

21st EuGMS Congress, Reykjavik, Iceland DAY 1 - SEPTEMBER 24								
	PLENARY ROOM - LIVE STREAMING*	ROOM 2 - LIVE STREAMING*	ROOM 3 - LIVE STREAMING*	ROOM 4	ROOM 5	ROOM 6	ROOM 7	ROOM 8
					MEETINGS OF EUGMS SPECIAL INTEREST GROUPS:			
08:30 09:30			PHARMACOLOGY	LONG TERM CARE	GERONCOLOGY	URINARY INCONTINENCE	PATIENT SAFETY	GERODONTOLOGY
09:30 10:30	*Task & Finish Group on Fall Risk Increasing Drugs (EuGMS Meeting Room)		GERIATRIC REHABILITATION	FRAILITY & RESILIENCE	BIG DATA	BIOLOGY OF AGEING	DIABETES	GERIATRIC EMERGENCY MEDICINE
10:30 11:30			CARDIOVASCULAR MEDICINE	FALLS & FRACTURES	DEMENTIA & BRAIN HEALTH	EDUCATION & TRAINING	GERONTECHNOLOGY	VACCINES & INFECTIOUS DISEASES
11:30 12:30			NUTRITION	DELIRIUM	PERIOPERATIVE MEDICINE	SYSTEMATIC REV & META-ANALYSIS	PALLIATIVE CARE	COMPREHENSIVE GERIATRIC ASSESSMENT
12:30 14:00								
	DEPRESCRIBING IN OLDER ADULTS – EVIDENCE, ATTITUDES, AND MANAGEMENT Chairs: Eveline van Poelgeest, The Netherlands, Antonio Cherubini, Italy 1. Cost of potential inappropriate medications and evidence of deprescribing Emily McDonald, Canada 2. Attitudes towards deprescribing among health care professionals and older adults Carina Lundby, Denmark 3. How to manage deprescribing in geriatric patients Jean-Baptiste Beuscart, France	LIFESTYLE PREVENTION IN COGNITIVE IMPAIRMENT Chairs: Pinar Soysal, Türkiye, Susan Shenkin, United Kingdom 1. Mild cognitive impairment and WW Fingers Francesca Mangialasche, Sweden 2. Can dementia be prevented with hearing and visual loss intervention? Christian Myrstad, Norway 3. Role of nutrition in dementia prevention Mary Yannakoulia, Greece	WHO JOINT SYMPOSIUM "Improving care for older people" Chairs: Nathalie van der Velde, The Netherlands, Marina Kotsani, Greece 1. Updates from the WHO Matteo Cesari (World Health Organization), Switzerland 2. Counting (on) the geriatricians Mirko Petrovic, Belgium 3. Ageism Andrea Ungar, Italy Plenary discussion Nathalie van der Velde, The Netherlands, Marina Kotsani, Greece Closing remarks	ECGI CORE CURRICULUM Beneath the Surface: Unmasking Late-Life Depression Chairs: Serdar Ozkok, Türkiye, Santiago Cotochal Rodeles, Spain 1. Depression Without Sadness: Atypical Presentation in Older Adults Arzu Okyar Baş, Türkiye 2. Reducing Mental Health Stigma in Older Adults: Culturally Sensitive Approaches Ana Viegas, Portugal 3. Pros and Cons of Depression Treatment in Older Adults: Weighing the Options Arzu Okyar Baş, Türkiye) & Ana Viegas, Portugal + Moderator Sylvie Bonin-Guillaume, France	SUBMITTED SYMPOSIUM Roles of Geriatric Assessment and Sarcopenia Assessment in Older Patients with Cancer Chairs: Cecilia Lund, Denmark, Stany Perkisas, Belgium 1. Impact of Geriatric Assessment on Chemotherapy Delivery and Dosing in Older Patients with Breast Cancer Koshy Alexander, USA 2. Comprehensive Geriatric Assessment for perioperative optimization in older patients with bladder cancer undergoing cystectomy – A national randomized clinical trial (COMPETENCE) Katharina Skovhus Prior, Denmark 3. Assessment of Sarcopenia in Older Cancer Patients: An essential component of the Comprehensive Geriatric Assessment Femke Arien, Belgium	SUBMITTED SYMPOSIUM Education and Training in Geriatric Medicine: Updates on European and Worldwide Initiatives (A SIG Education Symposium) Chairs: Roman Romero-Ortuno, Ireland, Michael Vassallo, United Kingdom 1. The European Undergraduate Curriculum in Geriatric Medicine Tahir Masud, United Kingdom 2. Postgraduate Training in Geriatric Medicine: The European Training Requirements and the European Geriatric Medicine Specialty Exam Jūratė Maciauskienė, Lithuania 3. Worldwide Educational Initiatives in Geriatric Medicine Maria Cristina Polidori, Germany	ORAL COMMUNICATIONS	ORAL COMMUNICATIONS
