

EUROPEAN UNION (EU) PRESIDENCY EVENT

European Alliance for Personalised Medicine Congress

Personalising Your Health: A Global Imperative!

27 November 2017

10:00 – 10:30	Press Conference
10.30 – 11.15	Opening of EAPM Congress Co-Chair: Denis Horgan <i>Executive Director, European Alliance for Personalised Medicine (EAPM) Brussels, Belgium</i> Welcome: David Byrne <i>Former European Commissioner for Health and Consumer Protection and Co-Chair EAPM, Brussels, Belgium</i> Mark Lawler <i>Chair in Translational Cancer Genomics, Queen's University Belfast, UK</i> Kersti Kaljulaid <i>President of Estonia (TBC)</i> Simon Harris <i>Minister of Health, Republic of Ireland (TBC)</i> Lydia Mutsch <i>Minister of Health, Luxembourg (TBC)</i> <i>Minister of Health, Northern Ireland (TBC)</i>
11.15 – 13:00	Opening Plenary Presidential Session: Round Table “Growth in Personalised Healthcare – The promise for future generations” Co-Chair: Gordon McVie <i>Co-Chair EAPM, Brussels, Belgium</i> Patrick Johnston <i>Vice Chancellor, Queen's University Belfast, UK</i> Mary Baker <i>Former President European Brain Council, Brussels, Belgium</i> Sir John Bell <i>Regius Professor of Medicine, Oxford University, and Chairman of the Office for the Strategic Coordination of Health Research, UK (TBC)</i> Desmond Schatz <i>President, American Diabetes Association and Associate Chair of Pediatrics, University of Florida, Gainesville, USA</i> Carlos Moedas <i>Commissioner, DG Research, Science and Innovation, Brussels, Belgium (TBC)</i> Industry Speakers to be confirmed

13.00 - 13:45	Lunch and Networking				
13.45- 15.30	Parallel Sessions				
	Centre for Cancer Research and Cell Biology 10 Year Anniversary Symposium	The Value of Sustainable Healthcare	European Hematology Association Session – Personalising treatment of blood diseases – Taking advantage of the leukemia/lymphoma genome	Capturing the Global Picture in Precision Medicine	A Tale of Two Cities: a whole system approach to personalised medicine and health
	Chair: David Waugh <i>Director, Centre for Cancer Research and Cell Biology, Belfast, UK</i>	Chair: Denis Horgan <i>Executive Director, European Alliance for Personalised Medicine</i>	Chair: Ulrich Jäger <i>Professor of Hematology, Medical University of Vienna, Austria</i>	Chair: Richard Barker <i>Center for the Advancement of Sustainable Medical Innovation (CASMI), Oxford/University College London, UK</i> Co-Chair: Mark Lawler <i>Centre for Cancer Research and Cell Biology, Queen's University Belfast, UK</i>	Chair: Gianni D'Errico <i>European Funding Officer, Regional Foundation for the Biomedical Research, Lombardy, Milan, Italy</i> Co-Chair: Michael Paul Messenger <i>Principal Healthcare Scientist, Leeds Institute of Cancer & Pathology, Leeds, UK</i>
	Owen Sansom <i>Deputy Director, Cancer Research UK Beatson Institute, Glasgow, UK</i> Speakers to be confirmed	Kaisa Immonen <i>Director of Policy, European Patient Forum, Brussels, Belgium</i> Maarten IJzerman <i>Chair Department of Health Technology & Services Research, University of Twente, Netherlands</i> Torsten Haferlach <i>CEO, Munich Leukemia Laboratory, Munich, Germany</i> Jesus Rueda <i>Director Regulatory Affairs, MedTech Europe</i>	"Personalisation in hematology" Ulrich Jäger <i>Professor of Hematology, Medical University of Vienna, Austria</i> "The hematology research roadmap" Christine Chomienne <i>Institut National du Cancer, Paris France</i> The HARMONY project Speaker to be confirmed Magda Chlebus <i>Director Science Policy, EFPIA. Brussels, Belgium (TBC)</i>	Vineet Datta <i>Executive Director, Datar Genetics Limited, New Delhi, India</i> Speakers to be confirmed	"PPM+The Leeds Care Record: Big Data supporting PM" Geoff Hall <i>Chief Clinical Information Officer, Leeds Teaching Hospital NHS Trust, Leeds, UK (TBC)</i> "Early Health Economic Modelling – developing the evidence of value" Bethany Shinkins <i>Test Evaluation Group Lead, University of Leeds, Leeds, UK (TBC)</i> "Overview of the management of people affected by chronic disease" Paolo Mocarelli <i>Scientific Director of "don Gnocchi Foundation", Milan, Italy (TBC)</i> "Prevention of Chronic diseases and benefits for the healthcare systems" Sergio Abrignani <i>Scientific Director Istituto Nazionale di Genetica Molecolare, Milano, Italy (TBC)</i>

