

Preliminary Programme 23.11.2016

Day + Time	Programme
Saturday, 09.09.	
08.00 - 13.00	Pre-Congress Activities (Basic + clinical courses, Ultrasound course, IGN, ETA-CRN)
13.00 - 13.45	Lunch
13.45 - 14.00	Opening Ceremony
14.00 - 16.00	Oral Session 1: Topic highlights (6x15min talks + 6x5min disc)
16.00 - 17.00	Poster Session 1 + coffee break
17.00 - 18.00	ETA Industry-sponsored Satellite Symposium 1
18.15 - 19.00	ETJ Lecture
19.30 - 22.00	Welcome reception
Sunday, 10.09.	
07.00 - 08.00	ETA Industry-sponsored Satellite Symposium 2
08.00 - 09.30	Scientific Symposium
	Symposium 1 (clinical): Central Hypothyroidism
	Symposium 2 (basic): Redifferentiation in thyroid cancer
09.30 - 10.00	Coffee Break
10.00 - 12.00	Oral sessions
	Oral session 2 (clinical)
	Oral session 3 (basic)
12.00 - 13.00	Poster sessions 2 + lunch
13.00 - 14.00	ETA Industry-sponsored Satellite Symposium 3
14.00 - 14.45	Meet the Expert
	Meet the Expert 1: Controversy in Radioiodine treatment for thyroid cancer in the era of ATA guidelines
	Meet the Expert 2: Management of thyroid hormone resistance
	Meet the Expert 3: Measuring deiodinase activity and tissue thyroid hormone levels
	Meet the Expert 4: Genome Wide Mapping of Thyroid Hormone Receptor Transcriptional Regulation
14.50 - 15.30	Lissitzky Award
15.30 - 16.00	Coffee Break
16.00 - 18.00	Oral Sessions
	Oral session 4 (clinical)
	Oral session 5 (basic)
18.15 - 19.45	ETA Industry-sponsored Satellite Symposium 4
Monday, 11.09.	
07.00 - 08.00	ETA Industry-sponsored Satellite Symposium 5
08.00 - 09.30	Scientific Symposium
	Symposium 3 (clinical): TH dependent Developmental switch
	Symposium 4 (basic): Targeting Tissue specific TH action
9.30-10.00	Coffee Break
10.00-12.00	Oral Sessions
	Oral session 6 (clinical)

	Oral session 7 (basic)
12.00-13.00	Poster Session 3 + Lunch
13.00 - 14.00	ETA Industry-sponsored Satellite Symposium 6
14.00 - 14.45	Meet the Expert
	Meet the Expert 5: TH and metabolism
	Meet the Expert 6: Natural History and Prevention of thyroid eye disease
	Meet the Expert 7: New model systems of thyroid organogenesis
	Meet the Expert 8: Circulating free nucleic acids in thyroid cancer
14.45 - 15.00	Coffee Break
15.00-17.00	Oral Sessions
	Oral session 8 (clinical)
	Oral session 9 (basic)
17.10 - 17.50	Pinchera Prize Lecture
18.00 - 19.15	General Assembly
20.00	ETA Network Dinner
Tuesday, 12.09.	
07.30 - 08.00	Short Call Abstracts (3x20 min. talks)
08.00 - 08.30	Research Grant Winner 2015 presentations
08.30 - 10.30	Young Investigators Sessions (Basic 6 talks + Clinical 6 talks)
	Oral Session 10: YI Clinical + Translational
	Oral Session 11: YI Basic
10.30 - 11.00	Coffee Break + Lunch
11.00 - 13.00	Oral Sessions
	Oral session 12 (clinical)
	Oral session 13 (basic)
13.10 - 14.40	Scientific Symposium
	Symposium 5 (translational): Non classical action of TH
	Symposium 6 (basic): The most effective surgical approach for thyroid cancer
14.40 - 15.00	Prize Ceremony and Closure
