

Friday 13 September 2024

18:00-19:00	President's Welcome Reception (Foyer A&B)
19:00-23:00	Sponsored Symposium: Novo Nordisk

Saturday 14 September 2024

07:00	Sponsored Symposium: Pfizer				
Session 1 08:30	State-of-the-art Luminal	GE Cancer: Prevention- Screening-Early Detection	GENIUS Session	Liver: Cirrhosis Complications	GENCA Gastroenterology Nursing in 2024: Practical Applications
10:00	Morning Tea: Exhibition Hall Posters of Merit (Poms) Judges Q&A POM finalists to stand by their poster				
Session 2 10:30	Plenary: Bushell Lecture Speaker: Professor Nick Powell Distinguished Researcher Prize Outstanding Clinician Award Trans-Tasman Presentation				
12:30	Lunch: Exhibition Hall				
Session 3 13:30	Endoscopy: AI in Endoscopy	Luminal: Translational Medicine & Motility	GENCA: Advance Practice Nursing in 2024	Liver: Controversies in HCC	State-of-the-art Paediatrics
15:30	Afternoon Tea: Exhibition Hall				
Session 4 16:00	State-of-the-art IBD: Acute Severe Ulcerative Colitis	GE Cancer: Management & Follow UP		Liver: Cirrhosis in the Community & Models of Care	Paediatrics Session
17:30	Posters of Merit (POM) Defending Refreshments: 17:30-18:00 POM Defending: 18:00-19:00				
18:00	Sponsored Symposium: AbbVie				

Sunday 15 September 2024

07:00	Sponsored Symposium: Chiesi				
07:00	Sponsored Symposium: Olympus				
Session 5 08:30	State-of-the-art Endoscopy: Future Directions in Metabolic Endoscopy	Clinical Luminal Disorders	Surgery in IBD	Regional Advocacy: Managing GI Disorders in NT – Where Is My Village?	Paediatrics Session
10:00	Morning Tea: Exhibition Hall				
Session 6 10:30	Young Investigator Awards (YIA)				
12:30	Lunch: Exhibition Hall GESA AGM: 13:00-13:50				
Session 7 14:00	State-of-the-art Liver: ACLF in 2024 From Diagnosis To Management	Interventional Endoscopy in Cancer Palliation	Drug and Diet Therapies for IBD	Private Practice: General Gastroenterology	Sustainability
15:30	Afternoon Tea: Exhibition Hall				
Session 8 16:00	Endoscopy: Pancreatic Adenocarcinoma	Liver: Alcohol- Associated Liver Disease	Luminal & GENCA: Best Practice Care Throughout the Lifespan	IBD: Treatment Strategies in IBD	
17:30	Sponsored Symposium: Janssen of J&J				
19:30	AGW 2024 GESA GENCA Gala Event				

It takes a village: from prevention to management

MONDAY PROGRAM OVERVIEW

Monday 16 September 2024					
Session 9 08:30	Liver /IBD /Functional: Pregnancy & GI Disease, Young Adults. Babes To Adults	Endoscopy: Case Study Videos & Abstracts	IBD & the Gut- Brain- Microbiome Axis	Paediatrics Session	
10:00	Morning Tea: Exhibition Hall				
Session 10 10:30	GENIUS: Advanced IUS Forum with Live Demonstration	GE Cancer: Research Advances in GI Oncology	Paediatrics Session	General Blended: GLP-1 Hype	
12:30	AGW 2024 Ends				