	Elise Melon <i>Director Property Policy, European Federation of Pharmaceutical Industries and Associations (EFPIA) Brussels, Belgium (TBC)</i>	"Access to Innovative Medicines" Anton Hagenbeek <i>University of Amsterdam - Academic Medical Centre, The Netherlands</i>		"Public Consultation on PM in Lombardy Regions – Overviews and scientific, industrial and policy outcomes" Luca del Gobbo <i>Regional Ministry University, Research and Open Innovation, Milan, Italy</i> "Accelerating PM and Health – a whole system approach" Michael Paul Messenger <i>Principal Healthcare Scientist, Leeds Institute of Cancer & Pathology, Leeds, UK</i>
--	---	---	--	---

Presidential Session – Shaping Future Healthcare and the One Health Agenda I

Co-Chair: Alastair Kent

Director, Genetic Alliance, UK

Co-Chair Virginia Acha

Executive Director, Research, Medical and Innovation, Association of the British Pharmaceutical Industry (ABPI), UK

Sue Hill, OBE

Chief Scientific Officer, NHS England, UK

Mark Caulfield

Chief Scientist, Genomics England, Cambridge, UK

Ian Young

Chief Scientific Advisor, Department of Health, Social Services and Public Safety, Belfast, Northern Ireland

Denis Lacombe

Director General, European Organisation for Research and Treatment of Cancer, Brussels, Belgium

15.30 – 17.00

17.00 – 17:15

Coffee, Posters and Networking

Presidential Session – Shaping Future Healthcare and the One Health Agenda II

Chair: Peter Høngaard Anderson

Innovation Fund, Denmark

Atul Gawande

Professor of Health Policy and Management, Harvard T.H. Chan School of Public Health, Boston, USA

Richard Barker, OBE

Center for the Advancement of Sustainable Medical Innovation (CASMI), University of Oxford/University College London, UK

Koen Kas

Professor of Biochemistry, University of Gent, Belgium

17.15 – 19.00

19.00- 20.00	Special lecture Alexander Eggermont <i>Director General, Institute Gustave Roussy, Paris, France</i>
20:30 – 22:00	Welcome Reception, Belfast City Hall (hosted by Lord Mayor) Mike Thompson <i>Chief Executive Officer, Association of British Pharmaceutical Industries, UK</i> Kersti Kaljulaid <i>President, Estonia (TBC)</i>

28 November 2017

07:30 – 08:15	Highlights of the Day and Press Briefing				
07:30 – 08:30	Meet the Policy Maker	Meet the Professor	Meet the Professor/ Business Leader	Meet the Patent Advocate	Meet the Professor/ Business Leader
08:30 – 10:00	Presidential Session: Big Data Saves Lives Co-Chair: Mark Lawler <i>Chair in Translational Cancer Genomics, Queen's University Belfast, UK and Co-Chair Clinical Cancer Genome Task Team, Global Alliance for Genomics and Health (GA4GH)</i> Co-Chair: Julie Wilson <i>Associate Director, Wellcome Trust Sanger Centre Cambridge UK and Global Alliance for Genomics and Health (GA4GH)</i> Ewan Birney <i>Director European Bioinformatics Institute, Cambridge UK and Chair Global Alliance for Genomics and Health</i> Andrew Morris <i>Director Health Data Research UK</i> Mene Pangalos <i>Executive Vice President Innovative Medicines and Early Development Biotech Unit, AstraZeneca Cambridge, UK (TBC)</i> Margaret Grayson <i>Chair Northern Ireland Cancer Research Consumer Forum, Belfast, UK</i> Ain Aaviksoo <i>Deputy Secretary General for E-services and Innovation, Ministry of Social Affairs, Estonia</i> Ernst Hafen <i>Institute of Molecular Systems Biology, ETH Zurich, Switzerland</i>				
10:00 – 10:30	Coffee, Posters and Networking				
10:00 – 10:30	Speed Networking				
	Meet the Cancer Patient	Meet the Diabetes Patient	Meet the Patient (Brain Diseases)	Meet the Patient with co-morbidities	Meet the Rare Disease Patient

