WELCOME MESSAGE

Dear Colleagues,

We have the great pleasure to invite you to join us for the 20th EADO Congress taking place as an on-site meeting with additional virtual access from April 4–6, 2024 in the amazing city of Paris, France.

The European Association of Dermato-Oncology Congress is the largest conference in dermatology worldwide, there are no competing meetings in this field. Over 1,400 participants from Europe and around the world are expected to attend.

The meeting provides updated scientific and clinical achievements in a wide spectrum of skin tumors including melanoma, keratinocyte carcinomas and rare malignant neoplasms. The world's leading experts have been invited as speakers and will offer you the opportunity to gain a comprehensive insight into all areas of dermatology.

Paris is one of the world's leading centers for art, fashion, gastronomy and culture and one of the most beautiful cities worldwide to explore. Close to the heart of Paris, the congress center **Versailles Palais des Congrès** offers renovated top-of-the-range meeting facilities and a less urban and more tree-lined environment. The venue is well accessible by the Metro station "Versailles Château Rive Gauche" and offers all the prerequisites for an unforgettable congress experience.

Looking forward to welcoming you online or in Paris in April 2024!

EADO
Congresses

The EADO (European Association of Dermato-Oncology) is an independent non-profit organization dedicated to promote, coordinate and improve clinical and laboratory research activities in the field of skin cancer including primary and secondary prevention, early detection, clinical diagnosis and clinical and experimental research. One mission of the EADO is to support and organise meetings dedicated to the presentation of new research findings, the exchange of information and education for its members in the field of dermato-oncology. The first EADO Congress was held 2001 in Vienna, Austria.

CONGRESS DESTINATION

Paris is one of the world's leading centers for art, fashion, gastronomy, culture and one of the most beautiful cities worldwide to explore. The cityscape is characterised by 19th century architecture, its famous boulevards and the Seine. Not only landmarks like the Eiffel Tower and the 12th-century Gothic Notre-Dame Cathedral characterise the city, but also its café culture and the fashion boutiques on Rue du Faubourg Saint-Honoré.

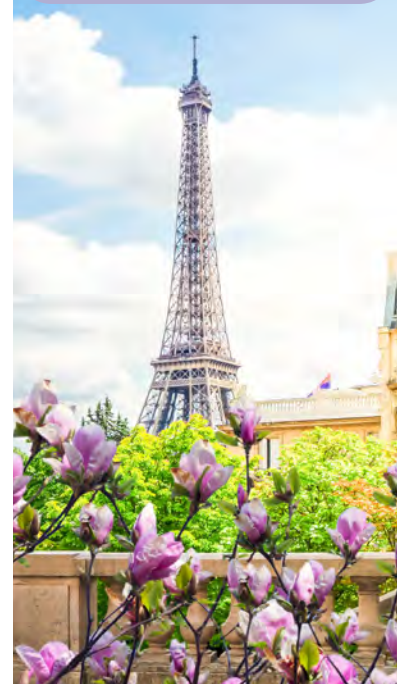

Airports

Paris has two international airports, Paris-Charles-de-Gaulle (CDG) in the Northeast and Paris-Orly (ORY) in the South. Paris-Charles-de-Gaulle is Paris main international airport.

March 14, 2024	Late-breaking & trials in progress notification of acceptance
March 15, 2024	Early registration fee deadline
March 25, 2024	E-Poster upload deadline
October 20, 2024	End of on-demand service

Call for Abstracts

Abstract Submission Deadline: February 1, 2024

All those interested in presenting abstracts at the 20th EADO Congress are invited to submit their work to the Program Committee for review. Selected abstracts will be chosen for an oral presentation during the free communications sessions or as e-posters for virtual consultation. **The acceptance of an abstract does not include the congress registration. Authors must be registered for the congress before March 18, 2024 in order to present their work.**

