

SUNDAY, 27 APRIL, 2025

8:00 - 9:30 a.m.

PLENARY 1: Opening General Session

Primary Core Therapy: ALL | Primary Practice Area: ALL

10:00 - 11:15 a.m.

SYMPOSIUM 01: Setting the Goals for the Temporary and Durable MCS Field for 2030 ... and the Journey to Get There!

Primary Core Therapy: MCS | Primary Practice Area: Cardiology | Secondary Practice Area: Cardiothoracic Surgery

SYMPOSIUM 02: Closing the Loop on Telomere Biology Disorders in Lung Transplantation

Primary Core Therapy: LUNG | Primary Practice Area: Pulmonology | Secondary Practice Area: Pediatrics

SYMPOSIUM 03: New Frontiers in Advancing Global Lung Transplantation

Primary Core Therapy: LUNG | Primary Practice Area: Pulmonology | Secondary Practice Area: Cardiothoracic Surgery

SYMPOSIUM 04: Bringing Back the Perfect Donor Heart: Can We Do Better?

Primary Core Therapy: HEART | Primary Practice Area: Cardiothoracic Surgery | Secondary Practice Area: Cardiology

SYMPOSIUM 05: Hot Blooded: Infectious Complications in Patients with Durable MCS

Primary Core Therapy: MCS | Primary Practice Area: Infectious Diseases | Secondary Practice Area: Nursing/Allied Health

SYMPOSIUM 06: Pioneering New Frontiers in Pulmonary Hypertension Diagnosis and Care

Primary Core Therapy: PVD | Primary Practice Area: Cardiology | Secondary Practice Area: Pulmonology

1:15 - 2:30 p.m.

SYMPOSIUM 07: Go DCD: Giving a Green Light to Innovation in Heart Transplantation

Primary Core Therapy: HEART | Primary Practice Area: Cardiology | Secondary Practice Area: Cardiothoracic Surgery

SYMPOSIUM 08: The Two Faces of the Moon: Macro and Microvascular Involvement in CAV

Primary Core Therapy: HEART | Primary Practice Area: Cardiology | Secondary Practice Area: Pathology

SYMPOSIUM 09: Return of the Jedi: Heart-Lung Transplantation in the Modern Era of Thoracic Transplantation

Primary Core Therapy: LUNG | Primary Practice Area: Pulmonology | Secondary Practice Area: Cardiology

SYMPOSIUM 10: Kids and Their Devices! Game-Changing Breakthroughs in Pediatric VADs

Primary Core Therapy: MCS | Primary Practice Area: Pediatrics | Secondary Practice Area: Cardiology

SYMPOSIUM 11: All Change in the World of Pulmonary Hypertension: Updates from 7th World Symposium

Primary Core Therapy: PVD | Primary Practice Area: Cardiology | Secondary Practice Area: Pulmonology

SYMPOSIUM 12: Translating Innovations in Technology and Patient Adherence into Daily Clinical Practice: The Power of Implementation Science

Primary Core Therapy: HEART | Primary Practice Area: Nursing/Allied Health | Secondary Practice Area: Cardiology

SYMPOSIUM 13: Making the Team Work, Together: Interactive Cases for the Early Career Professional

Primary Core Therapy: ALL | Primary Practice Area: ALL

MONDAY, 28 APRIL, 2025

8:00 - 9:15 a.m.

SYMPOSIUM 14: JHLT at ISHLT: The Best of 2024

Primary Core Therapy: ALL | Primary Practice Area: ALL

SYMPOSIUM 15: Fighting For Our 'RIGHTS': Approach to Acute RV Failure in the Cardiac Care Unit

Primary Core Therapy: MCS | Primary Practice Area: Cardiology | Secondary Practice Area: Anesthesiology and Critical Care

SYMPOSIUM 16: Molecular Monitoring: Going from One Tool to a Utility Belt in Adult and Pediatric Heart Transplantation

Primary Core Therapy: HEART | Primary Practice Area: Cardiology | Secondary Practice Area: Pathology

SYMPOSIUM 17: Candidate Selection Live! Will You Offer this Advanced Heart Failure Patient an LVAD or Transplant?

