

SCIENTIFIC PROGRAMME

Thursday 28 September 2023

16:30 – 18:50 **Rotterdam Hall**

Plenary: Welcome Ceremony

- 16:30 – 16:35 Welcome to Rotterdam
Sylvia Kamphuis (NL)
- 16:35 – 16:45 President Address
Angelo Ravelli (IT)
- 16:45 – 16:50 ENCA Welcome
Christophe Normand (FR)
- 16:50 – 16:55 HP Welcome
Polly Livermore (UK)
- 16:55 – 17:00 EMERGE Welcome
Erdal Sag (TK)
- 17:03 – 17:13 PR&S Honorary Award Lecture
Berent Prakken (NL)
- 17:15 – 17:35 A Year in Review in Basic Science
Christoph Kessel (DE)
- 17:37 – 17:57 A Year in Review in Clinical Science
Claudia Bracaglia (IT)
- 18:00 – 18:30 Barbara Ansell Lecture
Seza Ozen (TK)
- 18:30 – 18:50 Opening Ceremony
"Just another life"

Friday 29 September 2023

08:30 – 10:00 **Rotterdam Hall 1**

Plenary – Joint ENCA: Empowering patients: Do you hear me?

08:30 - 08:50 Your experience, my future - results from a Dutch Patients' initiative
Maud Wessels (NL)

08:50 - 09:10 Combining experience and scientific expertise
Wendy Olsder (NL)
Casper Schoemaker (NL)

09:10 - 09:30 I didn't know my own strength
Lynette Bortey (UK)

09:30 - 09:50 Adolescent care: time for a rethink?
Janet McDonagh (UK)

09:50 - 10:00 Plenary discussion with all speakers

10:45 - 11:30 **Rotterdam Hall 1**

**Parallel - Joint with HP: Connecting Kids and Care:
Telemedicine in Pediatric Rheumatology**

10:45 – 11:05 Telemedicine in low-income countries
Raju Kubchandani (IN)

11:05 – 11:25 Use of parental JADAS in telemedicine
Alessandro Consolaro (IT)

10:45 - 12:00 **Rotterdam Hall 2**

Parallel: Up to date session on scleroderma

10:45 – 11:05 Powerhouses at Work: The Intricate Interplay of Interferons and Mitochondria
Alice Lepelley (FR)

11:05 – 11:25 New monogenic inflammatory diseases in 2022-2023
Marco Gattorno (IT)

11:25 – 11:45 How to explore the innate immune system?
Trine Mogensen (DK)

10:45 - 12:00 **Mees 2**

HP Session: Health literacy and patient education

- 10:45 – 10:55 Physical Literacy in children with a chronic medical condition
Johannes Nordsta (NL)
- 10:55 – 11:05 Using PROMs in Paediatric Rheumatology to promote shared-decision making and educate patients, parents and clinicians.
Hedy van Oers (NL)
- 11:05 – 11:15 The use of QR codes in patient education in ped rheumatology
Jennifer Hutchinson (UK)

13:30 - 15:00 **Rotterdam Hall 1**

Parallel: Great Debate: How do I define remission?

- 13:30 – 13:50 Remission is defined by the clinic
Mia Glerup (DK)
- 13:50 – 14:10 Remission is defined by the biology
Dirk Foell (DE)
- 14:10 – 14:30 Remission is defined by the imaging
Linda Rossi (FR)
- 14:30 – 15:00 Discussion

13:30 - 15:00 **Rotterdam Hall 2**

Parallel: Up to date session on localized scleroderma

- 13:30 – 13:50 Lessons from the international inception cohort
Ivan Foeldvari (DE)
- 13:50 – 14:10 What is new in research on juvenile scleroderma?
Katherin Torok (US)
- 14:10 – 14:30 Current management of localized scleroderma
Clare Pain (UK)
- 14:30 – 14:50 jLS, the view of the dermatologist - Up to date

13:30 - 15:00 **Mees 2**

HP Session:

Promising therapeutic approaches and lifestyle interventions in ped rheumatology

- 13:30 – 14:00 Lifestyle interventions in paediatric rheumatic diseases
Michelle Bisschops (NL)
- 14:00 – 14:30 Physical exercise and health outcomes
Florian Milatz (DE)

14:30 – 15:00 Sleep and epigenetics

16:30 - 18:00 **Rotterdam Hall 1**

Parallel: Best Abstract Clinical

16:30 - 18:00 **Rotterdam Hall 2**

Parallel: Global health in Pediatric Rheumatology

16:30 – 16:50 Osteoarticular manifestations in sickle cell disease

Faleye Ayodele (NI)

16:50 – 17:10 jDM in Africa

Angela Migowa (KY)

17:10 – 17:30 CLIPS project: international strategies to treat JIR

Michael Hofer (CH)

17:30 – 17:50 Organizing Pediatric rheumatology care in challenging times

Natalia Shevchenko (UA)

16:30 - 18:00 **Mees 2**

HP Session: Medication procedures and tolerance

16:30 – 16:50 Objective assessment of methotrexate intolerance

Catherine Tranter (UK)

17:30 – 17:50 MTX intolerance - EMDR

Lea Hoefel (DE)

17:10 – 17:30 Pain and fear related to long term needle injections

Kari Sorensen (NO)

16:50 – 17:10 Intra-articular injections distraction procedure (medical clown)

Sefi Uziel (IL)

Saturday 30 September 2023

07:30 – 08:15 **Rotterdam Hall 1**

Wake up educational session: Basic immunology for clinicians

Get up (to date) with immunology
Ger Rijkers (NL)

07:30 – 08:15 **Rotterdam Hall 2**

Wake up educational session: AI in Paediatric Rheumatology: how to use it

How to use AI in pediatric rheumatology
Fuat Akal (TK)

08:30 – 10:00 **Rotterdam Hall 1**

Plenary: Clinical & translational aspect of jSLE

08:30 – 08:50 Patient introductive talk

08:50 – 09:10 Genetics in cSLE: what is new ?
Linda Hiraki (CA)

09:10 – 09:30 Mimics for Neuropsychiatric lupus
Amita Aggarwal (IN)

09:30 – 09:50 Treat to target in cSLE
Eve Smith (UK)

09:50 – 10:00 CAR-T cells in SLE treatment
Georg Schett (DE)

08:30 – 10:00 **Rotterdam Hall 2**

HP Session: Coping with pain

8:30 – 9:00 Pain management without medications
Jana Mattei (DE)

9:00 – 9:30 Effective and ineffective pain communication in children and young people with chronic musculoskeletal pain.
Rebecca Lee (UK)

9:30 – 10:00 Supporting parents of a child with rare disease
David Gosar (SI)

08:30 – 10:00 **Mees 2**

ENCA Session: Fatigue

- 8:30 – 9:00 What is chronic fatigue and what is the difference (inc post covid)
Sanne Nijhof (NL)
- 9:00 – 9:30 Patient introducing talk. /impact on lives
Rashmi Sinha (US)
- 9:30 – 10:00 Practical tips
Kari Cupp (US)

10:30 – 12:00 **Rotterdam Hall 1**

Parallel: 'How I Treat' session

Fibromyalgia in children, Osteoporosis (Idiopathic and iatrogenic), TMJ involvement in JIA

- 10:30 – 10:50 HIT fibromyalgia
Clara Malattia (IT)
- 10:50 – 11:10 HIT Osteoporosis
Rosa Bou (ES)
- 11:10 – 11:30 HIT TMJ arthritis
Peter Stoustrup (DK)

10:30 – 12:00 **Rotterdam Hall 2**

Parallel: Best Abstract session basic

10:30 – 12:00 **Mees 2**

ENCA Session: Round table

15:50 – 17:20 **Rotterdam Hall 1**

Plenary: Great debate about ILAR Classification

- 15:50 – 16:10 It should be essentially clinical
Nicola Ruperto (IT)
- 16:10 – 16:30 It should be about system biology
Rae Yeung (CA)

