

THURSDAY 19 OCTOBER 2017

07:00 - 08:00	Radiology and Radiation Oncology Committee and Special Interest Group Meetings			
08:30 - 18:30	Exhibition / ePosters / Webcasting			
08:30 - 10:00	Joint Plenary Session			
08:30 - 08:45	Welcome Address			
08:45 - 09:15	The Power of “Big Data”: A Digital Revolution in Clinical Radiology? - Declan O'Regan			
09:15 - 09:45	UICC and AJCC Perspectives to Evolution of Staging and Prognostic Classifications - Brian O'Sullivan			
09:45 - 10:00	Platinum Sponsor: Varian			
10:00 - 10:30	Morning Tea - Exhibition / ePosters / Webcasting			
10:30 – 12:30	RADIOLOGY			RADIATION ONCOLOGY
	Concurrent Session: Spinal Imaging	Concurrent Session: Chronic & Diffuse Liver Disease	Concurrent Session: Proffered Paper	Concurrent Session
Chair				
10:30 - 10:40	Case Based Review: Spine Imaging Prof Suresh Mukherji	Expert DDx: Diffuse Liver Disease Prof Michael Federle	Proffered Papers	SBRT for Lung Tumours (Central and Peripheral) Dr Joost Nuyttens
10:40 - 10:50				
10:50 - 11:00	Adolescent Back Pain Dr Peter Counsel	Update on Magnetic Resonance Elastography for Chronic Liver Disease Dr Richard Ehman		SBRT in Oligometastatic Disease Prof Umberto Ricardi
11:00 - 11:10				
11:10 - 11:20				
11:20 - 11:30				
11:30 - 11:40				
11:40 - 11:50	Spine Compression Fractures: When to Worry Prof Mark J Kransdorf	Focal lesions in the Cirrhotic Liver Prof Michael Federle		
11:50 - 12:00				
12:00 - 12:10				
12:10 - 12:20				
12:20 - 12:30				
12:30 - 13:30	Lunch – Exhibition / ePosters / Webcasting			
13:30 - 14:15	RANZCR Annual General Meeting Venue: Crown Ballroom			
14:15 – 15:00	RADIOLOGY			RADIATION ONCOLOGY
	Concurrent Session: Interventional Radiology	Concurrent Session: 3D Printing	Concurrent Session: Artificial Intelligence in Radiology	Concurrent Session
14:15 - 14:30	Role of Imaging in the Treatment of Liver Cancer: See, Reach and Assess Prof Jeff Geschwind	Proffered Papers	Overview of the Field of Machine Learning for Medical Imaging and Clinical Decision Support Dr Tanveer Syeda-Mahmood	Imaging in the Management of Lymphomas Prof Lena Specht
14:30 - 14:45				
14:45 - 15:00				
15:00 - 15:30	Afternoon Tea – Exhibition / ePosters / Webcasting			
15:00 – 17:00	RADIOLOGY			RADIATION ONCOLOGY
	Concurrent Session: Miscellaneous Head and Neck	Concurrent Session: Bowel & Mesentry	Concurrent Session: Proffered Papers	Concurrent Session
15:00 - 15:10	A Simplified Approach to the Spaces of the Head & Neck Prof Suresh Mukherji	Demystifying the Misty Mesentry Dr Narelle Vujcich	Proffered Papers	Radiation Oncology Faculty Forum
15:10 - 15:20				
15:20 - 15:30				
15:30 - 15:40	The Radiology of Dento-Alveolar Disease Dr Bernard Koong	Crohn’s Disease: What Not To Skip Dr Chris Welman		
15:40 - 15:50				
15:50 - 16:00				
16:00 - 16:10				

16:10 - 16:20	OPG – What do they want to know Dr Bernard Koong			
16:20 - 16:30		Expert DDx: Colon Prof Michael Federle		
16:30 - 16:40				
16:40 - 16:50				
16:50 - 17:00	Questions			
17:00 - 18:30	Welcome Reception Exhibition Area, Grand Ballroom			
19:00 - Late	Past Presidents Dinner (Invitation Only) Venue: The University Club Transport available to/from the venue		Faculty of Radiation Oncology Dinner Venue: Beaumonde on the Point Transport available to/from the venue	