Primary Core Therapy: HEART | Primary Practice Area: Cardiology | Secondary Practice Area: Cardiothoracic Surgery

SYMPOSIUM 18: Microbiome and Muscle: From Heart Failure to Durable MCS

Primary Core Therapy: MCS | Primary Practice Area: Cardiology | Secondary Practice Area: Cardiothoracic Surgery

SYMPOSIUM 19: Pre-Lung Transplant Patient Selection and Optimization

Primary Core Therapy: LUNG | Primary Practice Area: Pulmonology | Secondary Practice Area: Nursing/Allied Health

9:45 - 11:15 a.m.

PLENARY 2: General Session II

Primary Core Therapy: ALL | Primary Practice Area: ALL

11:45 a.m. - 12:45 p.m.

SPECIAL SESS 01: (Non-CME) ISHLT en Español: Ser los Campeones en Trasplante Torácico: Limites, Matices y Retos en la Ruta desde el Pre a el Post-Trasplante

Primary Core Therapy: ALL

1:15 - 2:30 p.m.

SYMPOSIUM 20: More than One-Hit Wonders: Getting from Temporary MCS to Discharge

Primary Core Therapy: MCS | Primary Practice Area: Cardiology | Secondary Practice Area: Cardiothoracic Surgery

SYMPOSIUM 21: Infectious Showdown! Conquering Transplant Challenges from Mycobacteria to Mycoses

Primary Core Therapy: LUNG | Primary Practice Area: Infectious Diseases | Secondary Practice Area: Pulmonology

SYMPOSIUM 22: Hot Topics in Electrophysiology and Durable MCS

Primary Core Therapy: MCS | Primary Practice Area: Cardiology | Secondary Practice Area: Anesthesiology and Critical Care

SYMPOSIUM 23: Navigating PH with Heart Failure, MCS, and Transplantation

Primary Core Therapy: PVD | Primary Practice Area: Cardiology | Secondary Practice Area: Pulmonology

SYMPOSIUM 24: Next-Gen Lung Transplantation: Mastering Donor Optimization, DCD Strategies, and EVLP Breakthroughs

Primary Core Therapy: LUNG | Primary Practice Area: Cardiothoracic Surgery | Secondary Practice Area: Pulmonology

SYMPOSIUM 25: Cardiothoracic DCD for the Nursing/Allied Health Adult and Pediatric Teams: Where to Begin

Primary Core Therapy: HEART | Primary Practice Area: Nursing/Allied Health | Secondary Practice Area: Pediatrics

SYMPOSIUM 26: A Game of Immunologic 'Wack-A-Mole': The Challenge of AMR in Heart Transplantation

Primary Core Therapy: HEART | Primary Practice Area: Cardiology | Secondary Practice Area: Pharmacy

TUESDAY, 29 APRIL, 2025

8:15 - 9:30 a.m.

SYMPOSIUM 27: Are You Ready For a Pig Heart?

Primary Core Therapy: HEART | Primary Practice Area: Research and Immunology | Secondary Practice Area: Cardiothoracic Surgery

SYMPOSIUM 28: CLAD Diagnosis and Treatment: the Midnight Ride of Paul Revere

Primary Core Therapy: LUNG | Primary Practice Area: Pulmonology | Secondary Practice Area: Research and Immunology

SYMPOSIUM 29: Operative Advances in Lung Transplant: Bridging Big Ideas and Small Solutions

Primary Core Therapy: LUNG | Primary Practice Area: Pulmonology | Secondary Practice Area: Cardiothoracic Surgery

SYMPOSIUM 30: Joint ISHLT-CSWG Symposium: Where We Are and Where We Need To Go

Primary Core Therapy: MCS | Primary Practice Area: Cardiology | Secondary Practice Area: Anesthesiology and Critical Care

SYMPOSIUM 31: Rare but Serious: Pulmonary Vascular Disease Around the World

Primary Core Therapy: PVD | Primary Practice Area: Cardiology | Secondary Practice Area: Pulmonology

SYMPOSIUM 32: The Role of the Caregiver in Heart Replacement Therapies

Primary Core Therapy: MCS | Primary Practice Area: Nursing/Allied Health | Secondary Practice Area: Cardiology

SYMPOSIUM 33: The Full Fonty: Dilemmas in Failing Fontan

Primary Core Therapy: HEART | Primary Practice Area: Cardiology | Secondary Practice Area: Cardiothoracic Surgery

1:15 - 2:30 p.m.

