GAYLE
BRINKENHOFF
**BREAST CANCER
SYMPOSIUM**

LIVE EVENT
Tuesday, November 14, 2017
8 a.m. to 4 p.m.

City of Hope®

CityofHope.org

WHERE AND WHEN

November 14, 2017

Argyros Auditorium
City of Hope
1500 E. Duarte Road
Duarte, CA 91010

OBJECTIVES

- Describe recent developments in the diagnosis, classification and molecular biology of breast cancer.
- Articulate the impact and role of targeted and personalized therapy in the treatment of breast cancer.
- Manage challenging diagnoses with the implementation of new technology and testing modalities.

WHO SHOULD ATTEND

This educational program is directed toward practicing clinicians, advanced trainees and all other allied health care professionals interested in the treatment of patients with breast cancer.

CME CREDIT

City of Hope is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education (CME) for physicians.

City of Hope designates this live activity for a maximum of 5.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