10:30 – 12:15	Parallel Sessions				
	Digital Personalised Health in the 21st Century: Portables, Wearables, Implantables and Digestables	Ulster University Session on Precision Medicine in Multi-morbid Inflammatory Disease	Centre for Experimental Medicine (CEM) Queen's University Belfast Special Session: Eyes do not lie – you are what you can see! Options for personalised medicine in eye diseases	European Bioinformatics Institute-Global Alliance for Genomics and Health (GA4GH) Special Session Empowering personalised health through data sharing	Converting Hospitals to a Personalised Health Agenda
Speakers to be confirmed	Chair: Tony Bjourson <i>Director, Northern Ireland Centre for Stratified Medicine, Biomedical Sciences Research Institute, Ulster University, Derry, UK</i>	Chair: Tunde Peto <i>Centre for Experimental Medicine, Queen's University Belfast, UK</i>	Chair: Serena Scollen <i>Head of Human Genomics and Translational Data, Elixir, Cambridge, UK</i>	Chair: Pascal Garel <i>Chief Executive, Hospital and Healthcare Federation (HOPE), Brussels, Belgium</i>	
	"Stratified Medicine in Proinflammatory Multi-morbid Disease" Tony Bjourson <i>Director, Northern Ireland Centre for Stratified Medicine, Biomedical Sciences Research Institute, Ulster University, Derry, UK</i>	"Pharmacogenetics and the individual patient: the industry perspective" Everson Nogoceke <i>Biomarker Experimental Medicine Leader, Roche Pharma Research & Early Development, Roche, Basel, Switzerland</i>	Julie Wilson <i>Associate Director, Wellcome Trust Sanger Centre, Cambridge, UK; Clinical Working Group, Global Alliance for Genomics and Health (GA4GH)</i>	Regional Level Eva Weinreich-Jensen <i>Vice-President, HOPE & Senior Advisor, Danish Regions, Denmark</i>	
	"A Gut Feeling about Mental Health: Precision Medicine and the Microbiome" John F. Cryan <i>Chair, Department of Anatomy and Neuroscience, Principal Investigator APC Microbiome Institute, University College Cork, Ireland</i>	"Precision Ophthalmology: Lessons from age related macular disease" Carel Hoyng <i>Professor of Ophthalmology, Radboud University Nijmegen Medical Centre, Nijmegen, The Netherlands</i>	Serena Scollen <i>Head of Human Genomics and Translational Data, Elixir, Cambridge, UK</i>	Speaker to be confirmed	
	"Personalised Medicine approaches to immunological mechanism and treatment for major psychiatric disorders" Golam Khandaker <i>Wellcome Trust Intermediate Clinical Fellow, Department of Psychiatry, University of Cambridge, UK</i>	"The myopia epidemic: can we individualise the message?" Caroline Klaver <i>Professor of Ophthalmology at Erasmus MC & Radboud UMC The Netherlands</i>	Thomas Keane <i>Team Leader: EGA, EVA and archive infrastructure EMBL-EBI</i>	"From Carpet Bombing to Sniper Fire: Genomics to Precision Cancer Care in Children and Adolescents" Owen Smith CBE <i>Professor of Paediatric and Adolescent Medicine, University College Dublin and Director, Clinical Academic Directorate for Cancer Care , Ireland East Hospital Group Ireland</i>	

			“Micronutrients and age related eye disease: from diet through drugs to prevention of blindness” Imre Lengyel <i>Centre for Experimental Medicine, Queen’s University Belfast, UK</i> “Curing diabetic eye disease? - from the bench to treating patients as individuals” Alan Stitt <i>Professor, Centre for Experimental Medicine, Queen’s University Belfast, UK</i> “How to improve imaging technology to accommodate individual needs?” Anne-Marie Cairns, <i>Global Vice President of Clinical & Medical Affairs, Optos, Halbeath, UK</i>	Torsten Schwede <i>Professor of Bioinformatics, Swiss Institute of Bioinformatics, University of Basel, Switzerland</i> Sarion Bowers, Policy Lead <i>Sanger Institute</i> Jeff Barrett, Director, <i>Centre for Therapeutic Target Validation, Cambridge, UK</i>	Stephen McMahon <i>Chairman and co-founder of the Irish Patients’ Association (IPA) (TBC)</i> Other speakers to be confirmed
12:00 - 12.30	Proffered Paper Presentations	Proffered Paper Presentations	Proffered Paper Presentations	Proffered Paper Presentations	Proffered Paper Presentations
12:30 - 13:30	Lunch, Posters and Networking				
13:00 - 14:30	Presidential Session: Research Frontiers in Personalised Medicine Co-Chair: Mairead O’Driscoll <i>Health Research Board of Ireland, Dublin,Ireland and IC-Per Med</i> Co-Chair: Denis Horgan <i>Executive Director, European Alliance for Personalised Medicine (EAPM) Brussels, Belgium</i> Holger Hess-Stumpp <i>Director, Global External Innovation & Alliance, Oncology, Bayer Healthcare, Leverkusen, Germany (TBC)</i> Sir Harpal Kumar <i>Chief Executive Officer, Cancer Research UK</i> William Pao <i>Global Head, Oncology Discovery & Translational Area (pRED), Roche, Basel, Switzerland (TBC)</i> Alberto Bardelli <i>President Elect, European Association for Cancer Research, Torino, Italy</i>				
14:30 - 15:00	Coffee, Posters and Networking				
14:30 - 15:00	Speed Networking				
	Meet the Cancer Patient	Meet the Diabetes Patient	Meet the Patient (Brain Diseases)	Meet the Patient with co-morbidities	Meet the Rare Disease Patient

