

SCIENTIFIC PROGRAMME

Last updated 27/05/2019

Monday, 2 March 2020

Opening Remarks

13:30 – 14:30

L. Costa (ASPIC), L. Coussens (AACR) and C. Caldas (EACR)

Auditorium 1

Keynote Lecture

Chair: L. Coussens (USA)

13:45

Title to be announced

Speaker: Doug Hanahan (Switzerland)

14:30 – 15:00

Coffee Break / Exhibition / Poster Viewing

Pavilion 4 & 5

Symposium: Single cell analysis of the TME

15:00 – 16:35

Chair: to be announced

Auditorium 1

15:00

Title to be announced

Speaker: I. Amit (Israel)

15:25

Abstract Title - TBC

Presenter: to be announced – selection from submitted abstracts

15:35

Title to be announced

Speaker: B. Becher (Switzerland)

16:00

Abstract Title - TBC

Presenter: to be announced – selection from submitted abstracts

16:10

Dissecting the tumor immune microenvironment by multiplexed imaging

Speaker: L. Yankielowicz-Keren (USA)

Symposium: 2D and 3D analysis/imaging of the TME

16:35 – 18:10

Chair: to be announced

Auditorium 1

16:35

Title to be announced

Speaker: E. Sahai (United Kingdom)

17:00 **Abstract Title - TBC**
Presenter: to be announced – selection from submitted abstracts

17:10 **In vivo imaging reveals the importance of niche-dependent and independent cancer cell plasticity for metastasis in colorectal cancer**
Speaker: J. van Rheenen (the Netherlands)

17:35 **Abstract Title - TBC**
Presenter: to be announced – selection from submitted abstracts

17:45 **Revealing the vascular microenvironment in breast cancer using photoacoustic imaging**
Speaker: S. Bohndiek (UK)

18:15 – 19:30

Welcome Reception

Pavilion 4 & 5

Tuesday, 3 March 2020

Meet the Expert Session 1

08:00 – 08:30

Auditorium 1

08:00

Title to be announced

Speaker: L. Coussens (USA)

Meet the Expert Session 2

08:30 – 09:00

Auditorium 1

08:30

Title to be announced

Speaker: J. Joyce (Switzerland)

Keynote Lecture

09:00 – 10:00

Auditorium 1

Chair: L. Costa (Portugal)

09:00

Innate immunity, inflammation and cancer: double edged swords

Speaker: A. Mantovani (Italy)

10:00 – 10:30

Coffee Break / Poster Viewing / Exhibition

Pavilion 4 & 5

Symposium: Inflammation, Cancer Immunity and TME

10:30 – 12:05

Auditorium 1

Chair: to be announced

10:30

Macrophage control of anti-tumor immunity

Speaker: J. Varner (USA)

10:55

Abstract Title - TBC

Presenter: to be announced – selection from submitted abstracts

11:05

Neutrophil extracellular traps produced during inflammation promotes metastasis

Speaker: M. Egeblad (USA)

11:30

Abstract Title - TBC

Presenter: to be announced – selection from submitted abstracts

11:40

Title to be announced

Speaker to be confirmed

12:00-12:30

Lunch / Poster Viewing / Exhibition

Pavilion 4 & 5

Industry Sponsored Lunch Symposium

13:00 - 14:00

Auditorium 1

Symposium: Metastases and the TME

14:00 – 15:35

Auditorium 1

Chair: to be announced

14:00

Title to be announced

Speaker: I. Malanchi (United Kingdom)

14:25	Abstract Title - TBC <i>Presenter: to be announced – selection from submitted abstracts</i>	
14:35	Title to be announced <i>Speaker: K. de Visser (the Netherlands)</i>	
15:00	Abstract Title - TBC <i>Presenter: to be announced – selection from submitted abstracts</i>	
15:10	Age-related changes in the stromal compartment drive tumor progression <i>Speaker: S. Stewart (USA)</i>	
15:30 – 16:00	Coffee Break / Poster Viewing / Exhibition	Pavilion 4 & 5
15:45 – 16:00 5	Posters in the Spotlight	Pavilion
16:00 – 17:00	Poster Defence	Pavilion 4 & 5
Symposium: Vascular (Hematogenous & Lymphatic) Biology in the Primary and Metastatic TME		
17:00 – 18:35		Auditorium 1
<i>Chair: to be announced</i>		
17:00	Vascular and perivascular regulation of disseminated tumor cell quiescence in brain <i>Speaker: C. Ghajar (USA)</i>	
17:25	Abstract Title - TBC <i>Presenter: to be announced – selection from submitted abstracts</i>	
17:35	Lymphatic Vessels as Anatomical Immune Checkpoints in Melanoma <i>Speaker: A. Lund (USA)</i>	
18:00	Abstract Title - TBC <i>Presenter: to be announced – selection from submitted abstracts</i>	
18:10	Intravascular forces in tumor metastasis <i>Speaker: J. Goetz (France)</i>	
Industry Sponsored Symposium		
18:45 - 19:45		Auditorium 1

Wednesday, 4 March 2020

Meet the Expert Session 3

08:00 – 08:30

Auditorium 1

08:00

Title to be announced

Speaker: A. Bardelli (Italy)

Meet the Expert Session 4

08:30 – 09:00

Auditorium 1

08:30

Title to be announced

Speaker: TBC

Symposium: TME Dynamics and Cancer Therapy Sensitivity / Resistance

09:00 – 10:35

Auditorium 1

Chair: to be announced

09:00

TME dynamics in breast cancer during neo-adjuvant chemotherapy

Speaker: C. Caldas (United Kingdom)

09:25

Abstract Title - TBC

Presenter: to be announced – selection from submitted abstracts

09:35

Title to be announced

Speaker: E. Parkes (United Kingdom)

10:00

Abstract Title - TBC

Presenter: to be announced – selection from submitted abstracts

10:10

Stromal dynamic plasticity drives an inflammatory microenvironment in breast cancer metastasis

Speaker: N. Erez (Israel)

10:30 – 11:00

Coffee Break & Poster Viewing

Auditorium 1

Symposium: Lipids, Cancer Metabolism and TME

11:00 – 12:35

Auditorium 1

Chair: to be announced

11:00

Title to be announced

Speaker: G.M. Delgoffe (USA)

11:25

Abstract Title - TBC

Presenter: to be announced – selection from submitted abstracts

11:35

Title to be announced

Speaker: G. Rabinovich (Argentina)

12:00

Abstract Title - TBC

Presenter: to be announced – selection from submitted abstracts

12:10

Metabolic Transitions in the Hypoxic Tumor Microenvironment

Speaker: C. Simon (USA)

12:30-14:00

Lunch / Poster Viewing / Exhibition

Auditorium 1

Industry Sponsored Lunch Symposium

13:00 - 14:00

Auditorium 1

Closing Keynote & Closing Remarks (incl. Awards)

Auditorium 1

14:00 – 15:00

Chair: C. Caldas (United Kingdom)

The immunological secrets of our guts to help the host against cancer

Speaker: L. Zitvogel (France)
