

MASTERS OF CARDIOLOGY 2019

Taking place from January 18th through 20th 2019 in beautiful Kingston, Jamaica, draws hundreds of exhibitors and clinicians from across the globe, presenting world-renowned keynote presenters and speakers who will highlight the most innovative and cutting-edge practices and protocols that can be applied to cardiovascular care and technology in low-resource environments.

Mark E. Anderson, MD, PhD
Chairman, Department of Medicine,
Johns Hopkins University School of Medicine
William Osler Professor of Medicine

OUR KEYNOTE PRESENTERS

Michael S. Parmacek, MD
Chair, Department of Medicine
Univ. of Pennsylvania Perelman School of Medicine
Frank Wister Thomas Professor of Medicine
Raymond & Ruth Perelman School of Medicine

WHY YOU SHOULD ATTEND

- Connect with Experts and Thought Leaders
- Discover Innovations that Impact Patient Care
- Network with Peers
- Demo the latest Technologies
- Earn up to 18 CME Credits

OUR MASTERS

Elizabeth Ofili, MD, MHP
Director and Senior Associate Dean, Morehouse School of Medicine

Ernest Madu
CEO, Heart Institute of the Caribbean

Javed Butler, MBBS
Chairman Dept. of Medicine, University of Mississippi Medical Center

Eric Velazquez, MD
Chief, Cardiovascular Medicine, Yale University and Yale New Haven Hospital

Glen N. Gaulton, PhD
Vice Dean, University of Pennsylvania Perelman School of Medicine

Karol Watson, MD, PhD
Chair in Medicine, David Geffen School of Medicine at UCLA

AND MANY MORE...

SCHEDULE OF EVENTS

TIME	TOPIC
THURSDAY JANUARY 17, 2019	
12:00-7:00 PM	Arrival of Attendees and Registration
FRIDAY JANUARY 18, 2019	
7:00 AM	Registration Begins
9:00 AM-3:00 PM	Session 1 — Community Service at Heart Institute of the Caribbean
6:00-8:30 PM	Welcome Reception <ul style="list-style-type: none"> ● Cocktails with cultural performances ● Welcome Greetings and Introduction of Prime Minister by Mr. Tom Tavares-Finson, President of the Senate, Jamaica ● Opening Remarks and Official Declaration of Conference Opening by Hon. Andrew Holness, MP, Prime Minister of Jamaica (TBC)
SATURDAY JANUARY 19, 2019	
7:00 AM	Registration Begins
8:00-9:50AM	Session 2: Bridging Access to Care. Moderator: TBD
8:00AM	Welcome and Opening Remarks
8:15AM	Keynote Lecture: Training Physician Leaders — Michael Parmacek, MD
8:45AM	Racial Disparities in Cardiovascular Care - Diagnosis and Management — Keith Ferdinand, MD
9:10AM	The role of Translational Research in global Health Equity — Elizabeth Ofili, MD, MPH
9:45AM	Leveraging International Expertise to improve care in developing countries through Telemedicine — David Harrison, MD
10:15 - 10:30AM	COFFEE BREAK
10:30AM - 12:20PM	Session 3: Imaging, Ischemic and Non Ischemic Heart Disease. Moderator: TBD
10:30AM	Keynote Lecture: Cardiac Imaging in Ischemic and Non Ischemic Cardiomyopathy — Vic Ferrari
11:00AM	Diagnostic Options and therapy in patients with acute and chronic Ischemic Heart Disease — Ahmed Soliman, M.D.
11:20AM	Diagnosis and treatment of patients with Non Ischemic Cardiomyopathy — Ola Akinboboye, MD
11:50AM	Diagnosis and Treatment of Heart Disease in Women — Karol Watson, MD
12:20PM	Questions to the Panel
12:35-1:25	LUNCH/Meet the Experts
1:30-3:30PM	Session 4: Heart Failure. Moderator:
1:30PM	Keynote: Molecular and Genetic Basis of Heart Failure; Implications for Treatment — Tom Cappola, MD
1:55PM	Lessons from STICH Paradigm HF and Pioneer HF Trials - Implications for Caribbean Patients - Eric Velazquez, MD
2:20PM	Device Therapy for Heart Failure Patients - Javed Butler, MD
2:45PM	Diagnosis and Management of Arrhythmias in Heart Failure Patients — Walter Clair, MD, MPH
3:05PM	Heart Failure in Caribbean Patients- Special Considerations — Felix Nunura, MD
3:30PM	Questions to the Panel
3:45 - 5:00PM	Session 5: Cardiovascular Risks and Preventive Cardiology with special focus on Patients of African Origin. Moderator — TBD
3:45PM	Keynote: Addressing Cardiovascular Disease in Afro-Caribbean populations through cardiovascular risk prevention — Karol Watson, MD, PhD
4:00	Role of Diabetes and Lipid Disorders in Heart Disease in the Caribbean — Michael Boyne, MD

