Cancer Survivorship: Fundamentals for Primary Care

Memorial Sloan Kettering
Cancer Center

Overview

More and more, cancer survivors are being cared for by non-oncology providers. Understanding potential toxicities related to chemotherapy, radiation, immunotherapy and hormone therapy is essential in providing comprehensive care for all stages of survivorship.

During this one-day symposium on caring for cancer survivors in the primary care setting, attendees will hear speakers from **cardiology, endocrinology, integrative medicine, behavioral health, nursing, medicine, and clinical genetics.**

The symposium will address the entire spectrum of cancer survivorship care: monitoring and management of late- and long-term effects ranging from cardiotoxicity to cognitive changes, screening for other malignancies, and promotion of healthy lifestyles.

TARGET AUDIENCE

This course is intended for primary care providers who are interested in learning more about how to care for cancer survivors.

EDUCATIONAL OBJECTIVES

- Demonstrate knowledge of treatment-related toxicities for the most common cancers.
- Show facility with existing guidelines and principles for caring for survivors.
- Understand more detailed recommendations and findings from recent research in heritable causes of cancer and immunotherapy

Live simulcast available to Miami Cancer Institute employees only. CME and ABIM MOC credit is offered for the live simulcast and active participation is required throughout the course. Registration for the simulcast is required; to register, please use your Miami Cancer Institute email address during course registration.

Schedule

FRIDAY, NOVEMBER 15

8:30 AM	Registration and Breakfast
9:00 AM	Introduction and Welcome Stacie Corcoran MS, RN Late Treatment Effects
9:05 AM	Cardiac Toxicity Wendy L. Schaffer, MD, PhD
9:35 AM	Late Endocrine Effects: Bone Health Azeez Farooki, MD
10:05 AM	Fatigue Jun J. Mao, MD
10:35 AM	Break
10:50 AM	Cognitive Changes Tim A. Ahles, PhD
11:20 AM	Psychosocial Sequelae Wendy L. Schaffer, MD, PhD
11:50 AM	Panel Discussion
12:20 PM	Lunch
1:20 PM	Caring for Survivors Principals of Cancer Survivorship Nirupa J. Raghunathan, MD
1:50 PM	Managing Breast Cancer Survivorship Megan Dunne, NP
2:20 PM	Guidelines for Prostate Cancer Survivorship Peggy Lynch, NP
2:50 PM	Break
3:05 PM	Health Promotion Eating Well After Cancer Emily S. Tonorezos, MD, MPH
3:35 PM	Exercise for Survivors Lee Jones, PhD
4:05 PM	New Frontiers After Immunotherapy Deborah Korenstein, MD
4:35 PM	Genetic Considerations Alicia Latham, MD
5:05 PM	Adjourn

Accreditation

Memorial Sloan Kettering Cancer Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA CREDIT DESIGNATION STATEMENT

Memorial Sloan Kettering Cancer Center designates this live activity for a maximum of **6.00 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ABIM MOC RECOGNITION STATEMENT

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **6.00 Medical Knowledge MOC points** in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

FACULTY DISCLOSURE

It is the policy of MSK to make every effort to insure balance, independence, objectivity, and scientific rigor in all continuing medical education activities which it provides as an ACCME accredited provider. In accordance with ACCME guidelines and standards, all faculty participating in an activity provided by MSK are expected to disclose any significant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services which are discussed by the faculty members in an educational presentation. As required by the ACCME, when an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, MSK requires the speaker to disclose that the product is not labeled for the use under discussion or that the product is still investigational.

Registration

REGISTRATION FEES	EARLY*	GENERAL
Physicians (MDs, PhDs & DOs)	\$225	\$250
Advanced Practice Providers	\$175	\$200
Residents, Fellows, Nurses & Other Healthcare Providers	\$150	\$175
Industry Professionals**	\$400	\$425
Live Simulcast (Miami Cancer Institute Only)	n/a	\$250

REGISTER ONLINE:

mskcc.org/SurvivorshipCourse

Course registration includes continental breakfast, lunch, and refreshment breaks. Please contact cme@mskcc.org at least one week prior to the course if you have any special dietary requests or require any specific accommodations.

- MSK CME offers a **discounted rate for MSK Alumni, MSK Cancer Alliance and Cancer Care Partners**. If you are a member of one of these groups, please contact cme@mskcc.org for more information.
- **MSK employee registration is complimentary**. However, you must complete course registration in order to attend this course.

Early rates valid through September 20, 2019.

****Industry professionals** may attend MSK CME activities for their own education. Marketing, sales, and promotion of products and services is strictly prohibited at MSK CME activities.

LOCATION & ACCOMMODATIONS

**Memorial Sloan Kettering Cancer Center
Zuckerman Research Center**

417 East 68th Street
New York, NY

MSK has negotiated special rates and amenities at select hotels in Manhattan. For information on hotels in the vicinity of MSK with discounted rates, visit: mskcc.org/cme