Mini Symposium: Breast Cancer: Dealing with Complexity Head on to Better Personalised Treatment	Genomics and Medicine – Crossing the Rubicon	Realising precious therapeutics in neurological disease	Innovation, Screening, Guidelines: The Case of Lung Cancer	Implementing existing knowledge and innovation – a European Perspective
Chair: William Gallagher <i>Director Conway Institute for Biomolecular Research, University College Dublin, Ireland</i>	Chair: Shane McKee <i>Director Northern Ireland Genomics Medicine Centre, Belfast, UK</i>	Chair: Gianpiero Cavalleri <i>Associate Professor in Human Genetics Royal College of Surgeons in Ireland, Dublin, Ireland</i>	John Field <i>Professor of Molecular Oncology, University of Liverpool, UK</i>	Chair: Marius Gaenta <i>Co-Founder, Center for Innovation in Medicine, Bucharest, Romania</i>
Michael J. Duffy <i>Adjunct Professor, School of Medicine and Medical Science, University College Dublin, Ireland</i>	Sir John Burn <i>Professor of Clinical Genetics University of Newcastle, UK</i>	Slave Petrovski <i>NHMRC Fellow, Royal Melbourne Hospital, University of Melbourne, Australia</i>	Giulia Veronesi <i>Humanitas Research Hospital, Milan, Italy</i>	Francoise Meunier <i>Vice-President, Federation of European Academies of Medicine, Brussels, Belgium</i>
Ivana Sestak <i>Lecturer in Medical Statistics, Wolfson Institute of Preventive Medicine, Queen Mary University of London, UK</i>	Sally John <i>VP Genomics and Computational Biology, Biogen, Cambridge, USA (TBC)</i>	"eHealth": Mary Fitzsimons <i>Medical Physicist, Beaumont Hospital, Dublin, Ireland</i>	Antoni Montserrat <i>Senior Expert on Cancer and Rare Diseases, DG Public Health, European Commission, Brussels, Belgium</i>	Arnie Purushotham <i>Director of King's Health Partners Cancer Centre (KHPCC), Chair of Breast Cancer at King's College London (KCL) Trust (TBC)</i>
Martine Piccart <i>Professor of Oncology, Université Libre de Bruxelles; Director of Medicine, Jules Bordet Institute, Brussels, Belgium</i>	Nadeem Sarwar <i>President, Eisai AiM Institute, Boston USA (TBC)</i>	"Clinical integration" Norman Delanty <i>Professor of Clinical Neurological Sciences, Beaumont Hospital, Dublin, Ireland</i>	Stefania Vallone <i>LuCE (Lung Cancer Europe), Bern, Switzerland</i>	Speaker to be confirmed
Fergus Couch <i>Chair, Division of Experimental Pathology, Mayo Clinic, Rochester, Minnesota, USA</i>	"Involving the public in conversations about Genomics: making Personalised Medicine resonate" Anna Middleton <i>Head of Society and Ethics Research Wellcome Genome Campus, Cambridge, UK</i>		Mina Gaga <i>President Elect, European Respiratory Society, Athens, Greece</i>	
Alric Rüther <i>Head, Department of Health Care Quality, International Affairs, Institute for Quality and Efficiency in Health Care (IQWiG), Cologne, Germany (TBC)</i>			Aad Van der Lugt <i>Professor of Neuroradiology and Head/Neck Radiology, Erasmus MC, Rotterdam, The Netherlands</i>	

	Jan-Willem Van De Loo <i>Scientific and Policy Officer, DG Research, European Commission, Brussels, Belgium</i>			Oudkerk Matthijs <i>Scientific Director Centre for Medical Imaging – North East Netherlands; Principal investigator NELSON STUDY: Dutch-Belgian study on lung cancer screening</i>	
16:30 – 17:30	Proffered Paper Presentations	Proffered Paper Presentations	Proffered Paper Presentations	Proffered Paper Presentations	Proffered Paper Presentations
17:00 – 17:30	Coffee, Posters and Networking				
17:30 – 19:00	Parallel Sessions				
	Cancer in Eastern Europe: Responding to the Challenge	HARMONY Session	Clinical Innovation Showcase: ‘Northern Ireland Clinical Research Network(NICRN) : supporting clinical research in personalised medicine’		
	Co-Chair: Mark Lawler <i>Centre for Cancer Research and Cell Biology, Queen's University Belfast, UK</i> Speakers to be confirmed	Chair: Carin Smand <i>Managing Director, EHA (TBC)</i>	Co-Chairs: Paul Biagioni, Maurice O’Kane <i>NICRN</i> “Introduction” Maurice O’Kane <i>NICRN</i> "Cardiovascular Disease"(Exact title TBC) Patrick Donnelly <i>Co-clinical Lead of the Northern Ireland Cardiovascular Research Network, South Eastern Health and Social Care Trust, UK</i> "Diabetes" (Exact title TBC) Vivien Coates <i>Professor of Nursing Research, Ulster University, Coleraine, UK</i> "Renal disease" (Exact title TBC) Peter Maxwell <i>Professor of Renal Medicine, Queen's University Belfast, UK</i> Neil Morgan <i>Consultant Nephrologist, Newry, UK</i>		
19:00 – 20:00	CCRCB Lecture				
19:00 – 20:00	Poster Session				
20:30 – 22:30	Gala Dinner Titanic Belfast Taavi Rõivas <i>former leader of the Reform Party and former Prime Minister of Estonia (TBC)</i>				