14:00 15:15	CARDIOVASCULAR DISEASE IN OLDER ADULTS – FROM RISK-FACTORS TO COMPLICATIONS Chairs: Athanasios Benetos, France, Jerzy Gasowski, Poland 1. Hypertension in older adults – "when guidelines differ, populations suffer" Tomasz Grodzicki, Poland 2. Cardiovascular coupling – from large arterial stiffness to cardiovascular complications Anne Sophie Bourreau, France 3. The different faces of cardiac amyloidosis Javier Jaramillo-Hidalgo, Spain	GERIATRIC ASSESSMENT INSTRUMENTS Chairs: Pálmi V. Jónsson, Iceland, Maria Cristina Polidori, Germany 1. Acute care instruments George Heckman, Canada 2. Post acute care Konstantin Scherbak, Iceland 3. Oral health and nutrition evaluation instruments Anja Declercq, Belgium	ESCEO-EuGMS SYMPOSIUM "Osteoporosis management in the oldest old: Optimizing safe medication use" Chairs: Patrizia D'Amelio, Switzerland, René Rizzoli, Switzerland 1. Calcium and Vitamin D supplementation: cardiovascular concern or confounding? Nick Harvey, United Kingdom 2. Rare side-effects of long-term anti-resorptives: Beyond the headlines Patrizia d'Amelio, Switzerland 3. Targeting bone anabolic to maximize safety and efficacy René Rizzoli, Switzerland Discussion leader: Patrizia D'Amelio	EMMA SESSION Technological advances in care of older people Chair: Thomas Muenzer, Germany, Siri Aas Smedemark, Denmark 1. Robotics Astrid Brys, Belgium 2. Wearables Bastian Mizera, Germany 3. Apps Marco Salvi, Italy	SUBMITTED SYMPOSIUM Critical care for very old patients Chairs: Susannah Leaver, United Kingdom, Bertrand Guidet, France 1. Ethical challenges in intensive care for very old patients Hans Flaatten, Norway 2. Expert consensus on the management of very old patients with critical conditions Michael Beil, United Kingdom 3. Optimisation of post-ICU care for older patients Helene Vallet, France	SUBMITTED SYMPOSIUM Strategies for implementing dementia clinical practice guidelines in Italy, Scotland and Australia Chairs: Jos Tournoy, Belgium, Simon Bell, Australia 1. Strategies to implement Italy's new Guideline on the Diagnosis and Treatment of Dementia and Mild Cognitive Impairment Elisa Fabrizi, Italy 2. Scottish Intercollegiate Guidelines Network (SIGN 168) guidance on dementia – lessons learned and future directions Terry Quinn, United Kingdom 3. Knowledge Brokers to implement Australia's new Clinical Practice Guidelines for the Appropriate Use of Psychotropic Medications in Dementia Amanda Cross, Australia	ORAL COMMUNICATIONS	ORAL COMMUNICATIONS
15:25 16:40								
16:50 18:00	KEYNOTE LECTURE "Genetics of longevity and chronic disease" Unnur Thorsteinsdottir, Iceland OPENING CEREMONY Chair: Eyvín Baldursdóttir, Iceland							
18:00 19:00								
WELCOME RECEPTION								
*The program is subject to change. Some sessions will be available via live streaming and later on-demand. The final number of streamed sessions will be confirmed closer to the event.								