**07:00
Registration Opens**

SESSION 1	State-of-the-art Luminal		Chair/s: To be confirmed
	08:30	Immunotherapy Colitis	Nick Powell (UK)
	09:00	Beyond Rome What's Next for Functional GI Disorders	Lin Chang (US)
	09:30	Coeliac Disease	Jason Tye-Din
SESSION 2	GE Cancer: Prevention-Screening-Early Detection		Chair/s: To be confirmed
	08:30	Early Onset CRC in the Australian Context (Epidemiology, Pathogenesis, Early Detection and Prevention)	To be confirmed
		Personalisation Of Screening For CRC	To be confirmed
		CRC: Beyond Simple Stool Tests, Innovations and Developments with Biomarkers	To be confirmed
		Advances in the Screening and Surveillance Of Barrett's Neoplasia (Cytosponge, Molecular Assays, AI)	To be confirmed
		The Changing Face of Hepatocellular Cancer (NASH, Prevention, Screening)	To be confirmed
		Panel discussion	
SESSION 3	GENIUS Session		Chair/s: Rebecca Smith Brandon Baraty
	08:30	GENIUS overview - new updates on training pathway	Yoon-Kyo An
	08:45	Free paper (12min presentation + 3min question)	To be confirmed
	09:00	IUS in the current and future treat-to-target era	To be confirmed
	09:15	Free paper (12min presentation + 3min question)	To be confirmed
	09:30	Debate: IUS has replaced MRE in the assessment and management of IBD	To be confirmed
	09:50	Panel Discussion	To be confirmed
SESSION 4	Liver: Cirrhosis Complications		Chair/s: To be confirmed
	08:30	Pathogenesis and contributors to altered mental status in cirrhosis	Jasmohan Bajaj (USA)
	08:50	Hepatic encephalopathy management in 2024	To be confirmed
	09:05	Management of cirrhosis complications - is there a role for the interventional radiologist?	To be confirmed
	09:20	Surgical risk assessment in cirrhosis	To be confirmed
	09:35	Launch of Australian portal hypertension recommendations	To be confirmed
	09:45	Panel Discussion	To be confirmed
SESSION 5	GENCA Gastroenterology Nursing in 2024: Practical Applications		Chair/s: To be confirmed
	08:30	CALHN innovation in endoscopy waitlist management	To be confirmed
	08:55	ACPAN/GENCA sustainability results	To be confirmed
	09:20	Free paper 1	To be confirmed
	09:40	Free paper 2	To be confirmed
	09:50	Panel discussion	To be confirmed

10:00-10:30

Morning Tea: Exhibition Hall
Posters of Merit (POMs) Judges Q&A
POM Finalists to stand by their poster

Plenary/Bushell Lecture

Chair: Alex Boussioutas

SESSION 6

10:30	Welcome & Presidential Address	Alex Boussioutas
10:45	Bushell Lecture	Nick Powell (UK)
11:15	Distinguished Researcher Prize Introduction	To be confirmed
11:20	Distinguished Researcher Prize	To be confirmed
11:40	Outstanding Clinician Award Introduction	To be confirmed
12:10	Outstanding Clinician Award	To be confirmed
12:05	Trans-Tasman Lecture Introduction	To be confirmed
12:10	Trans-Tasman Lecture	To be confirmed

12:30-13:30

Lunch: Exhibition Hall

Endoscopy: AI in Endoscopy

Chair/s: Rajvinder Singh

SESSION 7

13:30	Introduction	To be confirmed
	AI in colonoscopy	To be confirmed
	AI in IBD	Marietta Iacucci (Ireland)
	To be confirmed	To be confirmed
	To be confirmed	To be confirmed
	To be confirmed	To be confirmed
	To be confirmed	To be confirmed
15:20	Wrap up & discussion	To be confirmed

Luminal: Translational Medicine & Motility

Chair/s: To be confirmed

SESSION 8

13:30	Introduction	To be confirmed
13:35	Globus Pharyngeus: Investigation & Management	To be confirmed
	Free paper (12min presentation + 3min question)	To be confirmed
	New Toys in GI Function. Going Flipping Crazy!	To be confirmed
	Free paper (12min presentation + 3min question)	To be confirmed
	Is There a Role For IUS In The Assessment Of Gut-Brain Axis Disorders?	To be confirmed
	Free paper (12min presentation + 3min question)	To be confirmed
	Gastroparesis The Debate: Disease Or Association	To be confirmed

GENCA: Advance Practice Nursing in 2024

Chair/s: Vera Meeusen

SESSION 9

13:30	Nurse Sedation in Endoscopy – an Australian Experience	To be confirmed
13:55	Nurse Endoscopy – Training in Australia	To be confirmed
14:20	IBD Education in Asia Pacific – GENCA with APMA	To be confirmed
14:45	Setting up shop in the outback – A Gastro Service in Central Australia	To be confirmed
15:10	Panel Discussion	All speakers

SESSION 10

Liver: Controversies in HCC

Chair/s: To be confirmed

13:30	HCC surveillance in 2024 - what's new?	To be confirmed
13:50	Portal hypertension in HCC patients	Grace Wong (HK)
14:10	Does frailty matter in treating HCC?	To be confirmed
14:25	Palliative care in end-stage liver disease - is it ever too early to refer?	To be confirmed
14:40	Free paper (12min presentation + 3min question)	To be confirmed
14:50	Panel discussion	To be confirmed
	Debate: Should we biopsy more in advanced-stage HCC	To be confirmed
15:00	Affirmative	To be confirmed
15:10	Negative	To be confirmed
15:20	Verdict	To be confirmed
15:25	Launch of update of Australia HCC Guidelines	To be confirmed