FRIDAY 20 OCTOBER 2017							
07:00 - 08:00	Radiology and Radiation Oncology Committee and Special Interest Group Meetings						
08:15 - 18:00	Exhibition / ePosters / Webcasting						
08:15 - 10:00	RADIOLOGY				RADIATION ONCOLOGY		
	Branch of Origin Session				Concurrent Session Treatment Techniques)		
08:15 - 08:20	Branch of Origin Introduction				Challenging Cases in Sarcoma Prof Brian O’Sullivan	RADIATION ONCOLOGY TRAINEE LEARNING DAY	
08:20 - 08:31	ACT Branch						
08:31 - 08:42	NSW Branch						
08:42 - 08:53	NZ Branch						
08:53 - 09:04	QLD Branch				Proffered Papers		
09:04 - 09:15	SA Branch						
09:15 - 09:26	TAS Branch						
09:26 - 09:37	VIC Branch						
09:37 - 09:48	WA Branch						
09:48 - 10:00	Questions and close of session						
10:00 - 10:30	Morning Tea - Exhibition / ePosters / Webcasting						
10:30 - 12:30	RADIOLOGY				RADIATION ONCOLOGY		
	Concurrent Session: Proffered Papers	Concurrent Session: Emergency Radiology	Concurrent Session: Proffered Papers	RADIOLOGY TRAINEE LEARNING DAY	Varian Prize Session		
10:30 - 10:40	Proffered Papers	Point-of-care Ultrasound in Acute Medicine Dr James Rippey	Proffered Papers				
10:40 - 10:50		Emergency Radiology in Women Dr Emmeline Lee					
10:50 - 11:00							
11:00 - 11:10							
11:10 - 11:20							
11:20 - 11:30		ED PM CT in Trauma Dr Meredith Thomas					
11:30 - 11:40							
11:40 - 11:45		Facial Trauma Dr Sean Skea					
11:45 - 11:50							
11:50 - 12:00							
12:00 - 12:10		Abdominal Radiology: What to Expect at Night					
12:10 - 12:15		A/Prof Dinesh Varma					
12:15 - 12:20							

12:20 - 12:30						
12:30 - 13:30	Lunch – Exhibition / ePosters / Webcasting					
12:30 - 13:30	Baker Rouse Hare Lunch (Invitation Only)					
	RADIOLOGY				RADIATION ONCOLOGY	
	Concurrent Session: Venous and Related Intervention	Concurrent Session: Bone Tumors	Concurrent Session: Medicolegal forum	RADIOLOGY TRAINEE LEARNING DAY	Concurrent Session	RADIATION ONCOLOGY TRAINEE LEARNING DAY
13:30 - 13:40	Interventional Radiology Management of Iliofemoral DVT Dr Shaun Samuelson	Analysis of Bone Tumors – Fundamental Concepts Prof Mark J Kransdorf	MEDICOLEGAL FORUM Facilitated by: Dr Sanjay Jegananthan		SBRT for Pancreatic Cancer Dr Joost Nuyttens	
13:40 - 13:45						
13:45 - 13:50						
13:50 - 14:00						
14:00 - 14:10	Indications for IVC Filter Insertion Dr John Ferguson	The Many Faces of Osteosarcoma Prof Mark J Kransdorf			Proffered Papers	
14:10 - 14:15						
14:15 - 14:20						
14:20 - 14:30	What You Need to Know About the New Anticoagulants Dr Shaun Samuelson					
14:30 - 14:40						
14:40 - 14:50						
14:50 - 15:00						
15:00 - 15:30	Afternoon Tea – Exhibition / ePosters / Webcasting					
	RADIOLOGY				RADIATION ONCOLOGY	
15:30 – 17:00	Concurrent Session: Beyond Imaging	Concurrent Session: Musculoskeletal radiology	Concurrent Session: Interactive abdominal imaging	RADIOLOGY TRAINEE LEARNING DAY	Concurrent Session	RADIATION ONCOLOGY TRAINEE LEARNING DAY
15:30 - 15:40	Improving Ergonomics for Radiologists Wendy Pietrocola	MSK intervention: Tips and Pitfalls for the General Radiologist Dr Matt Prentice	Proffered Papers	Clinical Radiology Research Forum	Navigating the difficult path to change clinical practice in HPV-related oropharynx cancer or challenging cases in H&N Prof Brian O’Sullivan	
15:40 - 15:50						
15:50 - 16:00		Mentorship Dr Nicola Strickland	Groin Injuries in Athletes Dr Sam Cherian			
16:00 - 16:10						
16:10 - 16:20	Veterinary Radiology Dr Belinda Hopper	Incidental MSK Osseous Lesions: When to Worry Prof Mark J Kransdorf			Proffered Papers	
16:20 - 16:30						
16:30 - 16:40						
16:40 - 16:50						
16:50 - 17:00						
18:00 – 19:00	Annual Ceremony and Nisbet Oration Venue: Crown Ballroom					
19:00 – 21:30	Annual Ceremony Reception Venue: Crown Metropol Poolside					
21:00 – 24:00	Trainee and Junior Radiologists Reception Venue: The Laneway Lounge, Perth Transport available via coach to/from venue					

