47th ESPEN Congress on Clinical Nutrition & Metabolism

Event Programme

Table of Content

Overview.....	6
Approach to parenteral nutrition.....	7
Nutritional support in neurological diseases.....	7
Nutritional support in renal diseases.....	7
Organization of nutritional care: Ethic and legal aspects.....	7
Screening, diagnosis and assessment of malnutrition.....	7
Nutrition in cancer.....	8
Nutrition in liver and pancreatic diseases.....	8
Nutrition in pediatric patients II.....	8
Nutritional support in diabetes and dyslipidemia.....	8
Nutritional support in the perioperative period.....	8
Approach to oral and enteral nutrition.....	9
Chronic intestinal failure and home parenteral nutrition in adults.....	9
Nutrition and prevention of diseases.....	9
Nutritional support in GI diseases.....	9
Nutritional support in intensive care patients.....	10
Presentation and publication skills.....	10
SIG Geriatrics.....	10
Challenges with long-term home parenteral feeding.....	10
Energy metabolism in ICU.....	11
Ketones as nutritional substrates.....	11
Oral Communications I: Nutritional Status, Body Composition, and Cancer Outcomes: From Assessment to Intervention.....	11
Refeeding syndrome: when too little can be too much.....	11
SIG Cachexia Anorexia in Chronic Diseases.....	12
Iron, the old new kid on the block.....	12
Nutrition and Diabetes Working Group.....	12
Nutrition and healthy ageing.....	13
Nutritional consequences of elimination diets in GI diseases: Adverse reactions to food.....	13
Nutritional interventions during prehabilitation for cancer surgery.....	14
Oral Communications II: Nutrition and Perioperative Outcomes: From Prehabilitation to Recovery.....	14
Opening ceremony.....	14
ESPEN NEMS/NEPS.....	14

Breakfast meet the professor: Energy requirements in non-critical patients - Lessons from indirect calorimetry.....	15
Breakfast meet the professor: New insights in metabolic syndrome.....	15
Nutritional support in the older adults.....	15
Teach the training teachers in clinical nutrition.....	16
Liver disease: does nutritional treatment improve the outcomes.....	16
Not too early, not too much in ICU.....	16
Nutritional approaches to enhance exercise benefits.....	17
Oral Communications III: Evidence-Based Nutrition in Critical Illness.....	17
Case discussion and test: Nutritional support in the older adults.....	17
Sir David Cuthbertson lecture.....	18
ESPEN best abstracts & travel awards.....	18
SIG Pediatrics.....	18
SIG Micronutrients.....	19
Basic in clinical sports nutrition.....	19
Consensus Conference – ESPEN Guideline on Ethical Aspects of Medical Nutrition Therapy..	19
Early career session: Next generation nutrition science.....	20
Feeding the gut to modulate bowel disease.....	20
nutritionDay National Coordinators Meeting.....	20
Update in artificial nutrition components.....	21
Biogenic amines: from fermented food to metabolism.....	21
Case discussion and test: Basic in clinical sports nutrition.....	21
Case presentation: Abdominal catastrophe (pelvic exenteration).....	22
Oral Communications IV: Advanced Nutrition Strategies in Gastrointestinal and Liver Disease	22
The impact of obesity in cancer outcomes.....	22
Time-restricted eating in management of disease.....	22
Breakfast meet the professor: Clinical nutrition in ERAS: Key to optimal surgical recovery.....	23
Breakfast meet the professor: Home parenteral nutrition in oncology.....	23
Obesity.....	23
SIG Acute Intestinal Failure.....	23
SIG Home Parenteral Nutrition & Chronic Intestinal Failure.....	24
ESPEN fellowship research grants.....	24
Obesity in children: a growing problem.....	25
Oral Communications V: Targeted Nutrient Interventions: Mechanisms and Clinical Application	25
Orosensory food perception in health and disease.....	25

