here: [Global Radiology CME Disclaimers](#)

From the Marriott website: "The Prague Marriott Hotel welcomes you to the Czech Republic capital with modern elegance and unparalleled service. The contemporary rooms and suites provide a home away from home, with newly renovated decor, deluxe pillow top mattresses, high-speed Wi-Fi and flat-screen TVs. Enjoy a coffee at [Espressamente Illy](#), the hotel's on-site coffee house, or treat yourself to a steak at [Midtown Grill](#). Stay energized during your Prague visit with a workout in the [well-equipped gym](#). Those looking to explore Old Town Prague city centre will find the hotel ideally situated near Old Town Square, the Charles Bridge and other legendary attractions."

CME – CPD Info

Target Audience

This activity has been designed to meet the educational needs of physicians and other health care providers involved in the care of patients with diseases of the brain, spine, bones, and intra-abdominal organs.

Educational Objectives

After completing this activity, the participant should be better able to:

1. Improve their performance and interpretation of brain, spine, musculoskeletal, and abdominal imaging studies.
2. Recognize the uses and limitations of CT, Ultrasound and MRI for various body applications and organ systems.
3. Recognize the appearance of tumors of the neurological system and intra-abdominal organs.
4. Describe the techniques used to perform and interpret CT and MRI of the brain, spine, abdomen, pelvis, bones and joints.

Accreditation Statement

This activity will be planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME).

All prior Global Radiology CME conferences were accredited for *21 AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Credit Designation

USA and Canada:

There will be 21 Category 1 credits available. We are in the accreditation process. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

United Kingdom:

This course provides 21 CPD credits in accordance with the CPD Scheme of the Royal College of Radiologists. More information about the RCR CPD Scheme here: <https://www.rcr.ac.uk/clinical-oncology/cpd/cpd-scheme>

Europe:

Union Européenne des Médecins Spécialistes (UEMS) - (European Union of Medical Specialists) Mutual Recognition Agreement with the American Medical Association (AMA).

Following the [agreement](#) on the mutual recognition of credits between the AMA and the UEMS-EACCME®, European physicians can earn their ECMEC®s by attending live events worldwide, except in Europe, that have been certified

for *AMA PRA Category 1 Credits*™.

Australia and New Zealand:

According to the Royal Australian and New Zealand College of Radiologists ([RANZCR](#)), Australian and New Zealand participants in this conference are able to claim up to 21 RANZCR CPD points, with up to 21 points for MRI. For partial attendance, points may be claimed pro rata at 1 point per learning hour.

Link to the point allocation letter for Imaging in England 2018: [RANZCR Imaging in England 2018 Point Allocation Letter.pdf](#)

South Africa:

According to the Health Professions Council of South Africa ([HPCSA](#)), South African participants in this conference are able to claim up to 21 Continuing Education Units (CEUs).

Self-Assessment CME

This course will offer Self-Assessment CME credits (SA-CME or SAM).

SAM's are NOT included with the registration, but are available for a separate fee.

Imaging in England had 16 SAM's available.

As of January 1, 2017, American Board of Radiology (ABR) Maintenance of Certification (MOC) Part 2 requirements: To satisfy MOC Part 2, the ABR requires 75 CME credits every three years, at least 25 of which must be credits from Self-Assessment CME (SA-CME or SAM) activities. Podium presentations with a post-session assessment instrument qualify as SA-CME. Some organizations call these "SA-CME," and others call them "SAM's." Both terms are equivalent, with the number of credits determined by the ACCME or an ACCME-accredited category 1 CME provider.