21st EuGMS Congress, Reykjavik, Iceland DAY 2 - SEPTEMBER 25								
	PLENARY ROOM - LIVE STREAMING*	ROOM 2 - LIVE STREAMING*	ROOM 3 - LIVE STREAMING*	ROOM 4	ROOM 5	ROOM 6	ROOM 7	ROOM 8
08:30 09:45	GERIATRIC ASSESSMENT AND MANAGEMENT IN ONCOLOGY Chairs: Kayhan Koçak, Türkiye, Nina Rosa Neuendorff, Germany 1. Role of Geriatricians in Oncology Siri Rostoft, Norway 2. Lived experience initiating a Geriatric-Oncology outpatient clinic Cecilia Lund, Denmark 3. Impact and management of chemotherapy-related toxic effects in older adults William Dale, USA	SLEEP AND AGING Chairs: Lene Holst Andersen, Denmark, Rebecca Dreher-Bruggmann, Switzerland 1. "SLEEP REVOLUTION PROJECT", sleep apnea TBC 2. Sleep disorders and patient education Steve Barzci, USA 3. Sleep disorders in older patients Kiyoka Kinugawa, France	ESSD JOINT SYMPOSIUM "Dysphagia: A Geriatric Giant? Insights in digestible Portions" Chairs: Bendix Laebli, Germany, Cornel Sieber, Switzerland 1. Oropharyngeal Dysphagia as Neurogeriatric Syndrome Bendix Laebli 2. Central control of swallowing in the aging brain Emilia Michou, Greece 3. Tackling dehydration and malnutrition in patients with dysphagia Rainer Wirth, Germany	EMMA SESSION How can I age better – what's the evidence? Chairs: Barbara van Munster, The Netherlands, Meltem Koca, Türkiye 1. Brain training Magnhilde Skrameto, Denmark 2. Dietary Modification Clement Lahaye, France 3. Social connectedness Natalie Cox, United Kingdom	SUBMITTED SYMPOSIUM EuGMS SIG-Geriatric Rehabilitation Symposium: Home-Based Geriatric Rehabilitation in international perspective Chairs: Stefan Grund, Germany, Marije Holstege, The Netherlands 1. Design of and recruitment for a multimodal home-based rehabilitation intervention after discharge from inpatient geriatric rehabilitation (GeRas) Petra Benzinger, Germany 2. How to organize Geriatric Rehabilitation for Older adults living at Home (GOHome) Astrid Preitschopf, The Netherlands 3. Identification of Patient-Reported Outcomes Measures and Patient-Reported Experiences Measures in Hospital at Home Settings Laura Mónica Pérez Bazán, Spain	SUBMITTED SYMPOSIUM Assessing and addressing overprescribing, underprescribing and deprescribing in older adults with cardiometabolic diseases Chairs: Eveline van Poelgeest, The Netherlands, Adalsteinn Gudmundsson, Iceland 1. Prevalence and impact of potentially inappropriate prescribing in multimorbid older adults with atrial fibrillation: insights from a Swedish national cohort Mirko Petrovic, Belgium 2. Deprescribing of cardiovascular and diabetes medication among older adults: implementation studies in Dutch primary care Petra Denig, The Netherlands 3. Optimizing diabetes management for older Canadian adults living in long term care Lisa McCarthy, Canada	ORAL COMMUNICATIONS	ORAL COMMUNICATIONS
09:45 10:30	COFFEE BREAK / POSTER ROUND & PRESENTATION				ECGI- CGA QUIZ Santiago Cotochal Rodeles, Spain, Ester Hoyos, Spain, Elena Levati, Italy			

