

09 - 10 NOV 2017
TEL AVIV, ISRAEL
www.esahq.org

An aerial photograph of Tel Aviv, Israel, showing a dense urban landscape with numerous skyscrapers and residential buildings. In the foreground, a sandy beach is visible with some people and umbrellas, and the turquoise Mediterranean Sea is on the right. A rocky breakwater is visible at the bottom of the frame.

**FOCUS MEETING
ON PERIOPERATIVE MEDICINE**

REGIONAL
ANAESTHESIA
IN THE PERIOPERATIVE
SETTING

09:30 - 09:45

Zeev Goldik (IL) - President of the European Society of Anaesthesiology (ESA)
 Benjamin Drenger (IL) - President of Israeli Society of Anesthesiologists (ISA)
 Eran Segal (IL) - ICISA 2017 Conference President
 Charles Marc Samama (FR) - Chair of the ESA Scientific Committee
 Gabriella Iohom (IE) - Past Chair of the ESA Scientific Subcommittee Regional Anaesthesia

09:45 - 10:30**1L1 - PLENARY Preview of guidelines on perioperative ultrasound**

Chair: Gabriella Iohom (IE)
 Speaker: Massimo Lamperti (UAE)

10:30 - 11:00 BREAK**11:00 - 11:45****1L2 - Soft tissue imaging**

Chair: Massimo Lamperti (UAE)
 Speaker: D. Fodor (RO)

1RC1 - Neuraxial blockade revisited

Chair: Beverly K. Philip (US)
 Speaker: Carolyn Weiniger (IL)

1RC2 - Trunk blocks revisited

Chair: Sébastien Bloc (FR)
 Speaker: Luc Sermeus (BE)

12:00 - 14:00 LUNCH SYMPOSIUM**14:00 - 15:30****1S1 - All you ever wanted to know about regional anaesthesia but were afraid to ask**

Chair: Peter Biro (CH)
 Regional anaesthesia - why bother? - William Harrop-Griffith (UK)
 My block doesn't work! What next? - Hervé Bouaziz (FR)
 The current state of intraneural injections - Ron Samet (US)

1S2 - Enhanced Recovery After Surgery (ERAS): the knee replacement model

Chair: Benjamin Drenger (IL) Surgical and anaesthetic considerations -
 Gabriella Iohom (IE) Analgesic peripheral nerve blocks - Eric Albrecht (CH) Do we
 still need to block the knee? Multimodal analgesia - Arthur Atchabahian (FR)

1S3 - Perioperative pain management

Chair: Jan Van Zundert (BE) Intravenous lidocaine in the perioperative setting -
 Adela-Hilda Onutu (RO) Chronic postsurgical pain - preventive strategies - George
 Shorten (IE) New trends in the management of chronic knee pain - Jan Van
 Zundert (BE)

15:30 - 16:00 BREAK

16:00 - 17:00

1PC1 - Ultrasound guided nerve blocks in anaesthetised patients

Chair - Hervé Bouaziz (FR)

PRO - Ron Samet (US)

CON - Sébastien Bloc (FR)

1PC2 - Regional anaesthesia and cancer - where is the evidence?

Chair: Andreas Hoeft (DE)

PRO - Does prevent cancer recurrence: Daniel Sessler (US)

CON - Does not prevent cancer recurrence: William Harrop-Griffith (UK)

1PC3 - Spinal anaesthesia for day case surgery

Chair: Xavier Sala-Blanch (ES)

PRO - Peter Biro (CH)

CON - Beverly K. Philip (US)

17:15 - 18:00

1L3 - Regional anaesthesia for day case surgery

Chair: Ron Samet (US)

Speaker: Xavier Sala-Blanch (ES)

1RC3 - Lower limb blocks revisited

Chair: William Harrop-Griffith (UK)

Speaker: Philipp Lirk (US)

1RC4 - Upper limb blocks revisited

Chair: Arthur Atchabahian (FR)

Speaker: Eric Albrecht (CH)

1WS1 08:15 - 10:15

Foundation

Chair: Alparslan Apan (TK)
Axillary: Adela-Hilda Onutu (RO)
Femoral: Attila Bondar (HU)
Popliteal: Adrian Grunfeld (IL)
Phantoms: Evgeny Reider (IL) and Szilard Szucs (IE)