*N.B. - All speakers and topics are subject to change without notice.

TIME	TOPIC
4:25	Metabolic Syndrome and increased risk of cardiovascular disease in black population – Marietta Ambrose, MD
4:55	Hypertensive Heart Disease in Black Patients-Special Considerations for the Caribbean – Barbara Hutchinson, MD, PhD
5:15	Questions to the Panel
6:00	Social Event
SUNDAY JANUARY 20, 2019	
8:00AM	Registration Begins
8:00 – 10:30AM	Session 6: Cardiovascular Therapeutics and Interventions (Moderator: TBD)
8:00AM	Welcome and Opening Remarks
8:10AM	Special Keynote Lecture: Emerging Novel Therapeutic options in Cardiology – Mark Anderson, MD
8:45AM	Interventional Cardiovascular Therapy options in the Caribbean – Roberto Baglini, MD, PhD
9:10AM	Cardiovascular Surgery Options in the Caribbean – Nche Zama, MD, PhD
9:35AM	Cardiac Anesthesia in the Caribbean – Jason Toppin, MD
10:00AM	Questions to the Panel
10:15 – 10:30AM	COFFEE BREAK
10:30 – 11:40AM	Session 7: International Collaboration in Bridging Access Gap in Low Resource Nations (Moderator: TBD)
10:30 AM	Keynote Lecture: Emerging Novel Therapeutic options for Cardiovascular Treatment – Mark Anderson, MD
10:55AM	Capacity building for effective cardiac care delivery – Felix Sogade, MD
11:20AM	Opportunities for Cardiac Care Collaborations 1 – Tom Cappola, MD
11:45AM	Opportunities for Cardiac Care Collaborations 2 – Eric Velazquez, MD
12:05 – 12.50PM	Discussion Panel: International partnerships to Improve Healthcare Outcomes in Developing countries – Mark Anderson, Javed Butler, Felix Sogade, Glenn Gaulton, Ernest Madu, Michael Parmacek, Eric Velazquez and David Harrison
12.50 – 1:35PM	LUNCH/MEET THE EXPERTS
1:35 – 2:35PM	Session 8: Case Presentation from the Heart Institute of the Caribbean – Dr. Daniel Nepal, Moderator; TBD
	Application of new therapies and technologies to cardiac care in the Caribbean – Douglas Waldo, MD
2.35 – 5:00PM	Session 9: Healthcare Economics, Quality and Standard of Care (Moderator: TBD)
2.35PM - 2.55PM	Healthcare Economics and the Shift to Value Based Healthcare-Medtronic Speaker
	PANEL ON QUALITY AND STANDARD OF CARE
3.10PM	Driving Quality and Standard of Care-Insights from Johns Hopkins – Mark Anderson, MD, PhD
3:25PM	Driving Quality and Standard of Care-Insights from Heart Institute of the Caribbean- Dainia Baugh, MD
3:40PM	Driving Quality and Standard of Care-Insights from Vanderbilt – Walter Clair, MD
3:55PM	Driving Quality and Standard of Care-Insights from Yale – Eric Velazquez, MD
4.10PM	Driving Quality and Standard of Care-Insights from UCLA – Karol Watson, MD, PhD
4.25PM	Driving Quality and Standard of Care-Insights from Penn – Michael Parmacek, MD
4.40PM	Questions to the Panel
5:00PM	Closing Comments – Barbara Hutchinson, Felix Sogade, Ernest Madu
5:30PM	END OF CONFERENCE

*N.B. - All speakers and topics are subject to change without notice.