		PERIOPERATIVE ASSESSMENTS IN OLDER ADULTS Chairs: Frances Rickard, United Kingdom, Dorota Religa, Poland 1.The role of a geriatrician in perioperative geriatric medicine TBC 2.What is important when you start a perioperative medicine program? Nina Ommundsen, Norway 3.The difference between countries, development and different models Harmke Polinder, The Netherlands		EAMA SESSION Exercise in older people – making it work Chairs: Nicolas Martinez-Vellila, Spain, Zela Sahin, Türkiye 1. Aerobic exercise Letizia Ragazzoni, Switzerland 2. Strength and balance exercise Julia Schlotmann, Germany 3. How do we get older people to exercise more? Maria Cristina Ferrara, Italy	SUBMITTED SYMPOSIUM Point-of-care ultrasound in Geriatric Care Chairs: Stefan Grund, Germany, Siri Aas Smedemark, Denmark 1. Usefulness of Point of Care Ultrasound (POCUS) in older adults: a multicentre study across different geriatric care settings in Spain and the United Kingdom Paola Pastora Reinoso-Párraga, Spain 2. Clinical correlations of lung ultrasound with delirium and other outcomes of geriatric interest in older patients hospitalized with acute respiratory illness Andrea Ticinesi, Italy 3. Shear-Wave Elastography for Muscle Assessment in Geriatric Outpatients: A Comparative Study of muscle quality and function Kristoffer K. Brockhattingen, Denmark	SUBMITTED SYMPOSIUM Implementation of ICOPE in Asia Chairs: Hidenori Arai, Japan, Reshma Merchant, Singapore 1. Integrated Care for Thai Older People Prasert Assantachai, Thailand 2. Intrinsic capacity in older adults in mainland China: from research to practice Lina Ma, Mainland China 3. ICOPE Implementation in Taiwan Li-Ning Peng, Taiwan	ORAL COMMUNICATIONS	ORAL COMMUNICATIONS	
11:45 12:00 12:00 13:00 13:00 14:00									
		SPONSORED TIMESLOT	SPONSORED TIMESLOT	SPONSORED TIMESLOT	LUNCH & POSTER ROUND/ PRESENTATION				
	LUNCH		30 min SPONSORED TIMESLOT (13.15-13.45)						
14:00 14:45	KEYNOTE LECTURE Chair: Tahir Masud, United Kingdom "Emerging diagnostics and the aging brain" Cynthia Carlsson, USA								
14:50 15:30	DIRECTOR'S CHOICE Chair: Nathalie Van der Velde, The Netherlands "Multimorbidity and polypharmacy in older people living with atrial fibrillation: ongoing learnings from the AFFIRMO project" Davide Vetrano, Sweden								
15:35 16:50	KEY CHALLENGES AND ADVANCES IN GERIATRIC NUTRITION: MALNUTRITION, DEHYDRATION, AND SARCOPENIC OBESITY Chairs: Corneli Sieber, Switzerland, Biljana Zovic, Northern Macedonia 1. 5-year update of GLIM criteria Marjolien Visser, The Netherlands 2. Dehydration in older adults: Revisiting the Assessment and Management Strategies Lee Hooper, United Kingdom 3. Sarcopenic obesity in older adults: (Importance, assessment and) current/ emerging management strategies Rocco Barazzoni, Italy	HOSPITAL AT HOME: EQUALITY OF ACCESS TO ACUTE CARE AND ENABLING RECOVERY Chairs: Alberto Pilotto, Italy, Dayana Dallmeier, Germany/USA 1.Hospital at home in rural setting and remote patient monitoring Guðný Stella Guðnadóttir, Iceland 2. Delivering hospital level acute care to older patients with frailty Daniel Lasserson, United Kingdom 3. Hospital at home: step-up and step-down care ensuring functional recovery Marco Inzitari, Spain	AGS/CGS/EuGMS JOINT SYMPOSIUM "SAME PATIENTS, DIFFERENT HEALTH CARE SYSTEMS, REVISITED" Chair: Mirko Petrovic, Belgium, Paula Rochon, Canada 1. US perspective Mark Supiano, USA 2. Canadian perspective Manuel Montero-Odasso, Canada (TBC) 3. European perspective Nathalie Van der Velde, The Netherlands	