8 - 10 November 2018

Madrid, Spain

Preliminary Programme

Thursday, 8 November 2018

12:00 - 13:45	Foyer La Cheminee Registration	
13:45 - 14:00	Room: Zaragoza III & IV Welcome Address	
14:00 - 15:30	Room: Zaragoza III & IV Severe asthma: the immunological basis of a heterogeneous syndrome <i>Chair: Ioana Agache, Romania Oscar Palomares, Spain</i>	
14:00 - 14:45	Innate & Adaptive Pathways in Severe Asthma: Interactions & Pathogenesis <i>Cezmi Akdis, Switzerland</i>	
14:45 - 15:30	Different Endotypes and Phenotypes drive the Heterogeneity in Severe Asthma <i>Liam Heaney, United Kingdom</i>	
15:30 - 16:00	Coffee break	
16:00 - 18:00	Room: Zaragoza III & IV Diagnostic Controversies & Comorbidities in Severe Asthma <i>Chair: Joaquin Sastre, Spain Leif Björner, Sweden</i>	Room: Zaragoza I & II Novel Diagnostic & Monitoring Tools for Severe Asthma <i>Chair: Omer Kalayci, Turkey Ignacio Davila, Spain</i>
16:00 - 16:30	Establishing the Diagnosis: when is it (Severe) Asthma? <i>Ioana Agache, Romania</i>	Unravelling the Complexity of Tissue Inflammation in Uncontrolled and Severe Asthma <i>Jonas Sten Erjefalt, Sweden</i>
16:30 - 17:00	Comorbidities in Severe Asthma from ENT perspective <i>Philippe Gevaert, Belgium</i>	microRNAs: Emerging Markers of Asthma and Asthma Severity <i>Victoria del Pozo, Spain</i>
17:00 - 17:30	Bronchiectasis in Severe Asthma: a new kid on the block <i>Eva Polverino, Spain</i>	Breathonomics: what can Breath tell us about Uncontrolled Asthma? <i>Paul Brinkman, The Netherlands</i>

17:30 - 18:00	Psychological and Social Aspects in Severe Asthma <i>Stefano Del Giacco, Italy</i>	The Effect of Genes and Gene Expression Profiles on Asthma and treatment Outcomes <i>Maarten van den Berge, The Netherlands</i>
---------------	---	--

18:00 - 21:00	Toledo Welcome Reception and Poster Discussion Session I
----------------------	--

Friday, 9 November 2018

08:00 - 09:00	Room: Tenerife I Breakfast seminar - Meet Expert 1 <i>Chair: Dario Antolin Amerigo, Spain</i> Severe occupational asthma: Clinical phenotypes and outcomes <i>Joaquin Sastre, Spain Santiago Quirce, Spain</i>	Room: Tenerife II Breakfast seminar - Meet Expert 2 <i>Chair: Enrico Heffler, Italy</i> Is there a place for HDM SLIT in Severe Asthma? <i>Giorgio Walter Canonica, Italy Moises Antonio Calderon, United Kingdom</i>
----------------------	--	---

09:00 - 10:30	Room: Zaragoza III & IV From gene and environmental factors to clinical biomarkers in Severe Asthma <i>Chair: Santiago Quirce, Spain Zuzana Diamant, The Netherlands</i>
09:00 - 09:45	Interaction between genetic and environmental factors in SA <i>Ignacio Davila, Spain</i>
09:45 - 10:30	Biomarkers (help to define different phenotypes) in Severe Asthma <i>Leif Bjermer, Sweden</i>

