*These sessions are not accredited. The Accreditation Council for Continuing Medical Education (ACCME) requires the accredited provider must ensure that learners can easily distinguish between accredited education and other activities. Live continuing education activities: Marketing, exhibits, and nonaccredited education developed by or with influence from an ineligible company or with planners or faculty with unmitigated financial relationships must not occur in the educational space within 30 minutes before or after an accredited education activity. Activities that are part of the event but are not accredited for continuing education must be clearly labeled and communicated as such.