EAMA WORKSHOP "Respiratory infections in older people, where are we 5 years after COVID?" Led by: Martin Skoumal, Sweden; Maria Bonnici, Malta 1. Outbreak management and infection control 2. Vaccination 3. Antiviral agents	TLOC - TRANSIENT LOSS OF CONSCIOUSNESS: A MULTIDISCIPLINARY VIEW Chairs: Roman Romero-Ortuno, Ireland, Carmelinda Ruggiero, Italy 1. Syncope and cardiovascular fall risk Melanie Dani, United Kingdom 2.Epileptic seizures in older persons Martin Holtkamp, Germany (EAN) 3. Multidisciplinary approach in Syncope Jurgen Claassen, The Netherlands	SUBMITTED SYMPOSIUM Delirium in high-risk group of patients: insights and challenges (SIG Delirium) Chairs: Chair 1(name, surname, country), Chair 2 (name, surname, country) 1. Delirium and Atypical Dementia in Very Old Patients: Diagnostic Markers and Clinical Implications Nenad Bogdanovic, Sweden 2. Management of Delirium in the orthogeriatric setting Neus Gual, Spain 3. Delirium in Nursing Homes: which is the role of drugs? Antonio Cherubini, Italy	ORAL COMMUNICATIONS	ORAL COMMUNICATIONS	
17:00 18:15	NEW INSIGHTS IN STROKE TREATMENT AND AFTERCARE Chairs: Nenad Bogdanovic, Sweden, Cansu Atbas, Türkiye 1. Stroke in older adults – new aspects and guidelines Adam Kobayashi, Poland 2. Stroke in patients with dementia and frailty Johan Niklasson, Sweden 3. Life after Stroke Gillian Mead, United Kingdom	COVID-19: LESSONS FOR THE FUTURE Chairs: Maria Eriksson, Sweden, Nicola Veronese, Italy 1.The power of data linkage: how COVID 19 affects your future risk of health and disease Claire Steves, United Kingdom 2.The power of public health guidance: Strict Danes and relaxed Swedes after COVID 19 Karen Andersen-Ranberg, Denmark 3.The power of vaccines and interdisciplinary collaboration Johan Neyts, Belgium	ESH JOINT SYMPOSIUM "COORDINATED ACTION BETWEEN GPs, GERIATRICIANS AND HYPERTENSION SPECIALISTS IN ORDER TO PROPOSE THE MOST ADAPTED ANTIHYPERTENSIVE TREATMENT IN OLDER ADULTS" Chairs: Reinhold Kreutz, Germany, Maria Nikolaou, Greece 1. How to adapt treatment ill old patients according to the frailty level: The ESH guidelines. Heloisa Ribeiro (Portugal) 2. Round table: Difficulties, challenges and opportunities - The point of view of the hypertensiologist/cardiologist Thomas Weber, Austria - The point of view of the geriatrician Gulistan Bahat, Turkey - The role of GP in adapting treatment in older adults Roselinde Poortvliet, The Netherlands - Conclusions: Athanasios Benetos, France	PAIN PANEL "Advancing Chronic Musculoskeletal Pain Management in Older Adults: Emerging Evidence and New Perspectives" Chairs:Ruth Piers, Belgium, Eric Boulanger, France 1. Rethinking Pharmacological Pain Management in Older Adults. Perspectives from Geriatricians vs Musculoskeletal Health Specialists Tugba Erdogan, Türkiye, Patricia D'Amelio, Switzerland -The Role of Acetaminophen in Pain Management: Are We Moving Away? -Opioids and NSAIDs in Older Adults: Striking the Balance Between Caution and Necessity 2. Adjuvant Therapies for Chronic Pain: Current Perspectives on Antidepressants, Antiepileptics, and Topical Applications Graziano Onder, Italy	ETHICS IN AGEING MEDICINE Chairs: Anastasia Koutsouri, Greece, Stany Perikias, Belgium 1. Guidance on the