NICE ÉVÉNEMENTS & CONGRÈS

CONFERENCE VENUE

Palais de la Méditerranée Conference Center
13 Promenade des Anglais
06000 Nice – France

WELCOME

Dear Colleagues and Friends,

The 2021 European Academy of Facial Plastic Surgery, 44th EAFPS ANNUAL MEETING will be held in NICE – France on September 15th-18th, Palais de la Méditerranée.

On behalf of the EAFPS Executive Board, it is my privilege and honor to invite you to this biggest European Facial Plastic Surgery Meeting.

The faculty is composed of world distinguished speakers, coming together to share their experience through keynote lectures, 48 panel discussions and 72 educational masterclasses.

The scientific educational program will cover the full spectrum of facial aesthetic, cosmetic, and reconstruction procedures including the latest surgical and non-surgical technologies. One room will be specifically dedicated to French sessions, where rhinoplasty and other procedures will be extensively presented by experts.

Moreover, in September, Nice and the French Riviera offer a fantastic opportunity for visiting the typical middle-age villages as St Paul de Vence and its art galleries, discovering Monaco Monte Carlo, or relaxing along the Mediterranean Sea. Sports enthusiasts may enjoy playing golf or even trek in the surrounding mountains.

Finally, getting to Nice is very easy through the International Airport located inside the city just 10 minutes from the conference venue. Please add the dates to your busy agenda, feel very cordially invited.

Once again, dear Friends and Colleagues a very warm welcome in Nice EAFPS 2021, we are really looking forward to seeing you all in full force.

Dr. Yves Saban
Meeting Chairman