29 November 2017

07:30 - 08:00	Highlights of the Day and Press Briefing				
07:30 - 08:30	Meet the Policy Makers	Meet the Professor/ Business Leader	Meet the Professor/ Business Leader	Meet the Policy Makers	Meet the Professor/ Business Leader
08:00 - 09:30	Presidential Session: Is precision medicine the route to a healthy world? Chair: John Bowis <i>Former Minister for Health UK and Former MEP</i> Taavi Rõivas <i>former leader of the Reform Party and former Prime Minister of Estonia (TBC)</i> Speaker to be confirmed Vytenis Andriukaitis <i>European Commissioner for Health and Food Safety, Brussels, Belgium (TBC)</i> Ruth McKernan CBE <i>Chief Executive, Innovate UK (TBC)</i> Ian Banks <i>President, European Men's Health Forum</i> Tom Lillie <i>Vice President, Head of European Clinical Development MSD, London, UK</i>				
09:30 - 10:00	Coffee, Posters and Networking				
10:00 - 11:30	Parallel Sessions				
	Personal Oncology Approaches - reflections from both sides of the pond	The 'molecularly unstratified' patient: a focus for moral, psycho-social and societal research	Genomics and Reimbursement	Immunotherapy: The next Big Thing?	Preserving Health – what can we do at European Level?
	Chair: Etienne Richter <i>Associate Director, CIHR Institute of Genetics, Montreal, Canada</i> Fabien Calvo <i>Scientific Director, Cancer Core Europe, Paris, France</i>	Chair: Deborah Alsina <i>Chief Executive MBE, Bowel Cancer UK</i> Tim Maughan <i>Professor of Clinical Oncology, University of Oxford; MRC/CRUK Stratification in Colorectal Cancer Consortium</i>	Chair: Jonathan Truelove <i>Vice President, General Counsel – International, Genomic Health, Geneva, Switzerland</i> Sheila Walcott <i>Founder and CEO, Goldbug Strategies, Washington, USA</i>	Chair: Gennaro Ciliberto <i>Scientific Director, IRCCS, Istituto Nazionale Tumori "Regina Elena, Rome, Italy</i> "Immunophenotypes and antigenomes of solid cancers" Zlatko Trajanoski <i>Director, Division for Bioinformatics, Biocenter, Innsbruck Medical University (TBC)</i>	Chair: Tit Albreht <i>Institute of Public Health, Slovenia</i> Sebastian Schmidt <i>Head of Strategy and Medical Affairs Computed Tomography at Siemens Healthineers</i>

	“Biomarkers for Pediatric Glioblastoma through Genomics and Epigenomics” Nada Jabado Associate Professor of Pediatrics, McGill University Health Centre, Montreal, Canada “Personalized Cancer Immunotherapy” Denis Claude Roy Director Cellular Therap Laboratory, Scientific Director, Centre de recherche, Hospital Maisonneuve-Rosemont, Montreal, Canada “Personalized Oncogenomics (POG), The BC Cancer Agency’s Personalized Oncogenomics Program” Marco Marra Director and Distinguished Scientist, Canada’s Michael Smith Genome Sciences Centre, BC Cancer Agency, Vancouver, Canada	Joshua Hordern Associate Professor of Christian Ethics, University of Oxford; Oxford Healthcare Values Partnership, University of Oxford Richard Sullivan Chair in Cancer Policy and Global Health, Kings College London Alison Hall Head of Humanities, PHG Foundation, Cambridge, UK Liz Morrell Postdoctoral researcher, Centre for the Advancement of Sustainable Medical Innovation (CASMI), Radcliffe Department of Medicine, University of Oxford, UK Rob Horne Professor of Behavioural Medicine, UCL School of Pharmacy; Centre for the Advancement of Sustainable Medical Innovation, London, UK Alastair Kent Chair Rare Disease UK; Director, Genetic Alliance UK	Stephen Lee Biosciences Team Manager, Medicines and Healthcare products Regulatory Agency, London, UK (TBC) Sue Spencer Head of Global Medical Device Services, UL, UK (TBC) Dr Panos Kanavos Reader in International Health Policy, Department of Social Policy, London School of Economics, London, UK British Standards Institution representative Speaker to be confirmed	“Clonal neoantigens and sensitivity to immune checkpoint blockade” Sergio Quezada Professional Research Fellow, Research Department of Hematology, UCL Cancer Institute (TBC) “Development of neoantigen-based cancer” Ugur Sahin co-founder and CEO of BioNTech AG, Mainz, Germany (TBC) “Design and testing of novel concepts for adoptive immunotherapy of cancer” Ton Schumacher Group Leader, Immunology, Netherlands Cancer Institute (TBC) Speaker to be confirmed Stephan Scherer VP Global Head Correlative Science, Novartis (TBC)	“Public health genomics” Dr Marc Van den Bulcke Head Cancer Centre, OD Public Health and Surveillance Scientific Institute of Public Health, Belgium “Cancer screening” Dr Ahti Anttila Research Director of the Mass Screening Registry of the Finnish Cancer Registry (TBC) Michel Coleman Professor of Epidemiology and Vital Statistics, Department of Non-Communicable Disease Epidemiology, London School of Hygiene and Tropical Medicine, London, UK “Survivorship issues” Dr Claudia Ferrari Department of Training and Demography for Health Professionals, The French National Cancer Institute (TBC)
11:30 – 12:00	Proffered Paper Presentations	Proffered Paper Presentations	Proffered Paper Presentations	Proffered Paper Presentations	Proffered Paper Presentations
12:00 – 13:00	Lunch, Posters and Networking				