Production of EuGMS Guidelines: Ethical rationale Helgi Kolk, Estonia 2. Carta of Florence against ageism. No place for ageism in health care Laura Fratiglioni, Sweden 3. Ethical perspectives: the aged person and the geriatrician, an experienced retired geriatrician Jean Pierre Michel, Switzerland	CHALLENGES IN URINARY INCONTINENCE MANAGEMENT Chairs: Wilco Achterberg, The Netherlands, Maria Nuotto, Finland 1. The WHO Care Pathways for Urinary Incontinence Yuka Sumi, WHO Switzerland 2. Impact of UI on falls in older adults Hanna Kujawska-Danecka, Poland 3. Urinary incontinence management in older people with dementia Claudio Pedone, Italy	SUBMITTED SYMPOSIUM The Evolving Role of Geriatricians in the Diagnosis and Management of Alzheimer's Disease - An Update on Biomarkers and Novel Disease Modifying Therapies Chairs: Tomas Welsh, United Kingdom, Pinar Soysal, Turkiye 1. Embracing Novel Biomarkers Milica Kramberger, Slovenia 2. Novel Disease-Modifying Therapies for Alzheimer's disease: An evolving role for Geriatricians Seán Kennelly, Ireland 3. Managing the Side Effects of Novel Anti-Amyloid Therapies Hanna-Maria Roitto, Finland	SUBMITTED SYMPOSIUM Transport, driving and geriatric medicine Chairs: Sylvie Bonin-Guillaume, France, Hanna-Maria Roitto, Finland 1. Transport issues affecting geriatric care Desmond O'Neill, Ireland 2. Vision zero in Sweden and driving in dementia Dorota Religa, Poland 3. Predicting Driving Cessation in Cognitively Normal Older People David Carr, USA	
*The program is subject to change. Some sessions will be available via live streaming and later on-demand. The final number of streamed sessions will be confirmed closer to the event.									
21st EuGMS Congress, Reykjavik, Iceland DAY 3 - SEPTEMBER 26									
	PLENARY ROOM - LIVE STREAMING*	ROOM 2 - LIVE STREAMING*	ROOM 3 - LIVE STREAMING*	ROOM 4	ROOM 5	ROOM 6	ROOM 7	ROOM 8	

DIFFERENTIAL ASPECTS OF FRAILTY Chairs: Ellen Freiburger, Germany, Finbarr Martin, United Kingdom 1. Physics of frailty or translational geroscience or passive measurement of frailty from existing health care data Kenneth Rockwood, Canada 2. Oral frailty and its determinants in old age Anastasia Kosiou, Greece 3. Frailty and health literacy in older immigrants in Europe Stephanie de Maesschaelck, Belgium	SESSION ON SIGs UPDATES Chairs: Stefano Volpato, Italy, Lia Marques, Portugal 1. BIG DATA - "A European Research Agenda for Data Science in Geriatric Medicine: presenting new findings of a modified Delphi" Giulia Ogliari, Italy 2. FALLS & FRACTURE - Challenges and opportunities for falls prevention across Europe: an online survey (N=1669) Lena Dahlberg, Sweden 3. DIABETES - "Enhancing diabetes management in frail older adults: challenges, innovations and personalized therapeutic approaches" Virginia Boccardi, Italy	JAGG JOINT SYMPOSIUM "The relevance and consequences of loneliness for care for older adults" Chair: TBD 1. Loneliness in older adults in Europe, an overview of current empirical findings Marja Aartse, Norway 2. Loneliness from the perspective of older informal carers Lena Dahlberg, Sweden 3. Loneliness in geriatric patients and clinical implications Sylvie Bonin-Guillaume, France	EAMA SESSION Education tools to build a workforce