10:30 - 11:00	Coffee break
----------------------	---------------------

11:00 - 13:00	Room: Zaragoza III & IV Childhood Severe Asthma: from Epidemiology to Management <i>Chair: Montserrat Alvaro Lozano, Spain Silvia Sanchez-Garcia, Spain</i>	Room: Zaragoza I & II New insights into mechanisms and treatment options of non-type 2 asthma <i>Chair: Leif Bjermer, Sweden Zuzana Diamant, The Netherlands</i>
11:00 - 11:30	Virus-induced immune pathways in Asthma Development <i>Jürgen Schwarze, United Kingdom</i>	Neutrophilic asthma <i>Sven Seys, Belgium</i>
11:30 - 12:00	Preventable factors in difficult Childhood Asthma <i>Andrew Bush, United Kingdom</i>	Non-inflammatory or pauci-granulocytic asthma <i>Stelios Loukides, Greece</i>
12:00 - 12:30	Clinical phenotypes in childhood asthma and their impact on management <i>Omer Kalayci, Turkey</i>	Non T2-high treatment strategies: there's light at the end of the tunnel <i>Matteo Bonini, Italy</i>
12:30 - 13:00	Biologicals in pediatric asthma <i>Irina Bobolea, Spain</i>	Role of the Airway Smooth Muscle in Severe Asthma <i>Pascal Chanez, France</i>

13.00 - 14:30	Foyer La Chemince Lunch and Poster Discussion Session II
----------------------	--

14:30 - 16:00	Room: Zaragoza III & IV Pro/Con Session
14:30 - 15:15	Debate 1: Do we need more Biologicals? <i>Chair: Joaquin Sastre, Spain</i> Pro: Ioana Agache, Romania Con: Leif Bjermer, Sweden
15:15 - 16:00	Debate 2: eHealth is useful in treatment of SA <i>Chair: Sven Seys, Belgium</i> Pro: Dario Antolin, Spain

Con: Silvia Sanchez-Garcia, Spain

16:00 - 16:30 Coffee break

16:30 - 16:50 Room: Zaragoza III & IV
EAACI AIT Asthma Guidelines Launching
Marek Jutel, Poland

16:50 - 17:50 Room: Zaragoza III & IV
Oral abstract presentation

Saturday, 10 November 2018

08:00 - 09:00	Room: Tenerife I Breakfast seminar - Meet Expert 3 <i>Chair: Jürgen Schwarze, United Kingdom</i> Algorithms matching the right Biological with the right Patient <i>Oscar Palomares, Spain Parameswaran Nair, Canada</i>	Room: Tenerife II Breakfast seminar - Meet Expert 4 <i>Chair: Maarten van den Berge, The Netherlands</i> Potential Role of Inhaled Allergen Challenge in Personalized Asthma Management <i>Zuzana Diamant, The Netherlands Leif Bjerner, Sweden</i>
----------------------	--	---

09:00 - 10:30	Room: Zaragoza III & IV Targeted Treatment of Severe Asthma: Precision Medicine in Clinical Practice <i>Chair: Ioana Agache, Romania Zuzana Diamant, The Netherlands</i>
09:00 - 09:45	• Update on Treatable Traits in Severe Asthma
09:45 - 10:30	• Emerging targeted therapies for Severe Asthma <i>Parameswaran Nair, Canada</i>

10:30 - 11:00 Coffee break

11:00 - 13:00	Room: Zaragoza III & IV Workshop 1: Lifestyle and its Effect on Asthma Control and Severity <i>Chair: Matteo Bonini, Italy Maarten van den Berge, The Netherlands</i>	Room: Zaragoza I & II Workshop 2: Consequences of Corticosteroid Treatment in Severe Asthma <i>Chair: Santiago Quirce, Spain Tomas Chivato, Spain</i>
11:00 - 11:30	• Effect of Exercise on Asthma and Asthma Control <i>Marcin Kurowski, Poland</i>	• Inhalation technique: effect of know-how on adherence and asthma control <i>Paul Hagedoorn, The Netherlands</i>
11:30 - 12:00	• Severe Asthma and Metabolic Syndrome <i>Apostolos Bossios, Sweden</i>	• Overview of Corticosteroid-related side effects <i>Omar Usmani, United Kingdom</i>
12:00 - 12:30	• Chlorine by-products: a problem for swimming pool workers and competition swimmers <i>Mariana Couto, Portugal</i>	• Pharmacoeconomic analysis of ICS-shadow side effects and costs <i>Enrico Heffler, Italy</i>
12:30 - 13:00	• Rehabilitation and education in severe asthma; a forgotten option? <i>Antonio Spanevello, Italy</i>	• Strategies to reduce corticosteroids impact on severe asthma <i>Martina Vasakova, Czech Republic</i>

13:00 - 13:15 Room: Zaragoza III & IV
Closing and Prize Giving Ceremony