15:50 – 17:20 **Rotterdam Hall 2**

Parallel: Outcome and measure in JDM

- 15:20 – 15:40 Novel understanding of Pathogenesis of JDM
Meredyth Wilkinson (UK)
- 15:40 – 16:00 Outcome measures in JDM
Liza McCann (UK)

16:00 – 16:20 JAKi and JDM
Brigitte Bader-Meunier (FR)

15:50 – 17:20 Mees 1

ENCA Session: The impact of diseases on education

15:50 – 16:20 Enabling and empowering children with RMDs in education
Rebecca Beesley (UK)

17:30 – 18:30 Rotterdam Hall 1

Parallel: Up-to date session Difficult to treat JIA

17:30 – 17:50 Challenges cases in sytemic JIA
Fabrizio de Benedetti (IT)

15:50 – 18:10 Difficult to treat pJIA
Kirsten Minden (DE)

18:10 – 18:30 Difficult to treat ERA & Psoriatic arthritis
Pamela Weiss (US)

17:30 – 18:30 Rotterdam Hall 2

**Parallel: News in immunomonitoring and drug development
in pediatric rheumatic diseases**

17:30 – 17:50 ISG, Simoa and other news tools in biomarker research
Marjan Versnel (NL)

17:50 – 18:10 Peptide-coupled cells to induce antigen-specific
immune tolerance in multiple sclerosis
Andreas Lutterotti (IT)

18:10 – 18:30 Treatment development in Rheumatic disease: the view the Industry ?
Kiran Nistala (UK)

17:30 – 18:30 Mees 2

Patient and Public Involvement in Paediatric Research

17:30 17:55 Title TBC
Sammy Ainsworth (UK)

17:55 18:20 Research agenda setting with children with
Juvenile Idiopathic Arthritis: Addressing the needs of children in research practice
Karijn Aussums (NL)

18:20 18:45 Your experience, My future; children and young people
with Juvenile Idiopathic Arthritis exchange perspectives.

Maaïke Hoogeweegen (NL)

Bas (NL)

17:30 – 18:30

Penn 2

**HP Workshop: Monitoring and Increasing Physical Activity in children
and youngsters with rheumatic diseases**

Why and how to assess physical fitness and PA with specific scales, tools,
mobile app and wearable technologies?

Asena Yektaneh (TR)

Nilay Arman (TR)

Sunday 1 October 2023

08:30 – 10:00 **Rotterdam Hall 2**

ENCA Session: Young People and Mental Health Session

08:30 – 09:00 The mental health impact of JIA
Polly Livermore (UK)

09:00 – 09:30 Mental health and JIA: Families, and how we can support them
Richard Beesley (UK)

09:30 – 10:00 Supporting the psychological and social impacts during transition to adult clinics
Gabi Erbis (DE)

09:00 – 10:15 **Rotterdam Hall 1**

Plenary: Environment and Rheumatic diseases

09:00 – 09:25 Climate and rheumatic diseases
Xavier Rodo (SP)

09:25 – 09:50 COVID-19 associated vasculopathy
Ezgi Deniz Batu (TK)

09:50 – 10:15 Gut & microbiota: a spark for the fire

10:45 – 11:40 **Rotterdam Hall 1**

Plenary: Great debate: Genotype or Phenotype first ?

10:45 – 11:05 Genotype First
Ivona Aksentijevich

11:05 – 11:25 Phenotype First
Isabelle Koné-Paut (FR)

11:45 – 13:10 **Rotterdam Hall 1**

Diagnosing difficult cases – interactive session

The game is on!

Play and win - interactive challenge to diagnose difficult cases from all continents

Sylvia Kamphuis (NL)

Amita Aggarwal (IN)

Erdal Sag (TR)

Troels Herlin (DK)

Alexandre Belot (FR)

13:15 - 13:30

Rotterdam Hall 1

Closure of the congress

Angelo Ravelli (IT)