SESSION 11

State-of-the-art Paediatrics

Chair/s: To be confirmed

13:30	The greatest moments of paediatric neuro-gastroenterology and motility: CDL 2024	Carlo Di Lorenzo (US)
		Chair: To be confirmed
14:20	Acute severe colitis: Time to Reassess Treatment Options?	
		Chair: To be confirmed
14:40	Free paper (12min presentation + 3min question)	To be confirmed
14:55	Free paper (12min presentation + 3min question)	To be confirmed
15:10	Complications of IBD treatments: contemporary insights	To be confirmed

15:30-16:00

Afternoon Tea: Exhibition Hall
The official GESA AGW Poster Rounds

SESSION 12

State-of-the-art IBD: Acute Severe Ulcerative Colitis

Chair/s: To be confirmed

16:00	State of the Art Lecture. ASUC: Current Best Practice and Future Directions	Peter Higgins (US)
16:45	Free paper (12min presentation + 3min question)	To be confirmed
17:00	Conducting Research in ASUC in Australia. Lessons from Predict UC	To be confirmed

SESSION 13

GE Cancer: Management & Follow Up

Chair/s: To be confirmed

	Update on immunotherapy and SIRT in HCC	To be confirmed
	Role of liver transplantation in cholangiocarcinoma	To be confirmed
	Panel Discussion	To be confirmed
	Free Papers	To be confirmed

SESSION 14

Liver: Cirrhosis in the Community & Models of Care

Chair/s: To be confirmed

16:00	Nurse-led cirrhosis clinic models for care for cirrhosis/HCC surveillance	To be confirmed
16:15	Cirrhosis case finding in the community	To be confirmed
16:30	Use of NITs to stratify chronic liver disease in the community	To be confirmed
16:45	AI in Hepatology	To be confirmed
17:05	Free paper (12min presentation + 3min question)	To be confirmed
17:15	Panel Discussion	Moderated discussion

SESSION 15

Paediatrics Session

Chair/s: To be confirmed

17:30-19:00 – Posters of Merit (POM) Defending

Refreshments: 17:30-18:00

POM Defending: 18:00-19:00

18:00

Sponsored Symposium: AbbVie

07:00 Sponsored Symposium: Chiesi

07:00 Sponsored Symposium: Olympus

SESSION 16

State-of-the-art Endoscopy: Future Directions in Metabolic Endoscopy **Chair/s:** To be confirmed

Pharmacotherapy in weight loss – local endocrinologist To be confirmed

Bariatric surgery “current trends”. Lilian Kow To be confirmed

Metabolic endoscopy “current trends” Chris Thompson or Sigh Jirapinyo To be confirmed

Nutrition after bariatric and endoscopic intervention- local dietitian To be confirmed

Free paper (12min presentation + 3min question) To be confirmed

Future Direction In Metabolic Endoscopy Chris Thompson (US)

SESSION 17

Clinical Luminal Disorders: Functional Oesophageal Disorders Refractory Reflux & Other Clinical Topic **Chair/s:** To be confirmed

08:30 Functional Oesophageal Disorders To be confirmed

08:45 Cannabis Hyperemesis Syndrome To be confirmed

09:15 Free Paper To be confirmed

09:30 Gynaecology & the Gut Roni Ratner??/ Pelvic Pain To be confirmed

09:45 Beyond FODMAP, what’s next for dietary therapy in FGID To be confirmed

SESSION 18

Surgery in IBD **Chair/s:** To be confirmed

08:30 Timing of colectomy in chronic active UC. To be confirmed

08:35 Free paper (12min presentation + 3min question) To be confirmed

08:50 To be confirmed To be confirmed

09:05 What is the role of the mesentery in in ileo-caecal resection. To be confirmed

09:25 Panel Discussion + Case Presentation To be confirmed

SESSION 19

Regional Advocacy: Managing GI Disorders in NT – Where Is My Village? **Chair/s:** To be confirmed

X2 cases studies

Travelling Professor reflections (building our village)

Panel discussion with moderator

SESSION 20

Paediatrics Session 2		Chair/s: To be confirmed
08:30	Intestinal Rehabilitation And Transplantation: The Cutting	To be confirmed
08:55	Free Paper	To be confirmed
09:07	Free Paper	To be confirmed
09:19	Jejunal Tube Feeding: Considerations And Challenges	To be confirmed
09:39	Rapidfire: Protein Losing Enteropathy	To be confirmed