13:30 – 15:00	Presidential Session: Female Leaders and Innovators Forum; An Athena Swan Initiative				
	Chair: Mary Harney <i>Former Minister for Health and Deputy Prime Minister, Ireland</i>				
	Francoise Meunier <i>Director of Special Projects, European Association for the Research and Treatment of Cancer, Brussels, Belgium, Vice-President, Federation of European Academies of Medicine, Brussels, Belgium</i>				
	Karen Knudson <i>Director- NCI-Designated Sidney Kimmel Cancer Center, Thomas Jefferson University, Philadelphia, USA</i>				
	Xavier Prats Monne <i>Director-General for Health and Food Security – DG SANTE, European Commission, Brussels, Belgium (TBC)</i>				
	Gabriella Pravettoni <i>Director, Applied Research Unit for Cognitive and Psychological Science (IEO) Milan, Italy</i>				
14:30 – 15:00	Coffee, Posters and Networking				
	Patient Advocacy Award				
15:00 – 16:30	Parallel Sessions				
	Princess Margaret Cancer Centre – CCRCB Special Symposium	Personalised Medicine and Public Health: Two Sides of the Same Coin?	Fixing Cystic Fibrosis Transmembrane Conductance Regulator (CFTR): Targeting therapies which make a difference	Health Literacy: A Key Component of Personalised Health and Innovation	Genomics, DNA and Diaspora
	Chair: Lillian Siu <i>Professor of Medicine, Princess Margaret Cancer Centre, University of Toronto, Canada</i>	Chair: Walter Ricciardi <i>Istituto Superiore di Sanità Italy</i>	Co-Chair: J Stuart Elborn <i>Imperial College and Royal Brompton Hospital, London and Queen's University Belfast, UK</i>	Co-Chair: Denis Horgan <i>European Alliance for Personalised Medicine, Brussels, Belgium</i>	Co-Chair: Eimear Kenny <i>Assistant Professor, Icahn School of Medicine at Mount Sinai, NY, USA</i>
			Co-Chair: Lorraine Martin <i>Professor of Molecular Pharmaceutics, School of Pharmacy, Queen's University Belfast, UK</i>		Co-Chair: Joe McHugh TD <i>Minister of State for the Diaspora and International Development (TBC)</i>
	"Risk Stratification Approaches in the Management of Locoregionally Advanced Head and Neck Squamous Cell Cancer" Jean Pascal Machiels <i>MD, PhD, Université catholique de Louvain, Brussels, Belgium</i>	Nina Renshaw <i>Secretary General, European Public Health Alliance (TBC)</i>	"How the Cystic Fibrosis Transmembrane Regulator (CFTR) works" Lorraine Martin <i>Professor of Molecular Pharmaceutics, School of Pharmacy, Queen's University Belfast, UK</i>	Holger Moch <i>Medical Director and Chairman, Department of Pathology & Molecular Pathology, University Hospital Zurich, Switzerland</i>	John Greally <i>Professor, Faculty Scholar for Epigenetics, Albert Einstein College of Medicine, New York, USA</i>
	"The Changing Epidemiological and Molecular Landscape of Head and Neck Squamous Cell Cancer: A Global Perspective" Hisham Mehanna <i>MBChB, PhD, University of Birmingham, Birmingham, UK</i>	Paul De Raeve <i>Secretary General, European Federation of Nurses (TBC)</i>	"Modulating the Cystic Fibrosis Transmembrane Regulator (CFTR): How New Drugs were developed" Mark Higgins <i>Vertex, Boston, US</i>	Stephen McMahon <i>Chairman and co-founder of the Irish Patients' Association (IPA) (TBC)</i>	Dan Bradley <i>Principal Investigator, molecular Population Genetics, Smurfit Institute of Genetics, Trinity College Dublin</i>

	“Oncolytic Viruses and Immune Checkpoint Inhibitors in the Treatment of Recurrent or Metastatic Head and Neck Squamous Cell Cancer” Kevin Harrington <i>MBBS, PhD, The Institute of Cancer Research, London, UK</i>	Speaker to be confirmed	"Treating Cystic Fibrosis: New Clinical Trials." J Stuart Elborn <i>Imperial College and Royal Brompton Hospital, London and Queen's University Belfast, UK</i>	Kaisa Immonen <i>Director of Policy, European Patient Forum</i>	Eimear Kenny <i>Assistant Professor, Icahn School of Medicine at Mount Sinai, NY, USA</i>
		Frank Kee <i>Director, UKCRC Centre for Excellence for Public Health Research (NI), Queen's University Belfast, UK</i>	"Living with Cystic Fibrosis" Michelle Francis Naylor <i>Belfast, UK</i>	Kristine Sørensen <i>Founder, Global Health Literacy Academy, The Netherlands</i>	Tõnu Esko <i>Deputy Director of Research, Estonian Biobank, Estonian Genome Center, University of Tartu, Estonia (TBC)</i>
		Xavier Prats Monne <i>Director-General for Health and Food Security - DG SANTE, European Commission, Brussels, Belgium (TBC)</i>	"Future Challenges, Policy and Science" Janet Allen <i>Director of Strategic Innovation, Cystic Fibrosis Trust, Southampton, UK</i>	Geoffrey Henning <i>Policy Director, EuropaColon, Brussels, Belgium</i>	
				Industry Speakers to be confirmed	
16:30 – 17:00	Proffered Paper Presentations	Proffered Paper Presentations	Proffered Paper Presentations	Proffered Paper Presentations	Proffered Paper Presentations
17:00 – 17:30	Coffee, Posters and Networking				
	Speed Networking				
	Meet the Cancer Patient	Meet the Diabetes Patient	Meet the Patient (Brain Diseases)	Meet the Patient with co-morbidities	Meet the Rare Disease Patient
17:30 – 19:00	Shooting for the Moon or Flying too near the Sun: Crossing the Value Rubicon in Precision Care Co-Chair: Mark Lawler <i>Chair in Translational Cancer Genomics, Queen's University Belfast, UK</i> Co-Chair: Richard Sullivan <i>Director, Institute of Cancer Policy, King's College London UK</i> Richard Sullivan <i>Director, Institute of Cancer Policy, King's College London UK</i> Tito Fojo <i>Professor of Medicine, Columbia University, New York, USA</i> Mark Lawler <i>Chair in Translational Cancer Genomics, Queen's University Belfast, UK</i> Speaker to be confirmed Virginia Acha <i>Executive Director, Research, Medical and Innovation, Association of the British Pharmaceutical Industry (ABPI), UK</i>				
19:00 – 20:00	Poster Session				
20.00 – late	Whiskey tasting and Special Performance				