fit for purpose Chair: Davide Vetrano, Sweden, Ana Marie Hergehelegiu, Romania 1. Simulation Rebecca Winter, United Kingdom 2. Virtual reality Hanneke Joosten, The Netherlands 3. Patients as teachers Jesus Mateos-Nozal, Spain	EDITOR'S WORKSHOP BACK TO BASIC: Writing an article for a geriatric journal Chair: Nathalie Van der Velde, The Netherlands, Joe Ouslander, USA 1. How to find an article Alfonso Cruz-Jentoft, Eur Ger Med, Spain 2. Tips for medical writing in English Liang-Kung Chen, Archives of Gerontology and Geriatrics, Taiwan 3. Choosing the most appropriate journal Paul Katz, JAMDA, USA	SUBMITTED SYMPOSIUM Advancing appropriate prescribing: Identifying gaps, designing trials, and applying findings Chairs: Jacobijn Gussekloo, The Netherlands, Katharina Jungo, Switzerland 1. RELEASE: deprescribing levodopa in older patients – self-controlled trial as new methodology Janneke Ravensberg, Netherlands 2. It is not all about overprescribing: the OCTOPUS study as example of treatment gap exploration Rosalinde Poortvliet, The Netherlands 3. Who best to target with deprescribing interventions: results from a patient typology study Kristie Weir, Australia	ORAL COMMUNICATIONS	ORAL COMMUNICATIONS
COFFEE BREAK / POSTER ROUND & PRESENTATION							
GEI SESSION "National Plans for better care for older people as catalysts for the promotion of geriatric medicine" Chairs: Sylvie Bonin-Guillaume, France, Marina Kotsani, Greece The example of 3 countries: 1. Hungary - Adam Leibach 2. Türkiye - Busra Can 3. France - Gaetan Gavazzi Comment by Adam Gordon, United Kingdom	USING REGISTRIES TO IMPROVE CARE OF OLDER PATIENTS IN THE NORDIC COUNTRIES Chairs: Giulia Ogliari, United Kingdom, Karolina Piotrowicz, Poland 1. Swedish dementia registry, SveDem, improving care throughout the care chain: specialist-primary care-nursing homes Maria Eriksdotter, Sweden 2. Lessons from a medication registry in acute hospital admissions for older patients Martin Ingi Sigurðsson, Iceland 3. Use of National Health Registries in falls and fracture prevention Jesper Ryg, Denmark	SPONSORED TIMESLOT (10.30-11.30)	EAMA WORKSHOP "Ethical dilemmas in older populations" Led by: Andreas Fischer, Switzerland; Joyce Hogebrug, The Netherlands 1. To dialyse or not to dialyse? 2. To feed or not to feed? 3. To ventilate or not to ventilate?	SUBMITTED SYMPOSIUM Advancements in management of deconditioning syndromes in hospitalised older people Chairs: Carly Welch, United Kingdom, Roman Romero-Ortuno, Ireland 1. Identifying change in functional status during hospitalisation using Natural Language Processing Dan Stein, United Kingdom 2. Enhancing ward managers implementation leader in the Frailty Care Bundle (FCB): testing feasibility and acceptability Hospital-associated decline (HAD) Corina Naughton, Ireland 3. Integrating Multicomponent Exercise with Virtual Reality to Enhance Functional and Cognitive Outcomes in Hospitalised Older Adults: A Randomised Controlled Trial Nicolas Martinez Velilla, Spain	SUBMITTED SYMPOSIUM Advancing Nutrition in Older Adults: From Clinical Complexities to Crisis Response Chairs: Marjolien Visser, The Netherlands, Alfonso Cruz-Jentoft, Spain 1. Navigating Nutritional Challenges in Older Adults with Renal Impairment Rocco Barazzoni, Italy 2. Emergency Nutrition: Addressing the Vulnerabilities of Older Adults in Disasters Gulistan Bahat, Türkiye 3. Knowledge Gaps in Nutritional Supplementation: Insights from Portugal's ONS Survey Nuno Mendonça, Portugal	ORAL COMMUNICATIONS	ORAL COMMUNICATIONS