SYMPOSIUM 34: Happy Right, Happy Life: Strategies to Optimize the Right Ventricle For and During LVAD Implantation

Primary Core Therapy: MCS | Primary Practice Area: Cardiology | Secondary Practice Area: Anesthesiology and Critical Care

SYMPOSIUM 35: Contractor's Dilemma: Phenotypes and Mechanical Support Strategies in Cardiogenic Shock

Primary Core Therapy: MCS | Primary Practice Area: Cardiology | Secondary Practice Area: Cardiothoracic Surgery

SYMPOSIUM 36: Innovation and Integration of Novel Surveillance Strategies, Biomarkers, and Omics in Heart and Lung Transplantation

Primary Core Therapy: HEART | Primary Practice Area: Cardiology | Secondary Practice Area: Pulmonology

SYMPOSIUM 37: ECLS/ECMO in Lung Transplantation

Primary Core Therapy: LUNG | Primary Practice Area: Cardiothoracic Surgery | Secondary Practice Area: Anesthesiology & Critical Care

SYMPOSIUM 38: Heart and Healing: Navigating Challenges in Cancer and Transplantation

Primary Core Therapy: HEART | Primary Practice Area: Cardiology | Secondary Practice Area: Nursing/Allied Health

SYMPOSIUM 39: Joint ISHLT-IPTA Symposium: Sometimes Just a Thoracic Organ is Not Enough - Multiorgan Transplantation

Primary Core Therapy: HEART | Primary Practice Area: Pediatrics | Secondary Practice Area: Cardiothoracic Surgery

SYMPOSIUM 40: Acute Lung Allograft Dysfunction: Updates and Evolution

Primary Core Therapy: LUNG | Primary Practice Area: Pulmonology | Secondary Practice Area: Research and Immunology

WEDNESDAY, 30 APRIL, 2025

9:30 - 11:00 a.m.

PLENARY 3: General Session III

Primary Core Therapy: ALL | Primary Practice Area: ALL

11:15 a.m. - 12:30 p.m.

SYMPOSIUM 41: Winning the Race: Improving Heart Transplant Survival with Policy and Allocation

Primary Core Therapy: ALL | Primary Practice Area: Cardiology | Secondary Practice Area: Pulmonology

SYMPOSIUM 42: The Dark Knight Rising: How to Manage Antibodies Pre/peri-Transplant in Thoracic Transplantation

Primary Core Therapy: HEART | Primary Practice Area: Cardiology | Secondary Practice Area: Pulmonology

SYMPOSIUM 43: Keeping the Engine Alive: Challenges in the Management of Patients on Durable MCS

Primary Core Therapy: MCS | Primary Practice Area: Cardiology | Secondary Practice Area: Cardiothoracic Surgery

SYMPOSIUM 44: Thoracic Donors: Unsung Heroes in a Time of Need

Primary Core Therapy: LUNG | Primary Practice Area: Cardiothoracic Surgery | Secondary Practice Area: Anesthesiology & Critical Care

SYMPOSIUM 45: Wicked ILD: Challenging cases in Pre-operative Management of Interstitial Lung Disease

Primary Core Therapy: LUNG | Primary Practice Area: Pulmonology | Secondary Practice Area: Cardiothoracic Surgery

SYMPOSIUM 46: Pediatric Pulmonary Hypertension: from Birth to Transition

Primary Core Therapy: PVD | Primary Practice Area: Pediatrics | Secondary Practice Area: Cardiology