30 November 2017

07:30 – 08:30	Highlights of the Day and Press Briefing				
07:00 – 08:00	Meet the Professor	Meet the Professor/ Business Leader	Meet the Policy Maker	Meet the Patient Advocate	Meet the Professor/ Business Leader
08:00 – 09:30	Presidential Session: Public-private partnership and personalised medicine Chair: Pierre Meulien <i>Innovation Medicines Initiative (IMI)</i> Kaja Kallas <i>Member of the European Parliament (TBC)</i> Kathy Oliver <i>International Brain Tumor Alliance (IBTA)</i> Speakers to be confirmed				
09:30 – 10:00	Coffee, Posters and Networking				
10:00 – 11:30	Parallel Sessions				
	The Challenges of Precision Oncology Drug Development and Implementation	Personalised Health and neglected disease	We are what we eat – preserving health through enhanced nutrition	Precision Pathology in LMICs - unaffordable luxury or relevant necessity?	CCRCB – ALMAC Session – The Realities of Delivering Personalised Medicine in Clinical Trials
	Co-Chair: Andrew Biankin <i>Regius Chair of Surgery/Director of Translational Research Centre, University of Glasgow</i> Co-Chair: Simon Hollingsworth <i>Executive Director Oncology; Global Project Director, AstraZeneca, Cambridge, UK</i> “Challenges of Contemporary Therapeutic Development” Simon Hollingsworth <i>Executive Director Oncology; Global Project Director, AstraZeneca, Cambridge, UK</i> “Diversity and Defining Actionability of Molecular Events” Philip Beer <i>Precision oncology, cancer genomics and next-generation therapeutics - Cure Forward Corp., Cambridge, UK</i>	Chair: Alastair Kent <i>Chair Rare Disease UK; Director, Genetic Alliance UK</i> Yann Le Cam <i>Chief Executive Officer of EURORDIS-Rare Diseases Europe (TBC)</i> Anders Olauson <i>Chair, NGO Committee for Rare Diseases, United Nations, New York</i>	Chair: Christopher Elliott, <i>Chair of Food Safety & Microbiology, Pro Vice Chancellor Faculty of Medicine, Health and Life Sciences, Queen’s University Belfast, UK</i> Precision Nutritional Catering for the Vulnerable: Can this be achieved?” Moira Dean <i>Institute for Global Food Security, Queen’s University, Belfast</i> “Delivering a breakthrough in human nutrition and health through delivery of omega oils in chicken meat” Alice Stanton <i>Royal College of Surgeons in Ireland, Dublin, Ireland</i>	Co-Chair: Kathy Oliver <i>Founding Co-Director, International Brain Tumour Alliance (IBTA) (TBC)</i> Co-Chair: Kenneth Fleming <i>Senior Advisor for Pathology, Centre for Global Health NCI, Washington</i> Kenneth Fleming <i>Senior Advisor for Pathology, Centre for Global Health NCI, Washington</i> Richard Sullivan <i>Director, Institute of Cancer Policy, King’s College London UK</i>	Chair: Richard Kennedy <i>McClay Professor in Medical Oncology, Queen’s University Belfast, UK</i> Ken Emancipator <i>Executive Medical Director, Merck, New York, USA</i> Darren Hodgson <i>Senior Principal Translational Scientist, AstraZeneca, Stockport, UK</i>

