Purpose

This program will provide participants a wide range of knowledge regarding the evaluation, recognition, and treatment—emergent, acute, and chronic—of many of the most common diagnoses, injuries, illnesses, etc. that are commonly seen within the Neuroscience sub-specialties of Neurology, Neurosurgery, Pain Management, Physical Medicine & Rehabilitation, and Neuro Critical Care.

Educational Objectives

By the end of this conference, the participant should be able to:

1. Be informed of the most current, clinical approach to initial/acute evaluation, recognition, and treatment of a number of common diagnoses/conditions within the Neurosciences including: Stroke, Back/Neck pain, Movement Disorders, Traumatic Brain injury & Concussion, Epilepsy, Cognitive Disorders, Myelomeningocele, and spinal deformities among others.
2. Be informed of the many facets of post-acute, inpatient and outpatient rehabilitative management of patients with neurologic disorders or illness.
3. Be informed of new technologies and strategies currently utilized in both the emergent/acute management of patients seen within the neurosciences specialties -- as well as their incorporation into the long-term, chronic management of these patients.
4. Be informed of the common criteria for surgical vs. non-surgical consultation/management of common diagnoses within the Neurosciences.
5. Be informed of the current research studies underway at Ochsner in the Neurosciences.

Target Audience Neurologists, Psychiatrists, Neurosurgeons, Neuro Critical Care, Pain Management, Primary Care Physicians, Physical Therapists, Occupational Therapists, Speech Therapists, Advanced Practice Clinicians, Nurses, Residents and Fellows.

Accreditation Statement The Ochsner Clinic Foundation is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation Statement The Ochsner Clinic Foundation designates this live activity for a maximum of 15.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity. You will print your certificate online using the e-mail address submitted at registration for your login and the password will be provided at the conference.

Acknowledgment We wish to thank the supporters for their generous contributions to our meeting. Supporters will be recognized in the break area.

The Ochsner Clinic Foundation relies upon invited speakers at all sponsored continuing medical education activities to provide information objectively and free from bias of conflict of interest. In accordance with ACCME and institutional guidelines pertaining to potential conflicts of interest, the faculty for this continuing medical education activity have been asked to complete faculty disclosure forms. In the event that some invited speakers indicate that they have a relationship which, in the context of the subject of their invited presentation, could be perceived as a potential conflict of interest, their materials have been peer reviewed in order to ensure that their presentations are free of commercial bias.