For more information: <https://www.theabr.org/diagnostic-radiology/maintenance-of-certification/lifelong-learning-self-assessment>

Financial Disclosures

The following presenters, planners, editors, or staff have relevant financial relationships to disclose: *"I, or an immediate family member, have at present or have had within the last 12 months, the following affiliation with one or more organizations that could be perceived as a real or apparent conflict of interest in context to the design, implementation, presentation, evaluation, etc. of CME Activities."*

Dr. Neil Rofsky:

Commercial Interest- Philips Healthcare

For what role- Advisory Committee

What was received- Honoraria

Commercial Interest- Medscape Education

For what role- Advisory Committee

What was received- Honoraria

All other presenters, planners, editors, or staff reported no relevant relationships with the following statement: *“I, or an immediate family member, do not have at present, or within the last 12 months, nor anticipate having financial interest, arrangement or affiliation with any organizations that could be perceived as a real or apparent conflict of interest in context to the design, implementation, presentation, evaluation, etc. of CME Activities.”*

Americans with Disabilities Act

Event staff will be glad to assist you with any special needs (ie, physical, dietary, etc). Please contact Global Radiology CME prior to the live event at +1-314-472-3263 or toll free at 844-472-3263.

Events and Tours

Welcome Reception - Included with Registration

At The Prague Marriott

Sunday June 9, 2019 at 17:30-19:30

Enjoy drinks and appetizers while you register for the conference and network with attendees from all over the world. Mingle with the Global Radiology CME staff, and meet some of the distinguished faculty in a casual atmosphere at the conference hotel.

Evening Event at the Francouzská Restaurace - Included with Registration

At The Prague Municipal House

Wednesday June 12, 2019 at 19:00

On the right wing of the Municipal House is the Francouzská Restaurace considered by some the most beautiful [Art Nouveau restaurant](#) in the world!

Upon arrival you will be greeted with a brief tour and learn the history of the Municipal House and the origins many of the important pieces of art. Following the tour soft Jazz, a welcome drink and canapes will be served before sitting down for an unforgettable dining experience which will give you an opportunity to sample the delectable flavors of the Czech Republic.

When dessert is served the evening will pick up pace with a performance by Global Radiology's "Bad Rads" playing classic rock. The highlight at our previous social events in Tel Aviv and Oxford, the original [Bad Rads](#) are: Drs. Phillip Tirman, Blake Johnson, and Neil Rofsky. Join the Global Rads for an unforgettable evening of networking with old friends and colleagues and making new ones.

Optional Tours - Before, During & After the Conference

Global Radiology is pleased to recommend Lucy Tours.

Lucie Pechackova, runs a privately owned tour company that offers specialized private and small group tours of Prague and day trips. The following small group tours are currently offered to Global Rad registrants and can be booked directly with Lucy Tours. Lucie is also happy to organize other private/semi private tours to cater to individual requests as well as airport transfers. www.lucytours.com

Sunday, June 9, 2019

Prague in One Day Tour

7 hrs walking tour. small group.

€50/person

Sunday, June 9, 2019

Prague in One Day Tour

7 hrs bus tour. small group.

€75/person

The "Prague in One Day Tours" are a perfect introduction to Prague for the first-time visitors. It lets you choose from two options - either discover the city on foot with your own personal guide or enjoy a comfortable ride in a private van with a guide through the narrow streets of the lovely city. Whichever option you choose, the tour allows you to see Prague's main attractions: Prague Castle and St Vitus Cathedral, the Jewish Quarter, the Old Town Astronomical Clock, the Charles Bridge, John Lennon Wall, and the Wenceslas square. Your guide of Prague you will show you the world-famous Dancing House, an exquisite example of Prague's modern architecture, the Vineyards with Plecnik's Church of the Holiest Heart of Jesus, the Broadcasting Tower in Zizkov, Nouveau in Prague with the Municipal House, Baroque in Prague with the magnificent St. Nicholas Church, National Theatre, Petrin Observation Tower and much more...

Thursday June 13, 2019

Cesky Krumlov

All day tour, includes guide, minibus, admission to Krumlov Castle.

€85 /person

The pearl of Southern Bohemia is a fairy tale semi-island town with the second largest castle in the Czech Republic. The mighty Rosenberg family, the Dukes of Krumlov ruled this town for over 400 years, a period during which Cesky Krumlov was transformed into one of the most beautiful towns in Central Europe. You will be fascinated by the scenery and breathtaking views, which combine to make it a Unesco World Heritage site.