Arvid Wretling lecture.....	25
Case discussion and test: Obesity.....	26
Nutritional strategies in ICU.....	26
SIG NUTICU.....	26
Final LLL examination for the ESPEN european diploma in clinical nutrition and metabolism...	27
SIG Nutrition in Surgery.....	27
Micronutrients in clinical nutrition.....	28
Alternative nutrient sources in clinical nutrition.....	28
GLIM Session.....	28
Inflammation, from lab to the bedside.....	29
Nutritional controversies.....	29
Case discussion and test: Micronutrients in clinical nutrition.....	29
International Working Group on Nutrition as a Human Right.....	30
ESPEN general assembly.....	30
Case presentation: Elderly patient with chronic kidney disease.....	30
Consequences of malnutrition in cancer.....	31
Hot Topics Session: Rethinking Protein: New Paradigms in Requirements, Quality, and Clinical Applications.....	31
Oral Communications VI: Nutrition Across Populations and Conditions: Innovative Approaches and Emerging Evidence.....	31
Polypharmacy and malnutrition in older people.....	32
Hospital nutrition organization.....	32
New ESPEN guidelines.....	32
Nutritional considerations in pediatrics.....	32
Oral Communications VII: Advances in Nutritional Assessment.....	33
Perioperative nutrition.....	33

Approach to parenteral nutrition

Room: Conference Hall

Friday, September 12, 2025 / 09:00 - 13:00

Type: Oral Programme

Topic: LLL Session

Moderator: Alessandro Laviano (Italy), Peter Austin (United Kingdom)

Nutritional support in neurological diseases

Room: South Hall 3B

Friday, September 12, 2025 / 09:00 - 13:00

Type: Oral Programme

Topic: LLL Session

Moderator: Rosa Burgos (Spain)

Nutritional support in renal diseases

Room: South Hall 3C

Friday, September 12, 2025 / 09:00 - 13:00

Type: Oral Programme

Topic: LLL Session

Moderator: Alice Sabatino (Sweden)

Organization of nutritional care: Ethic and legal aspects

Room: Chamber Hall

Friday, September 12, 2025 / 09:00 - 13:00

Type: Oral Programme

Topic: LLL Session

Moderator: Diana Cardenas (France), Diana Cardenas (France)

Screening, diagnosis and assessment of malnutrition

Room: South Hall 3A

Friday, September 12, 2025 / 09:00 - 13:00

Type: Oral Programme

Topic: LLL Session

Moderator: Rémy Meier (Switzerland)

Nutrition in cancer

Room: South Hall 3B

Friday, September 12, 2025 / 14:00 - 18:00

Type: Oral Programme

Topic: LLL Session

Moderator: Alessandro Laviano (Italy)

Nutrition in liver and pancreatic diseases

Room: South Hall 3A

Friday, September 12, 2025 / 14:00 - 18:00

Type: Oral Programme

Topic: LLL Session

Moderator: Rémy Meier (Switzerland)

Nutrition in pediatric patients II

Room: Conference Hall

Friday, September 12, 2025 / 14:00 - 18:00

Type: Oral Programme

Topic: LLL Session

Moderator: Koen Joosten (Netherlands)

Nutritional support in diabetes and dyslipidemia

Room: South Hall 3C

Friday, September 12, 2025 / 14:00 - 18:00

Type: Oral Programme

Topic: LLL Session

Moderator: Miguel Leon-Sanz (Spain)

Nutritional support in the perioperative period

Room: Chamber Hall

Friday, September 12, 2025 / 14:00 - 18:00

Type: Oral Programme

Topic: LLL Session

Moderator: Arved Weimann (Germany)

Approach to oral and enteral nutrition

Room: Conference Hall

Saturday, September 13, 2025 / 08:00 - 12:00

Type: Oral Programme

Topic: LLL Session

Moderator: Matthias Pirlich (Germany)

Chronic intestinal failure and home parenteral nutrition in adults

Room: South Hall 3C

Saturday, September 13, 2025 / 08:00 - 12:00

Type: Oral Programme

Topic: LLL Session

Moderator: Loris Pironi (Italy)

Nutrition and prevention of diseases

Room: Chamber Hall

Saturday, September 13, 2025 / 08:00 - 12:00

Type: Oral Programme

Topic: LLL Session

Moderator: Maurizio Muscaritoli (Italy)