LUNCH							
LUNCH & POSTER ROUND/ PRESENTATION							
THE AGING PATHWAYS Chair: Bruno Vellas, France, Sofia Duque, Portugal 1. Biological ageing – influence of biology on ageing trajectories Eline Slagboom, The Netherlands 2. Complexity of ageing - psychosocial factors influencing the ageing trajectories Rose-Anne Kenny, Ireland 3. Ageing trajectory spectrum from healthy ageing to extreme frailty – the evidence from large longitudinal studies Philippe De Souto Barreto, Spain	QUALITY OF MEDICAL CARE IN NURSING HOMES Chair: Ólafur Samúelsson, Iceland, Ellen Vaeyen, Belgium 1. Medication review in nursing homes Daniela Flavia, Czech Republic 2. Nursing home care policy making in Iceland Steinnur Þórháðdóttir, Iceland 3. Quality of clinical care in nursing homes Adam Gordon, United Kingdom	ESPEN JUNT SYMPOSIUM Chairs: Nuno Mendonça, Portugal, Rainer Wirth, Germany 1. Effects of Plant Protein and Fibre Supplementation with or without Physical Activity on Appetite and Nutritional Status in Older Adults THE APPETITE Multi-centre Trial Katy Horner, Ireland 2. Enhancing Malnutrition Awareness in Community-Dwelling Older Adults with the Malnutrition Awareness Scale Marjolien Visser, The Netherlands 3. Nutritional Care Using Oral Nutritional Supplements: 22 Questions Every Clinician	GEI CORE CURRICULUM SYMPOSIUM Does the WHO ICOPE screening tool really detect frailty in primary care? (A PRO/CON debate) Chairs: Athanas Benetos, France, Tajana Pavic, Croatia PROs: Andreea Zamfirescu, Romania CONs: George Soulis, Greece	SUBMITTED SYMPOSIUM An update from the World Falls Prevention Society Chairs: Jesper Ryg, Denmark, Sara Vanderveelde, Belgium 1. New Technologies for Fall Risk Assessment and Fall Prevention Stephen Lord, Australia 2. The efficacy of whole-body vibration in improving balance, preventing falls and fractures Dirte Bech Jespen, Denmark 3. Collaborations to Enhance Research and Clinical Implementation of Fall Prevention in Asia Maw Pin Tan, Malaysia	SUBMITTED SYMPOSIUM 'Aging in place': a shift in medical care for older adults with complex multimorbidity from hospitals and nursing homes to the community. Changing landscapes in organization of geriatric medical care and training of geriatric specialists in three countries: the Netherlands, the Unites Kingdom and Czechia Chairs: Wilco Achterberg, The Netherlands, Katarzyna Szczerbiska, Poland 1. The Dutch changing geriatric landscape. Do we prepare future geriatric specialists for the changes? Martin Smalbrugge, The Netherlands 2. From hospital to the community. Challenges for geriatric practice and training in the UK	ORAL COMMUNICATIONS	ORAL COMMUNICATIONS
CLOSING CEREMONY EAMA HIGHLIGHTS Maria Eugenia Campolito, Spain Federico Triolo, Sweden Lorène Zerab, France							
*The program is subject to change. Some sessions will be available via live streaming and later on-demand. The final number of streamed sessions will be confirmed closer to the event.