Abstract Topics

Actinic keratoses
Basal cell carcinoma
Cutaneous sarcoma
Cutaneous T- and B-cell lymphoma
Melanoma – Epidemiology and diagnostics
Melanoma – Experimental and translational studies
Melanoma – Immune checkpoint inhibitor (ICI) therapy
Melanoma – Surgery
Melanoma – Systemic therapy other than ICI therapy
Merkel cell carcinoma
Rare tumors
Squamous cell carcinoma

Abstract Guidelines

- Abstracts may be **submitted online via the congress website**. Abstracts submitted by e-mail will not be accepted.
- Abstracts must be received by the **announced deadline**. Abstracts received after the deadline will not be considered.
- The **title** should be as brief as possible but long enough to clearly indicate the nature of the study. Abbreviations must not be used in the title. The title should not be written entirely in capital letters (e.g. NOT LIKE THIS).
- Please indicate the **topic** from the abstract topics list and your preferred type of presentation (oral or poster). The Committee will endeavor to schedule abstracts according to authors' preferences but reserves the right to decide on the final form of presentation.
- **Encore abstracts** will be accepted unless they have been published in scientific journals.
- Please structure the abstract as follows:
 - **Introduction & Objectives:** Describe the background and the purpose of the study
 - **Materials & Methods:** Describe the material and methods used to design the study
 - **Results:** Describe your results in a logical sequence
 - **Conclusions:** Emphasise new and important aspects of the study and conclusions that are drawn from them
- The text shall not exceed 350 words including spaces (excluding title, authors bibliography and key words). The submission program will automatically calculate the number of characters in your abstract and will not allow submissions that exceed the maximum number of characters.
- It is acceptable to include up to two **tables, graphics, or images (jpg, jpeg, png, gif format, maximum size 2 MB in total)** as part of the abstract.
- All abstracts must be submitted and presented in clear **English** with accurate grammar and spelling of a quality suitable for publication. Abstracts will not be edited by the Congress Secretariat prior to publication, therefore please check the grammar and spelling carefully.
- Please use generic names. **The use of commercial drug names, brands and registered trademarks are strictly prohibited.** Drugs should be referred to by the active substance or pharmacological designation.
- No mention of pharmaceutical company names should be included in the abstract.

Patient Privacy / Clinical Photography

Photographs should at all times protect the privacy and identity of the subject. Eyes should be blacked out. The source of the photographs must also be declared if not the property of the presenter. This is to prevent the use of photographic material without permission.

Oral Presentations

Selected abstracts will be chosen for an oral presentation during the free communications sessions. The presenting author does not have to be the first author.

E-Poster Presentation

Abstracts selected for poster will be presented as e-Posters during the congress. Approximately 5 e-Poster terminals will be available for viewing in the e-Poster area on the First Floor. E-posters must be uploaded before the congress to be visible at the terminals. Further information will be provided prior to the congress.

Publication

All accepted abstracts will be published in the digital Book of Abstracts which will be available for download on the congress website from April 3, 2024 onwards. The Book of Abstract will also be published on the EADO website under Events & Training / EADO Congress after the conference.

Registration

Please note that the acceptance of an abstract does not include the congress registration. The presenting author must be a registered participant, otherwise the abstract will not be reviewed and waived from the program.

Abstracts Awards

The EADO is pleased to offer the following awards for abstracts submitted for oral and poster presentation:

e-Poster Awards

The best e-Poster on display in each of the following 3 categories will be awarded with 500€ each and a free registration to the next EADO Congress.

- Melanoma diagnosis & treatment
- Non-Melanoma Skin Cancer diagnosis & treatment
- Basic research, genetics and epidemiology of skin cancer

Oral Communication Award

The best Oral Communication will be awarded with 500€ and a free registration to the next EADO Congress. All prize-winning abstracts will be selected by the Poster & Oral Communication Committee. Further information on when the prizes will be awarded will follow.

