

Preliminary Program: TSANZ ASM 7-9 May 2017

Sunday 7th May		
1500-1510	Official Opening: <i>TSANZ President</i>	<i>Prof Steven Chadban</i>
1510-1540	Plenary 1: Antibodies and rejection <i>Chairs: Lori West and Toby Coates?</i>	
30 mins	Donor specific antibodies	<i>Christophe Legendre</i>
1545-1645 60 mins	Free Communications 1 (concurrent sessions x 3) 1. Immunobiology: DC, NK cell and other 2. Transplant Complications 3. Organ donation and ethics	
1645-1700	Afternoon Tea	
1700-1800 2 x 30 mins	Ian McKenzie Award and Josette Eris Lectures <i>Chairs: TSANZ President, Prof Steven Chadban</i> 1. Lori West 2. Ian McKenzie Award recipient	
1800-1900	Welcome Reception	
Monday 8th May		
0630-0730	Fun run	
0730-0800	Coffee with sponsors	
0800-0925	Plenary 2: Joint TSANZ /OTA/ATCA Session <i>Chairs:</i>	
30 mins	ABOi heart transplantation	<i>Lori West</i>
20 mins	Angiotensin receptor antibodies in renal transplantation	<i>Robert Carroll</i>
20 mins	OTA session	<i>Helen Opdam</i>
15 mins	ATCA rotation data	<i>Alison Hodak</i>
0930-1030 60mins	Free Communications 2 (concurrent sessions x 3) 1. Sensitisation, antibodies and ABO incompatible transplantation 2. Outcome measures 3. Cells (including islets) and xenotransplantation	
1030-1130	Morning Tea + Poster session	

1130-1245	Plenary 3 Transplant Infectious Diseases <i>Chairs: TBC</i>	
30 mins 20 mins 20 min	HIV-positive transplant programme T cell therapy for viral infections Hepatitis C	<i>Elmi Muller Rick O'Reilly Simone Strasser</i>
1245-1330	Lunch	
1330-1530	President's Prize Symposium <i>Chairs: Prof Steven Chadban and Prof. Stephen Alexander</i> - 4 x basic science - 4 x clinical	
1530-1545	Afternoon Tea and Posters	
1545-1645	Free Communications 3 (concurrent sessions x 3) 1. Immunobiology: tolerance and Tregs 2. Transplant Complications 2 3. Tissues/ ischaemia reperfusion injury and microbiota, innate immunity & metabolism	
1645-1745	Annual General Meeting	
1900-2300	TSANZ Annual Dinner – Brisbane City Hall	
Tuesday 9th May		
0730-0800	Coffee with Sponsors	
0800-0920	Plenary 4: Achieving Tolerance after transplant <i>Chairs: TBC</i>	
30 mins 25 mins 25 min	Tregs – development and function Treg in solid organ transplantation Treg/Tr1 in GVHD	<i>Shimon Sakaguchi Steve Alexander Geoff Hill</i>
0930-1030	Concurrent Session 1a: Skin Cancer after transplantation <i>Chairs: Dr Nikky Isbel</i>	
20 mins 20 mins 20 mins	Epidemiology of skin cancers in solid organ recipients Basic science of immunosuppression + cancer Skin cancer in transplant recipients - clinical	<i><u>Elsemieke Plasmeijer</u> Ian Frazer TBC</i>
0930-1030	Concurrent Session 1b: Transplant infectious disease <i>Chairs: TBC</i>	
20 mins 20 mins 20 mins	Respiratory virus infection Multi-resistant bacteria HIV positive transplant recipients	<i>Mike Isson (Chicago) Lindsay Grayson (VIC) David Gracey (NSW)</i>
1030-1100	Morning Tea	

1100-1230	Concurrent Session 2a: Transplantation surgical session <i>Chairs: TBC Wayne Hawthorne / Christine Russell</i>	
20 mins	Obese donors / recipients	<i>Brendan Ryan TBC</i>
20 mins	Transplantation in the developing world	<i>Elmi Muller</i>
20 mins	Right vs. Left live donor kidney outcomes	<i>Richard Allen TBC</i>
20 mins	Robotic kidney transplantation	<i>Howard Lau TBC</i>
1100-1230	Concurrent Session 2b: What is new in organ transplantation? <i>Chairs: Peter Hopkins Bronwyn Levey</i>	
20 mins	Heart transplantation	<i>Scott McKenzie</i>
20 mins	Liver transplantation	<i>Katherine Stuart</i>
20 mins	Kidney and Pancreas	<i>Phil O'Connell</i>
20 mins	Lung transplantation	<i>TBC</i>
1230-1330	Lunch	
1330-1500	Plenary 5: Immunotherapy in Transplantation <i>Chairs: Geoff Hill and David Gottlieb?</i>	
30 mins	Immunotherapy in HSCT	<i>Bruce Blazar</i>
30 mins	Kinase Inhibitors, the future of immune suppression?	<i>Rob Zeiser</i>
30 mins	Bruton's Kinase inhibition in chronic GVHD	<i>Jason Dubovsky</i>
1500-1515	Afternoon Tea	
1515-1600	The Great Debate: Organ donors – bugs don't matter? <i>Moderator: Steve Chadban</i> Pro team: Con team:	
1600	ASM Concludes
