

	MONDAY					
	Exchange Auditorium	Exchange 9	Charter 4	Exchange 11	Exchange 10	Exchange 8
08.00 - 09.00	Registration and Refreshments in the Foyer					
09.00 - 10.30	Welcome & Highlights					
10.30 - 10.40	Comfort Break (no refreshments)					
10.40 - 12.10	Session 1 - Present and Future: Nuclear Medicine in Lung Cancer	Session 2: Physics - Proffered Papers "Optimisation: Getting Better all the Time"	Session 3: Radiographers, Technologists & Nurses - Multidisciplinary Team Implementation of MRT Services	Session 4 - Radiographers, Technologists & Nurses - Wellbeing and Patient Voice	Molecular Radiotherapy Training Dosimetry 1	
12.10 - 12.30	Refreshment break					
12.30 - 14.00	Session 5 - Present and Future: Nuclear Medicine in Bone Scintigraphy	Session 6: Physics - proffered papers "RP: Yet another regulation session"	Session 7: Radiographers, Technologists & Nurses - Management and Patient Experience	Session 8 - Young Investigators' Prize	Molecular Radiotherapy Training Dosimetry 2	
14.00 - 14.30	BNMS Annual General Meeting					
14.00 - 15.10	Lunch and Industry Poster Judging A					Myocardial Perfusion Imaging SPECT and PET Workshop - SPONSORED BY HERMES
15.10 - 16.40	Session 9 - Research & Cutting Edge	Session 10 - Physics - Proffered Papers "SPECT and not a PMT in Sight"	Session 11 - Radiographers, Technologists & Nurses - Proffered Papers	Session 12 - Present and Future: FDG PET-CT in Cardiac Inflammation and Infection: Proffered papers in cardiology	VARSKIN Workshop	
16.40 - 17.10	Refreshment break					
17.00 - 17.50	Session 13 - Plenary Lecture					
18.00 - 19.30	President's Reception in Exhibition Hall					
	TUESDAY					
	Exchange Auditorium	Exchange 9	Charter 4	Exchange 11	Exchange 10	
07.45 - 09.00	Registration					
08.00 - 08.45		Bayer Symposium	Curium Symposium			
08.45 - 09.00	Comfort Break (no refreshments)					
09.00 - 10.30	Session 14 - Past, Present and Future: UKINET & BNMS Combined Session. Nuclear Medicine in Neuroendocrine Tumours	Session 15 - Physics Total Body PET	Session 16 - Radiographers, Technologists & Nurses - Education Stream	Session 17 - Radiopharmacy 1	Session 18 - Interactive stream - Present	
10.30 - 11.15	Refreshments & Industry					
11.15 - 12.45	Session 19 - Present and Future of Molecular Radiotherapy	Session 20 - Physics - Proffered Papers PET from Head to Toe	Session 21 - Radiographers, Technologists & Nurses Bootcamp	Session 22 - Radiopharmacy 2	Session 23 - Medical Training Session	
12.45 - 14.00	Lunch, Industry, Innovative Team of the Year Award & Cake cutting Poster Judging B in Exhibition Hall					
14.00 - 14.45	Session 24 - Plenary Lecture					
14.45 - 14.50	Comfort Break (no refreshments)					
14.50 - 16.20	Session 25 - Present and Future: Nuclear Medicine in Movement Disorder Management	Session 26 - Physics - Proffered Papers - MRT Dosimetry	Session 27 - Radiographers, Technologists & Nurses - Proffered Papers	Session 28 - Present and Future: Oncology session- Women's health	Session 29 - Presidential Session - Past, Present and Future - RCP and BNMS Combined Session	
16.20 - 16.50	Refreshments in Exhibition Hall					
16.50 - 17.50	Session 30 - Future: New Frontiers in Nuclear Cardiology	Session 31 - Physics - Making an Impact in Early Career Stages	Session 32 - Radiographers, Technologists & Nurses - Foundation to Innovation (BNMS 60 years)	Session 33 - Present and Future: Brain Imaging	Session 34 - Clinical Interactive	
	WEDNESDAY					
	Exchange Auditorium	Exchange 9	Exchange 10	Exchange 11		
08.15 - 09.45	Registration					
08.15 - 09.00		Spectrum Dynamics Symposium	Industry Symposium 4			
09.00 - 09.45	Joint RCR & BNMS Session	AGM Clinical Scientists	AGM Radiographers, Technologists & Nurses	AGM Radiopharmacy		
09.45 - 10.15	Refreshment break					
10.15 - 11.45	Session 35 - Present and Future: Personal view of NM in my region	Session 36 - Present and Future: Total Body PET-CT/Long Axial Field of View	Session 37 - Radiographers, Technologists & Nurses Multidisciplinary Team - Protocol Standardisation	Session 38 - Present and Future: Cardiology and Proffered Papers		
11.45 - 12.45	Lunch in Exhibition Hall					
12.45 - 14.15	Session 39 - Present and Future: Delivery Sustained Clinical Quality in Modern NM Practice	Session 40 - Physics - Current Technologies	Session 41 - Radiographers, Technologists & Nurses Multidisciplinary Teams - Artificial Intelligence in Nuclear Medicine	Session 42 - Professional Standards Committee/Managerial		
14.15 - 14.25	Comfort Break (no refreshments)					
14.25 - 15.10	Session 43 - Prizes & Closing Ceremony