10:00-10:30

Morning Tea: Exhibition Hall

SESSION 21

Young Investigator Awards (YIA)		Chair/s: To be confirmed
10:30	Welcome & Introduction	To be confirmed
10:32	Abstract 1: Basic Science	To be confirmed
10:46	Abstract 2: Clinical Research	To be confirmed
11:01	Abstract 3: Basic Science	To be confirmed
11:16	Abstract 4: Clinical Research	To be confirmed
11:31	Abstract 5: Basic Science	To be confirmed
11:46	Abstract 6: Clinical Research	To be confirmed
12:01	Abstract 7: Basic Science	To be confirmed
12:16	Abstract 8: Clinical Research	To be confirmed
12:30	YIA People's Choice Awards: Basic Science & Clinical Research	To be confirmed

12:30-14:00

Lunch: Exhibition Hall

13:00-13:50

GESA AGM

SESSION 22

State-of-the-art Liver: ACLF in 2024 From Diagnosis To Management		Chair/s: To be confirmed
	State-of-the-art: ACLF in 2024 from diagnosis to management	Jasmohan Bajaj (US)
	ACLF - the Australian experience	To be confirmed
	Sepsis in cirrhosis	To be confirmed
	Panel Discussion	To be confirmed
	ALA AGM	To be confirmed

SESSION 23

Interventional Endoscopy in Cancer Palliation		Chair/s: To be confirmed
14:00	Malignant gastric outlet obstruction	To be confirmed
14:15	Management of malignant biliary obstruction	To be confirmed
14:25	GI Tumour Bleeding – Treatment Algorithm	To be confirmed
14:35	Stent Or Divert? Management Of Small and Large Bowel Obstruction	To be confirmed
14:55	When all else fails! (RFA/tumour injection/stent dysfunction)	To be confirmed

SESSION 24

Drug and Diet Therapies for IBD

Chair/s: Peter Higgins
Susie Connor

14:00	Optimising existing therapies in IBD	Jakob Begun
14:20	Free paper (12min presentation + 3min question)	To be confirmed
14:35	How do we best position diet for the treatment of IBD	Emma Halmos
14:55	Free paper (12min presentation + 3min question)	To be confirmed
15:10	How do we best position our newer IBD therapies	Nick Powell

SESSION 25

Private Practice: General Gastroenterology

Chair/s: To be confirmed

SESSION 26

Sustainability

Chair/s: To be confirmed

15:30-16:00

Afternoon Tea: Exhibition Hall

SESSION 27

Endoscopy: Pancreatic Adenocarcinoma

Chair/s: To be confirmed

Pancreatic adenocarcinoma: real life scenarios

Multidisciplinary case discussion – (gastroenterologists, HPB surgeon, radiologist, clinical geneticist, pathologist, oncologist and dietitian).

Moderator: To be confirmed

Who to screen (syndromes, mutations, family history, IPMN)

To be confirmed

How to screen- supportive evidence? -

To be confirmed

EUS/imaging/molecular markers

Who can be cured and role of surgery & neoadjuvant/adjuvant therapies (evidence-based) (surgeon and oncologist)

To be confirmed

Palliative pain relief in pancreatic cancer- role of endoscopic interventions

To be confirmed

Panel with a dietitian/pain specialist

To be confirmed

SESSION 28

Liver: Alcohol-Associated Liver Disease

Chair/s: To be confirmed

SESSION 29

Luminal & GENCA: Best Practice Care Throughout the Lifespan

Chair/s: To be confirmed

Transition throughout the lifespan – Panel (Liver, IBD, Endoscopy & Clinical Nutrition)

To be confirmed

- Paediatric / Adult / Older Adult

Liver Nurse & IBD Nurse & Clinical Nutrition Nurse

To be confirmed

Endoscopy Nurse

To be confirmed

Free paper (12min presentation + 3min question)

To be confirmed

Free paper (12min presentation + 3min question)

To be confirmed

The art of medicine: tips and tricks for managing patients with complex functional GI disorder

To be confirmed

- AI, apps & online resources for treating patients with complex functional GI disorder

- Your neighbourhood MDT. Who to include when managing patients with functional disorders

SESSION 30

IBD: Treatment Strategies in IBD

Chair/s: Aviv Pudipeddi
Lena Thin

16:00 Personalising Therapy in IBD

Peter Higgins

16:20 Free paper (12min presentation + 3min questions)

To be confirmed

16:35 Using Advanced Therapies in Combination. When, What and How?