GENERAL
INFORMATION
FROM A-Z

Accommodation

A limited number of rooms at selected hotels close to the conference venue Palais des Congrès and within Paris has been reserved at reduced rates. Further information is available on the congress website at <https://eado2024.com/accommodation/>. Please note that hotel capacities in Versailles and Paris are limited and that there are Spring Holidays in Paris from April 8–21, 2024. Therefore, we strongly recommend to book your rooms early!

Badges

The name badge is the official congress identification document. Please wear your badge at all times in order to gain entry into the session rooms and exhibition area. Admission to the congress area will not be permitted without badge identification. Kindly note that for the reprinting of lost or forgotten badges, an administrative fee of 20 Euro will be charged.

Cancellation Policy

Cancellations must be received in writing to registrations@eado2024.com by February 20, 2024. No refunds will be granted after that date. A processing fee of 30 Euro will be deducted from each cancelled registration. Substitutions are possible. To substitute a registration, please send an email including the name of the original registrant and the name of the person substituting to registrations@eado2024.com.

Certificate of Attendance

For the download of the certificate of attendance and the CME certificate you will receive an email with a link for download at the end of each congress day. Before downloading your certificate, you must answer the official EACCME questionnaire.

Cloakroom and Luggage

The cloakroom is located next to the registration desk on the ground floor, please refer to the floor plan for orientation. As storage space is limited, we recommend all guests to store their baggage at the hotel. Please note that the organizer and the congress venue will not accept any liability for any items left behind.

CME Credits

An application for CME accreditation will be made. To obtain the CME certificate, the official EACCME questionnaire form must be filled out online.

Congress Bag

Congress bags can be picked up at the registration desk. Each bag contains a copy of the Congress Program at a Glance and other useful information.

Congress Program

Please note that there will be no printed program provided on-site for sustainability reasons. You may find the printed Program at a Glance in your congress bag. The full program can be viewed via the congress app or can be downloaded as a pdf from the congress website. All registered delegates will receive further information by email shortly before the congress. Delegates may also scan the QR code available at the Registration Desk using their iPhone or Android.

The French number for the ambulance service is 15.

Insurance

The organizer does not accept liability for individual medical, travel or personal insurance and participants are strongly advised to make their own arrangements in respect of health and travel insurance.

Invitation Letter

The congress organizers would be pleased to send a formal letter of invitation to delegates who require an invitation letter for visa purposes. It is understood that such an invitation is intended to help potential delegates obtain a visa or to raise funds. The letter of invitation does not imply a commitment from the congress to provide any financial support.

Further information is available on the Congress Website.

Language and Translation

The official language of the meeting is English. Simultaneous translation will not be provided.

Liability Disclaimer

In the unlikely occurrence that the congress must be cancelled or postponed due to circumstances beyond the control of the organizers (natural disasters, political, social or economic events or other unforeseen events beyond control), the organizers cannot be held liable for any costs incurred by the event attendee. The organizer will record images during the event. By virtue of attendance, attendees agree to the organizer's usage of these recordings on the website and for marketing.

Lost & Found

Please hand in all found items at the registration desk. A lost and found box will be provided there.

Lunches and Refreshments

Coffee breaks and lunch will be served in the exhibition area on the ground floor. It is not allowed to bring food into the Auditorium.

Parking Facilities

The venue offers 600 parking spaces.

Photography, audio, video and mobile phone policy

Audio, photo and video recording by any device is strictly prohibited during all scientific sessions, unless prior permission is obtained from the congress organizer.

Program Changes

The organizer reserves the right to make changes to the event program at short notice if necessary. This does not result in any reimbursement claims. Program changes will be announced during the congress.

Questions to Speakers

Wireless microphones will be at your disposal during the discussion period in all sessions. Delegates wishing to participate in the discussion periods should make their way to the nearest microphone placed in the aisles.

Registration

Registration is only possible by using the online portal on the congress website. Further information will follow soon.

For group bookings, there will be a group booking portal on the congress website.
