EBCC European Breast Cancer Conference 11

Why Participate at EBCC11?

- New, practice changing data gets global visibility
- Largest breast cancer conference outside the US
- Defining together how to achieve the best possible care for the patient
- A stimulating scientific programme: burning issues at each step of the breast cancer journey
- Unique multidisciplinary meeting driving the work of multidisciplinary breast teams
- Setting direction for patient advocacy efforts and focus on the patient
- Highlight the importance of teamwork and interactions between all professionals and specialities involved in breast cancer, from bench to bedside

We look forward to welcoming
you to Barcelona!