	“Finding patient for trials/Finding Trials for Patients” IBM Watson Speaker (TBC) “Effective Strategies for approval and adoption” Robert Hemmings Krishna Prasad MHRA (TBC) “Composite Datasets and Knowledge Banks” Andrew Biankin Regius Chair of Surgery/Director of Translational Research Centre, University of Glasgow, UK	Maria Luisa Silva Director of United Nations Development Program (UNDP) Office in Geneva, Switzerland (TBC) Ana Rath Director, Orphanet, Paris, France	Speakers to be confirmed	Mark Lawler Chair in Translational Cancer Genomics, Queen's University Belfast, UK Sue Horton Professor and GICI Chair in Global Health Economics, University of Waterloo, Canada (TBC) Round Table Discussion	Matt Squires Executive Director Oncology Precision Medicine Novartis, Basel, Switzerland
11:30 – 12:00	Proffered Paper Presentations?	Proffered Paper Presentations?	Proffered Paper Presentations?	Proffered Paper Presentations?	Proffered Paper Presentations?
12:00 – 13:00	Lunch, Posters and Networking				
13:00 – 14:30	Presidential Session: Regulating the future - Balance of patient safety and facilitating Innovation (EMA - FDA) Chair: Denis Horgan Executive Director, European Alliance for Personalised Medicine Emily O'Reilly European Ombudsman (TBC) Juergen Scheuenpflug Global Head Clinical Biomarkers & Companion Diagnostics, MSD Urve Palo Minister of Entrepreneurship and Information Technology, Estonia (TBC) Serge Bernasconi Chief Executive Officer, MedTech Europe (TBC) Guido Rasi Executive Director, EMA, London, UK (TBC) Francesco De Lorenzo President, European Cancer Patient Coalition, Brussels, Belgium				
14:30 – 15:00	Coffee, Posters and Networking				
	Speed Networking				
	Meet the Cancer Patient	Meet the Diabetes Patients	Meet the Patient (Brain Diseases)	Meet the Patient with co-morbidities	Meet the Rare Disease Patient

15:00 – 16:30	Parallel Sessions				
	EAU Special Session Every Prostate cancer is unique: Personalised prostate cancer diagnosis and management	Discovery Network: a new approach to driving research	Diabetes: A Personalised Health Epidemic	Molecular Diagnostics – Enabling the Personalised Medicine Revolution	HTA, Payers & the European Medicines Agency – Crossing the Rubicon
	Chair: Hain Van Poppel <i>European Association of Urology</i>	Chair: Peter Kapitein Inspire2Live, The Netherlands	Chair: Olivier Arnaud <i>Senior Director, Juvenile Diabetes Research Foundation</i>	Co-Chair: David Barton <i>National Centre for Medical Genetics Crumlin</i>	Co-Chair: Lou Garrison <i>University of Washington, USA</i>
				Co-Chair: Mario Pazzagli <i>University of Florence, Italy</i>	Co-Chair: Denis Horgan <i>European Alliance for Personalised Medicine, Brussels, Belgium</i>
	Nicolas Mottet <i>Urology Department Head at CHU St Etienne - Université Jean Monnet, St Etienne, France</i>	Stephen Friend <i>Chariman, Co-Founder and Past President Sage Bionetworks; Leader Health Team, Apple Inc.</i>	"Pediatric vs Adult onset Type 1 Diabetes – Clinical Considerations in Therapy Development" Colin Dayan <i>Professor of Clinical Diabetes and Metabolism Cardiff University, UK</i>	"The new IVD regulation" David Barton <i>Chief Scientist, National Centre for Medical Genetics Crumlin</i>	Clare Hague <i>Director of Health Economics & Outcomes research Medical Affairs, Celgene</i>
	Rodolfo Montironi <i>President, International Society of Urological Pathology, Ancona, Italy</i>	Mark Lawler <i>Chair in Translational Cancer Genomics, Queen's University Belfast, UK</i>	"Staging Type 1 Diabetes and its Prevention through Innovative Interventions" Ake Lernmark <i>M.D., LU Diabetes Centre, Lund University, Sweden</i>	"A Workflow for molecular diagnostics in clinical oncology" Mario Pazzagli <i>Professor of Clinical Biochemistry, Department of Clinical and Experimental Biochemical Science University of Florence, Italy (TBC)</i>	Carole Longson <i>Director, Centre for Health Technology Evaluation and Executive Director, National Institute for Health Care & Excellence (NICE), London, UK</i>
	Thorsten Bach <i>Chairman EAU Patient Information Projekt, European Association of Urology</i>	Speakers to be confirmed	"Realizing the Potential of Novel Interventions in Type 1 Diabetes" Thomas Danne <i>M.D., Diabetes Centre for Children and Adolescents, Hannover, Germany</i>	"Quality Assessment of Molecular Diagnostics in Oncology" Victoria Wurcel <i>Manager HTA and Economic Policies, MedTech Europe, Brussels, Belgium</i>	Hans-Georg Eichler <i>MD, MSc, Senior Medical Officer, European Medicines Agency (EMA), London, UK</i>
	Ian Banks <i>President, European Men's Health Forum</i>	Robert Jan Smits <i>Director-General of DG Research and Innovation – European Commission (TBC)</i>		"Flushing out the truth! Development of a multiplex urinary tract infection detection test" Martin Crockard <i>Molecular Diagnostics Manager, Randox Laboratories Ltd, Antrim , UK</i>	Lars Pedersen <i>MSc, PhD, Professor, Department of Clinical Epidemiology, Aarhus University, Aarhus, Denmark (TBC)</i>

	Rob Vries Hubrecht institute / The HUB foundation for Organoid Technology, Hubrecht, The Netherlands Casper Van Eijck Surgeon at Erasmus MC - Rotterdam, The Netherlands		"Benchmarking the quality of next generation sequencing in Clinical Oncology" Simon Patton Director at European Molecular Genetics Quality Network (EMQN) - European Molecular Genetics Quality Network (EMQN) (TBC)