SATURDAY 21 OCTOBER 2017

06:00 – 07:30	Targeting Cancer Fun Run/Walk <i>Sponsored by GenesisCare</i>							
07:00 - 08:00	Radiology and Radiation Oncology Committee and Special Interest Group Meetings							
08:00 - 17:30	Exhibition / ePosters / Webcasting							
08:00 - 10:00	RADIOLOGY			MEDICAL EDUCATION/RESEARCH	RADIATION ONCOLOGY			
	Concurrent Session: MSK – Young and Old	Concurrent Session: Peri-Operative Imaging	Concurrent Session: Proffered Papers		Concurrent Session			
08:00 - 08:10	<i>The Paediatric Elbow</i> Dr Kieran Frawley	<i>Post-operative Abdomen Imaging</i> Dr Martin Marshall	Proffered Papers		<i>Management of Localised Extranodal Lymphoma - Issues in a Heterogeneous Group of Diseases</i> Dr Lena Specht			
08:10 - 08:20								
08:20 - 08:30								
08:30 - 08:40	<i>Finger Injuries – What the Surgeon Wants to Know</i> Dr Bill Breidahl	<i>Muscle Flaps for Breast Reconstruction and the Value of CT Angiography</i> Dr Anna Goodwin-Walters			Proffered Papers			
08:40 - 08:50								
08:50 - 09:00	<i>Hip Evolution to Degeneration</i> Dr Kieran Frawley	<i>My Liver Transplant is in Trouble, What Should I do Doc?</i> Dr John Ferguson						
09:00 - 09:10								
09:10 - 09:20								
09:20 - 09:30	<i>Athroplasty Complications – What the Radiologists Needs to Know</i> Dr Rob Nairn	<i>Bariatric Surgery</i> Prof Michael Federle						
09:30 - 09:40								
09:40 - 09:50								
09:50 - 10:00								
10:00 - 10:30	Morning Tea – Exhibition / ePosters / Webcasting							
10:30 - 12:30	RADIOLOGY				MEDICAL EDUCATION/RESEARCH	RADIATION ONCOLOGY		
	Concurrent Session: Intervention in Primary Liver Carcinoma	Concurrent Session: Pancreas	Concurrent Session: Proffered Papers		Concurrent Session: FROGG			
10:30 - 10:40	<i>Management of Primary Liver Cancer</i> Prof Jeff Geschwind	<i>Expert DDX: Cystic Pancreatic Lesions</i> Prof Michael Federle	Proffered Papers					
10:40 - 10:50								
10:50 - 11:00								
11:00 - 11:10								
11:10 - 11:20	<i>Y-90 Resin Microspheres in the Treatment of HCC: Improving Quality of Survival</i> A/Prof Lourens Bester	<i>Ig64 Disease from head-to-toe</i> Dr Tom Sutherland						
11:20 - 11:30								
11:30 - 11:40								
11:40 - 11:50	<i>TACE for Patients with Primary Liver Cancer</i> Prof Jeff Geschwind	<i>Endoscopic Ultrasound of the Pancreas</i> Dr Ian Yusoff						
11:50 - 12:00								
12:00 - 12:10		<i>Current Trends in Imaging of Pancreatitis</i> Dr Nicola Strickland						
12:10 - 12:20								
12:20 - 12:30								
11:00 - 12:00	Exhibitor De-Brief Meeting							
12:30 - 13:30	Afternoon Tea – Exhibition / ePosters / Webcasting							