Nutritional support in GI diseases

Room: South Hall 3A

Saturday, September 13, 2025 / 08:00 - 12:00

Type: Oral Programme

Topic: LLL Session

Moderator: Rémy Meier (Switzerland)

Nutritional support in intensive care patients

Room: South Hall 3B

Saturday, September 13, 2025 / 08:00 - 12:00

Type: Oral Programme

Topic: LLL Session

Moderator: Pierre Singer (Israel)

Presentation and publication skills

Room: Panorama Hall

Saturday, September 13, 2025 / 08:00 - 11:00

Type: Oral Programme

Topic: LLL Session

Description:

Moderator: Nathalie Delzenne (Belgium)

SIG Geriatrics

Room: Meeting Room 3.3

Saturday, September 13, 2025 / 08:00 - 09:00

Type: Special Interest Group

Topic: Special Interest Group

Description:

Notes:

Challenges with long-term home parenteral feeding

Room: South Hall 2 A+B

Saturday, September 13, 2025 / 14:00 - 15:30

Type: Oral Programme

Topic: Educational Session

Categories: Live Streamed

Energy metabolism in ICU

Room: South Hall 3 A+B+C

Saturday, September 13, 2025 / 14:00 - 15:30

Type: Oral Programme

Topic: Scientific Session

Categories: Live Streamed

Ketones as nutritional substrates

Room: Congress Hall

Saturday, September 13, 2025 / 14:00 - 15:30

Type: Oral Programme

Topic: Scientific Session

Categories: Live Streamed

Oral Communications I: Nutritional Status, Body Composition, and Cancer Outcomes: From Assessment to Intervention

Room: Panorama Hall

Saturday, September 13, 2025 / 14:00 - 15:30

Type: Oral Presentation

Topic: Oral Communication

Categories: Live Streamed

Refeeding syndrome: when too little can be too much

Room: Forum Hall

Saturday, September 13, 2025 / 14:00 - 15:30

Type: Oral Programme

Topic: Educational Session

Categories: Live Streamed

SIG Cachexia Anorexia in Chronic Diseases

Room: Meeting Room 3.2

Saturday, September 13, 2025 / 14:00 - 15:00

Type: Special Interest Group

Topic: Special Interest Group

Description:

Notes:

Iron, the old new kid on the block

Room: South Hall 2 A+B

Saturday, September 13, 2025 / 16:00 - 17:30

Type: Oral Programme

Topic: Scientific Session

Categories: Live Streamed

Nutrition and Diabetes Working Group

Room: Meeting Room 3.3

Saturday, September 13, 2025 / 16:00 - 17:30

Type: Special Interest Group

Topic: Special Interest Group

Description:

Notes:

Nutrition and healthy ageing

Room: Congress Hall

Saturday, September 13, 2025 / 16:00 - 17:30

Type: Oral Programme

Topic: Scientific Session

Categories: Live Streamed

Nutritional consequences of elimination diets in GI diseases: Adverse reactions to food

Room: Forum Hall

Saturday, September 13, 2025 / 16:00 - 17:30

Type: Oral Programme

Topic: Educational Session

Categories: Live Streamed

Nutritional interventions during prehabilitation for cancer surgery

Room: South Hall 3 A+B+C

Saturday, September 13, 2025 / 16:00 - 17:30

Type: Oral Programme

Topic: Scientific Session

Categories: Live Streamed

Oral Communications II: Nutrition and Perioperative Outcomes: From Prehabilitation to Recovery

Room: Panorama Hall

Saturday, September 13, 2025 / 16:00 - 17:30

Type: Oral Presentation

Topic: Oral Communication

Categories: Live Streamed

Opening ceremony

Room: Congress Hall

Saturday, September 13, 2025 / 17:40 - 19:00

Type: Oral Programme

Topic: Main Session

Categories: Live Streamed

ESPEN NEMS/NEPS

Room: Meeting Room 3.2

Saturday, September 13, 2025 / 18:00 - 19:30

Type: Special Interest Group

Topic: Special Interest Group

Description:

Notes:

Breakfast meet the professor: Energy requirements in non-critical patients - Lessons from indirect calorimetry

Room: Meeting Room 3.1

Sunday, September 14, 2025 / 07:30 - 08:15

Type: Oral Programme

Topic: Special Session

Breakfast meet the professor: New insights in metabolic syndrome

Room: Meeting Room 3.3

Sunday, September 14, 2025 / 07:30 - 08:15

Type: Oral Programme

Topic: Special Session

Nutritional support in the older adults

Room: Panorama Hall

Sunday, September 14, 2025 / 08:00 - 10:00

Type: Oral Programme

Topic: Live-LLL Session

Categories: Live Streamed

Moderator: Marian de van der Schueren (Netherlands)

Teach the training teachers in clinical nutrition

Room: Chamber Hall

Sunday, September 14, 2025 / 08:00 - 12:00

Type: Oral Programme

Topic: LLL Session

Moderator: Alessandro Laviano (Italy), Regina Komsa (Bulgaria), Rémy Meier (Switzerland)

Notes:

Liver disease: does nutritional treatment improve the outcomes

Room: Forum Hall

Sunday, September 14, 2025 / 08:30 - 10:00

Type: Oral Programme

Topic: Scientific Session

Categories: Live Streamed

Not too early, not too much in ICU

Room: Congress Hall

Sunday, September 14, 2025 / 08:30 - 10:00

Type: Oral Programme

Topic: Educational Session

Categories: Live Streamed

Nutritional approaches to enhance exercise benefits

Room: South Hall 3 A+B+C

Sunday, September 14, 2025 / 08:30 - 10:00

Type: Oral Programme

Topic: Scientific Session

Categories: Live Streamed

Oral Communications III: Evidence-Based Nutrition in Critical Illness

Room: South Hall 2 A+B

Sunday, September 14, 2025 / 08:30 - 10:00

Type: Oral Presentation

Topic: Oral Communication

Categories: Live Streamed

Case discussion and test: Nutritional support in the older adults

Room: Panorama Hall

Sunday, September 14, 2025 / 10:30 - 12:00

Type: Oral Programme

Topic: Live-LLL Session

Notes:

Sir David Cuthbertson lecture

Room: Congress Hall

Sunday, September 14, 2025 / 10:30 - 11:15

Type: Oral Programme

Topic: Main Session

Categories: Live Streamed

ESPEN best abstracts & travel awards

Room: Congress Hall

Sunday, September 14, 2025 / 11:15 - 12:00

Type: Oral Programme

Topic: Main Session

Categories: Live Streamed

SIG Pediatrics

Room: Meeting Room 3.3

Sunday, September 14, 2025 / 12:00 - 13:30

Type: Special Interest Group

Topic: Special Interest Group

Description:

Notes:

SIG Micronutrients

Room: Meeting Room 3.2

Sunday, September 14, 2025 / 13:00 - 14:00

Type: Special Interest Group

Topic: Special Interest Group

Description:

Notes:

Basic in clinical sports nutrition

Room: South Hall 2 A+B

Sunday, September 14, 2025 / 13:30 - 15:30

Type: Oral Programme

Topic: Live-LLL Session

Categories: Live Streamed

Moderator: Nada Rotovnik Kozjek (Slovenia)

Consensus Conference – ESPEN Guideline on Ethical Aspects of Medical Nutrition Therapy

Room: Panorama Hall

Sunday, September 14, 2025 / 13:45 - 15:30

Type: Oral Programme

Topic: Educational Session

Description:

Moderator: Arved Weimann (Germany)

Early career session: Next generation nutrition science

Room: South Hall 3 A+B+C

Sunday, September 14, 2025 / 14:00 - 15:30

Type: Oral Programme

Topic: Scientific Session

Categories: Live Streamed

Feeding the gut to modulate bowel disease

Room: Congress Hall

Sunday, September 14, 2025 / 14:00 - 15:30

Type: Oral Programme

Topic: Scientific Session

Categories: Live Streamed

nutritionDay National Coordinators Meeting

Room: Meeting Room 3.2

Sunday, September 14, 2025 / 14:00 - 15:30

Type: Special Interest Group

Topic: Special Interest Group

Description:

Notes:

Update in artificial nutrition components

Room: Forum Hall

Sunday, September 14, 2025 / 14:00 - 15:30

Type: Oral Programme

Topic: Educational Session

Categories: Live Streamed

Biogenic amines: from fermented food to metabolism

Room: South Hall 3 A+B+C

Sunday, September 14, 2025 / 16:00 - 17:30

Type: Oral Programme

Topic: Scientific Session

Categories: Live Streamed

Case discussion and test: Basic in clinical sports nutrition

Room: Chamber Hall

Sunday, September 14, 2025 / 16:00 - 18:00

Type: Oral Programme

Topic: Live-LLL Session

Notes:

Case presentation: Abdominal catastrophe (pelvic exenteration)

Room: Forum Hall

Sunday, September 14, 2025 / 16:00 - 17:30

Type: Oral Programme

Topic: Educational Session

Categories: Live Streamed

Moderator: Simon Lal (United Kingdom)

Panelist: Mette Holst (Denmark), Simon Gabe (United Kingdom), Oivind Irtun (Norway), Annika Reintam Blaser (Estonia), Kristine Farrer (United Kingdom)

Oral Communications IV: Advanced Nutrition Strategies in Gastrointestinal and Liver Disease

Room: Panorama Hall

Sunday, September 14, 2025 / 16:00 - 17:30

Type: Oral Presentation

Topic: Oral Communication

Categories: Live Streamed

The impact of obesity in cancer outcomes

Room: South Hall 2 A+B

Sunday, September 14, 2025 / 16:00 - 17:30

Type: Oral Programme

Topic: Educational Session

Categories: Live Streamed

Time-restricted eating in management of disease

Room: Congress Hall

Sunday, September 14, 2025 / 16:00 - 17:30

Type: Oral Programme

Topic: Scientific Session

Categories: Live Streamed

Breakfast meet the professor: Clinical nutrition in ERAS: Key to optimal surgical recovery

Room: Meeting Room 3.3

Monday, September 15, 2025 / 07:30 - 08:15

Type: Oral Programme

Topic: Special Session

Description:

Breakfast meet the professor: Home parenteral nutrition in oncology

Room: Meeting Room 3.1

Monday, September 15, 2025 / 07:30 - 08:15

Type: Oral Programme

Topic: Special Session

Obesity

Room: South Hall 2 A+B

Monday, September 15, 2025 / 08:00 - 10:00

Type: Oral Programme

Topic: Live-LLL Session

Categories: Live Streamed

Moderator: Rocco Barazzoni (Italy)

SIG Acute Intestinal Failure

Room: Chamber Hall

Monday, September 15, 2025 / 08:00 - 10:00

Type: Special Interest Group

Topic: Special Interest Group

Description:

Notes:

SIG Home Parenteral Nutrition & Chronic Intestinal Failure

Room: Meeting Room 3.2

Monday, September 15, 2025 / 08:00 - 09:30

Type: Special Interest Group

Topic: Special Interest Group

Description:

Notes:

ESPEN fellowship research grants

Room: Congress Hall

Monday, September 15, 2025 / 08:30 - 10:00

Type: Oral Programme

Topic: Scientific Session

Categories: Live Streamed

Obesity in children: a growing problem

Room: Forum Hall

Monday, September 15, 2025 / 08:30 - 10:00

Type: Oral Programme

Topic: Educational Session

Categories: Live Streamed

Oral Communications V: Targeted Nutrient Interventions: Mechanisms and Clinical Applications

Room: Panorama Hall

Monday, September 15, 2025 / 08:30 - 10:00

Type: Oral Presentation

Topic: Oral Communication

Categories: Live Streamed

Orosensory food perception in health and disease

Room: South Hall 3 A+B+C

Monday, September 15, 2025 / 08:30 - 10:00

Type: Oral Programme

Topic: Scientific Session