1WS2 10:45 - 12:45

Foundation

Chair: Adrian Grunfeld (IL)
Axillary: Romain Beley (FR)
Femoral: Evgeny Reider (IL)
Popliteal: Didier Morau (FR)
Phantoms: Estrelle Morau (FR) and Alparslan Apan (TK)

1WS3 13:30 - 15:30

Advanced

Chair: Attila Bondar (HU)
Upper limb blocks: Romain Beley (FR)
Lower limb blocks: Szilard Szucs (IE)
Neuraxial: Svetlana Galitzine (UK)
Trunk: Luc Sermeus (BE)

1WS4 16:00 - 18:00

Advanced

Chair: Alparslan Apan (TK)
Upper limb blocks: Didier Morau (FR)
Lower limb blocks: Attila Bondar (HU)
Neuraxial: Estrelle Morau (FR)
Trunk: Luc Sermeus (BE)

08:30 - 09:15**2L4 - Novel local anaesthetics and peripheral antinociceptive drugs**

Chair: Kai Zacharowski (DE)

Speaker: Philipp Lirk (US)

2RC5 - Lipid rescue in the treatment of Local Anesthetic Systemic Toxicity

Chair: Andreas Hoeft (DE)

Speaker: Guy Weinberg (US)

2RC6 - Treatment of facet-related low back pain: evidence-based standards for good clinical outcome

Chair: Eric Albrecht (CH)

Speaker: Jan van Zundert (B)

09:30 - 11:00**2S4 - Perioperative anticoagulation**

Chair: Charles Marc Samama (FR)

Direct oral anticoagulants: Charles Marc Samama (FR)

Neuraxial blocks in coagulopathic parturients: Alexander Ioscovich (IL)

Peripheral nerve blocks in anticoagulated patients: Arthur Atchabahian (FR)

2S5 - Is the perioperative risk worth taking?

Chair: Philipp Lirk (US)

Systemic opioids: Kai Zacharowski (DE)

Epidural analgesia: Sharon Orbach (IL)

Peripheral nerve blocks: Peter Merjavy (UK)

2S6 - Other than mainstream regional anaesthesia techniques

Chair: Federico Bilotta (IT)

...for awake fiberoptic intubation: Peter Biro (CH)

...for awake craniotomy: Federico Bilotta (IT)

...for eye surgery: Chandra Kumar (UK)

11:00 - 11:30 BREAK**11:30 - 12:30****2PC4 - Postoperative epidural analgesia should no longer be offered**

Chair: George Shorten (IE)

PRO - Peter Merjavy (UK)

CON - Daniela Ionescu (RO)

2PC5 - Compartment syndrome and regional anaesthesia: where is the evidence?

Chair: Andreas Hoeft (DE)

PRO - Eric Albrecht (CH)

CON - Gabriella Iohom (IRL)

2PC6 - Perineural dexamethasone as adjunct to local anaesthetics

Chair: Jan van Zundert (B)

PRO - Sébastien Bloc (FR)

CON - Xavier Sala-Blanch (ES)

12:30 - 14:30 LUNCH SYMPOSIUM

14:30 - 16:00

2S7 - Perioperative regional anaesthesia in.....

Chair: Chandra Kumar (UK)

The paediatric population: Jerrold Lerman (US)

The intensive care unit: Sharon Einav (IL)

The high risk cardiac patient undergoing non-cardiac surgery: Idit Matot (IL)

2S8 - Education

Chair: Peter Merjavy (UK)

The potential role of ultrasound in the undergraduate curriculum: D. Fodor (RO)

Formal Regional Anaesthesia programme in a teaching hospital:

the Oxford experience: Svetlana Galitzine (UK)

Proficiency based programme for regional anaesthesia: George Shorten (IE)

2S9 - How to make the most of my neural blockade?

Chair: Federico Bilotta (IT)

Target controlled sedation in regional anaesthesia: Massimo Lamperti (UAE)

Perineural additives worth considering: Sébastien Bloc (FR)

Liposomal bupivacaine or perineural catheters? Hervé Bouaziz (FR)