Rupert Leong

16:55 Cyclical Treatment in IBD. Is this an option?

To be confirmed

17:30 Sponsored Symposium: Janssen of J&J

**19:30-23:30
AGW 2024 GESA GENCA Gala Event**

SESSION 31

Liver / IBD / Functional: Pregnancy & GI Disease, Young Adults. Babes to Adults. **Chair/s:** To be confirmed

Free papers (12min presentation + 3min questions)	To be confirmed
IBD in pregnancy & breastfeeding	To be confirmed
Constipation in pregnancy	To be confirmed
Liver conundrums in pregnancy – Enoke Gonsalkorala	To be confirmed
Nutrition in pregnancy	To be confirmed

SESSION 32

Endoscopy: Case Study Videos & Abstracts **Chair/s:** To be confirmed

SESSION 33

IBD & the Gut-Brain-Microbiome Axis **Chair/s:** To be confirmed

Lessons from the microbiome. The infant microbiome in maternal IBD	Georgina Hold
Free paper (12min presentation + 3min questions)	To be confirmed
Managing Psychiatric Illness in patients with IBD	Olivia Wong
Patient with IBD and functional gut disorder overlap	Ryan Mathias
Panel Discussion	Chamara Basnayake Olivia Wong Angela Khera Erin Russell

SESSION 34

Paediatrics Session 3 **Chair/s:** Peter Hammond
Winita Hardikar

Viral Hepatitis in children: 2024 and beyond	Fariha Balouch
Free paper (12min presentation + 3min questions)	To be confirmed
Free paper (12min presentation + 3min questions)	To be confirmed
Post liver transplant: short and long-term challenges and outcomes	Michael Stormon
Metabolic liver disease	Jonathan Hind

10:00-10:30

Morning Tea: Exhibition Hall

SESSION 35	GENIUS: advanced IUS Forum with Live Demonstration		Chair/s: To be confirmed
	10:30	How to perform IUS	To be confirmed
	10:45	Live demo with Q&A: IUS examination on UC patient	To be confirmed
	11:00	Talk: It's not always IBD flare	To be confirmed
	11:15	Live demo with Q&A: IUS examination on IBD patient with faecal loading	To be confirmed
	11:30	Talk: IUS in post-surgical patients	To be confirmed
	11:45	Live demo with Q&A: IUS examination on post-surgical patient	To be confirmed
	12:00	Talk: IUS examination during pregnancy	To be confirmed
SESSION 36	12:15	Live demo with Q&A: IUS examination on pregnant patient with IBD flare	To be confirmed
	GE Cancer: Research Advances in GI Oncology		Chair/s: To be confirmed
		Evidence of microbiome contributions in UGI neoplasia and Translation to practice	To be confirmed
		Evidence of microbiome contributions in CRC and Translation to practice	To be confirmed
		Panel discussion for microbiome and GI oncology	To be confirmed
		HCC genomics update and the emerging role of biopsy in HCC management	To be confirmed
		Future directions and audience questions / open forum	To be confirmed
		Free papers (12min presentation + 3min questions)	To be confirmed
SESSION 37	Paediatrics Session 4		Chair/s: To be confirmed
	10:30	Oesophageal manometry: the cutting edge	To be confirmed
	10:50	Free paper (12min presentation + 3min questions)	To be confirmed
	11:10	Free paper (12min presentation + 3min questions)	To be confirmed
	11:22	Postcards from Rome: where next with DGBIs?	To be confirmed
	11:34	Free paper (12min presentation + 3min questions)	To be confirmed
	11:52	Free paper (12min presentation + 3min questions)	To be confirmed
	12:10	Slow transit constipation	To be confirmed
SESSION 38	General Blended: GLP-1 Hype		Chair/s: To be confirmed
	10:30	Case Presentations	To be confirmed
	10:35	Physiology And Pharmacology - Gastric Emptying And The GLP1's	To be confirmed
	10:55	From Ozempic To Tirzepatide - Past, Present And Future (Endocrine)	To be confirmed
	11:15	GLP1 And Anaesthesia: Should Everyone Have A Pre-Anaesthetic Abdominal US (Anaesthetist)	To be confirmed
	11:35	Diabetic Medications For Dummies - What The Endoscopist Should Know	To be confirmed
	11:55	GLP1 RA and Liver	To be confirmed
	12:15	Expert Advice Guideline Launch	To be confirmed
12:25 Q&A			To be confirmed
12:30 AGW ENDS