12:30 - 14:00	Presidential Lunch (Invitational Only)				
13:30 - 15:00	RADIOLOGY			MEDICAL EDUCATION/RESEARCH	RADIATION ONCOLOGY
	Concurrent Session: Advances in interventional Oncology	Concurrent Session: Emergency Radiology	Concurrent Session: Proffered Papers		Concurrent Session
Chair					
13:30 - 13:40	Molecular Interventional Oncology Prof Jeff Geschwind	Recent Advances in the Imaging of Diffuse Axonal Injury A/Prof Dinesh Varma	Proffered Papers		International consensus guidelines for the delineation of primary head and neck tumour CTVs Prof Vincente Gregoire
13:40 - 13:50					
13:50 - 14:00					
14:00 - 14:10	Vascular Injury at Root of Neck and Management Dr Gerard Goh	Proffered Papers			
14:10 - 14:20					Radial Artery Access for Interventional Procedures Dr Glen Schlaphoff
14:20 - 14:30	Emergency Head and Neck Radiology: What to Expect at Night Prof Suresh Mukherji				
14:30 - 14:40					Prostate Artery Embolisation – What the General Radiologist Should Know Dr Nick Brown
14:40 - 14:50					
14:50 - 15:00					
15:00 - 15:30	Afternoon Tea – Exhibition / ePosters / Webcasting				
15:30 - 17:00	RADIOLOGY			MEDICAL EDUCATION/RESEARCH	RADIATION ONCOLOGY
	Concurrent Session				Concurrent Session
	Clinical Radiology Faculty Forum				Proffered Papers
19:00 – Late	RANZCR Annual Gala Dinner Venue: Crown Ballroom				

SUNDAY 22 OCTOBER 2017						
	Radiology and Radiation Oncology Committee and Special Interest Group Meetings					
08:30 - 12:30	Exhibition / ePosters / Webcasting					
08:30 - 10:00	RADIOLOGY			RADIATION ONCOLOGY		
	Concurrent Session: Soft Tissue Imaging, Diagnosis and Treatment	Concurrent Session: Head and Neck	Concurrent Session:	Palliative Session	Concurrent Session	
Chair						
08:30 - 08:40	Imaging Evaluation of Soft Tissue Tumors: A Systematic Approach Prof Mark J Kransdorf	Why Thyroid Surgeons are Frustrated with Radiologists - Lessons Learnt Dr Daren Gibson	Role of Y90 Radioembolisation for Colorectal Liver Metastases Prof Jeff Geschwind	Nasopharyngeal Cancer Dr Chun Key Law	New radiation approaches in the management of breast cancer: hypofractionation, partial breast irradiation and proton beam therapy Prof Bruce Haffty	
08:40 - 08:50						
08:50 - 09:00		Imaging of the TMJ Dr Richard Bessell-Browne				
09:00 - 09:10						
09:10 - 09:20	Musculoskeletal Biopsies – What the Radiologists Should Know	Common Pathology of the Sinuses: The Basics	Post Interventional (SIRT/TACE/PVE/MWA) Imaging of the Liver	National Speaker		Proffered Papers
09:20 - 09:30						

09:30 - 09:40	Prof Richard Carey Smith	Prof Suresh Mukherji	Dr Jonathan Tibballs	Proffered Papers	
09:40 - 09:50	Ultrasound Guided Removal of Soft Tissue		Mebrofenin Liver Volumetry & Nuclear Medicine		
09:50 - 10:00	Foreign Bodies Dr Ed Walton		Work-Up in Liver Disease Dr Bill McDonald		
10:00 - 10:30	Morning Tea – Exhibition / ePosters / Webcasting				
10:30 - 12:30	RADIOLOGY			RADIATION ONCOLOGY	
	Concurrent Session: Women’s Imaging	Concurrent Session: Head and Neck Tumor Imaging and Treatment	Concurrent Session: Genito-Urinary Radiology	Concurrent Session	Concurrent Session
Chair					
10:30 - 10:40	MRI of Appendicitis in the Pregnant Female	Resectability Issues Dr Rob Wormwald	Prostate MRI Prof Bernd Hamm	Molecular and Genetic Factors in the Management of Breast Cancer Prof Bruce Haffty	SBRT for Liver Mets and Pancreatic Tumors Dr Joost Nuyttens
10:40 - 10:50	Dr William Bugg				
10:50 - 11:00	Invasive Placentation Dr Glen Lo	Recent AJCC Changes and Implications for Planning of H&N Cancer Treatment Dr Melanie Jackson	Approach to the Focal Testicular Lesion Dr Martin Marshall	Tumor Board	
11:00 - 11:10					
11:10 - 11:20	Ovarian Lesions – Benign or Malignant? Dr Emmeline Lee	Current Treatment of H&N Melanoma Dr Adnan Khattak			
11:20 - 11:30					
11:30 - 11:40					
11:40 - 11:50					
11:50 - 12:00		Post Treatment of Imaging of the Primary Site and Neck	Renal Mass Lesions Dr Basil Sclanders		
12:00 - 12:10	Women’s Imaging Quiz Dr Laura Fender Dr Emmeline Lee Dr Glen Lo	Prof Suresh Mukherji	Urachal Pathology Dr Martin Marshall		
12:10 - 12:20					
12:20 - 12:30					
12:30	Meeting Close
