

GLOBAL NEUROSURGERY 2019: A PRACTICAL SYMPOSIUM

AGENDA

Preliminary Course Agenda

Friday, January 18, 2019

8:00 am Registration and Breakfast

8:30 am Welcome and Introductions: Roger Hartl, M.D. and Dr. Caitlin Hoffman, M.D.

8:45-9:30am **Keynote Address: "The Role of Surgery in Global Health" Walter Johnson, M.D.**

Session I : Global Neurosurgery Today: Overview of Clinical Programs and Regional Needs

Each talk 10 minutes plus 5 minutes of Q&A and discussion

9:30am	Haiti:	Barth A. Green, M.D.
9:45am	Tanzania:	Hamisi T.Shabani, M.D.
10:00am	Kenya:	Mahmood Qureshi, M.D.
10:15am	Uganda:	Michael Haglund, M.D.
10:30am	Nepal:	Merwyn Bagan, M.D.
10:45am	Ukraine:	James Rutka, M.D.
11:00am	Cambodia:	Kee Park, M.D.

11:15am Break

11:30 - 12:00 pm Luncheon Lecture: Biggest Challenges in Global Health and How to Address Them: Dr. Fitzgerald

Session II: Specific Challenges and Needs (Each talk 10 minutes plus 5 minutes of Q&A and discussion)

12:00pm	Neurosurgical Education in East Africa	Mahmood Qureshi, M.D.
12:15pm	Spine surgery in East Africa: Challenges and needs	Nicephorus Rutabasibwa, M.D.
12:30pm	Neurosurgical Challenges in Haiti	John Ragheb, M.D.
12:45pm	What can we do in NA/Europe to support GNS	Isabelle Germano, M.D.

Session III: Solutions and Successful Projects (Each talk 10 minutes plus 5 minutes of Q&A and discussion)

1:00pm	Developing Endoscopy in Tanzania	Jose Piquer, M.D.
1:15pm	The Weill Cornell 6 step program in Tanzania	Roger Härtl, M.D.
1:30pm	Complex skull base surgery in resource limited settings	Antonio Bernardo, M.D.
1:45pm	Nursing Education in Global Neurosurgery Programs	Karen March, RN
2:00pm	Model for Faculty Development and Leading Change	Kee Park, M.D.
2:15pm	Developing freestanding hospitals	Barth Green, M.D.
2:30pm	Building a subspecialty hospital in East Africa	Mohamed Janabi, M.D.
2:45pm	AO Strategy: Global trauma care	Claude Martin, M.D.
3:00pm	Successful ophthalmology program model in Tanzania	Donald D'Amico, M.D.
3:15pm	Neurosurgical Access on a Global Scale	Kiran T. Thakur, M.D.
3:30pm	Neurosurgical Bootcamps	Jared Ament, M.D.
3:45pm	Development of research capacity	David Adelson, M.D.
4:00pm	Cambridge Neurotrauma initiative	Rikin Trivedi, M.D.

4:15pm Break

4:30pm **Keynote Address "My Personal Journey: Building Health Care in Tanzania"**
His Excellency Jakaya Kikwete, Former President, United Republic of Tanzania

Session IV: Organized Neurosurgery – What is happening and how can you get involved?

5:15pm	The Role of FIENS	Robert Dempsey, M.D.
5:30pm	The Role of WFNS	Franco Servadei, M.D.
5:45pm	The Bogota Declaration	Andres M. Rubiano, M.D.

Saturday, January 19, 2019

8:00 am Breakfast

8:15-9:00am Oral Presentations and award for best paper

Session V: Key Failures, Lessons Learned (Each talk 10 minutes with 5 minutes Q&A)

9:00am	Barth A. Green, M.D.
9:15am	Michael Haglund, M.D.
9:30am	Roger Härtl, M.D.
9:45am	Robert J.Dempsey, M.D.
10:00am	Kee Park, M.D.

10:15am Break

Session VI How to get started in Global Neurosurgery – How we did it

(Each talk 15 minutes plus 5 minutes of Q&A and discussion)

10:30am	How do you start Global Neurosurgery work	Michael Haglund, M.D.
10:50am	How to get funding	Robert J. Dempsey, M.D.
11:10am	How to build a freestanding hospital	Barth A.Green
11:30am	How do you develop research protocols in GNS	Rikin Trivedi, M.D.
11:50am	How did we do it – Learning curves and obstacles	Roger Hartl, M.D.
12:10pm	Q&A and discussion	
12:30pm	Group Discussion: Where to go from here? Define collaboration going forward	

12/7/2018

Global Neurosurgery 2019: A Practical Symposium - Agenda | Online Registration by Cvent

Moderated by Roger Hartl, M.D. and Caitlin Hoffman, M.D.

1:00pm

Course concludes
