

EVENT SCHEDULE

WOCNext is an annual event hosted by WOCN that educates and inspires healthcare professionals from around the world on what’s new, what’s needed, and what’s next in wound, ostomy, continence, foot, and nail care. As the only educational event of the year hosted by healthcare professionals for healthcare professionals, WOCNext delivers all the newest evidence-based education, value-packed professional development, and an inclusive experience that unlocks the power of community. Open to everyone, WOCNext provides a safe and welcoming environment for attendees to dedicate their hearts and minds to learning and growing as professionals and advancing their practice for patients everywhere.

***This is a Preliminary Event Schedule. Session titles, descriptions, and speakers are all subject to change by the WOCN Society.**
