RHINA 2019- European Rhinallergy Meeting 21 - 23 March 2019 Eastbourne, United Kingdom

Preliminary Programme

Thursday, 21 March 2019

12:00 – 13:00	Room: Foyer Registration
13:00 – 13:30	Room: Central Hall Opening Address <i>Carsten Schmidt-Weber, Germany</i>
13:30 – 15:00	Room: Central Hall Session 1 – New perspectives in allergy mechanisms
13:30 – 13:50	Molecular diagnosis and digital medicine for allergic rhinitis and allergen immunotherapy <i>Paolo Matricardi, Germany</i>
13:50 – 14:10	Advances in molecular allergology <i>Paloma Campo, Spain</i>
14:10 – 14:30	Transcriptomics in pollen allergy & immunotherapy <i>Sanna Toppila-Salmi, Finland</i>
14:30 – 14:45	O01
14:45 – 15:00	O02

15:00 – 15:30	Room: Pier Suites Coffee Break
15:30 – 17:00	Room: Central Hall Session 2 – Common mechanisms in severe united airways disease
15:30 – 15:50	Pathogenic mechanisms in Severe united airways disease
15:50 – 16:10	Barrier (dis)function in Severe united airways disease <i>Brecht Steelant, Belgium</i>
16:10 – 16:30	Nasal Proteome in Severe united airways disease
16:30 – 16:45	O03
16:45 – 17:00	O04
17:30 – 19:30	Room: Pier Suites / Foyer Welcome Reception and Poster Discussion Session I

Friday, 22 March 2019

08:00 – 09:30	Room: Central Hall Session 3 – Mechanism of immune regulation and tolerance
08:00 – 08:20	T cell tolerance <i>Mohamed Shamji, United Kingdom</i>
08:20 – 08:40	B cell tolerance <i>Mübecce Akdis, Switzerland</i>
08:40 – 09:00	Biomarkers of immune tolerance <i>Lars Jacobsen, Denmark</i>
09:00 – 09:15	O05
09:15 – 09:30	O06
09:30 – 10:00	Room: Central Hall Interactive debate SLIT vs SCIT vs PIT <i>Stephen Durham, United Kingdom</i>
10:00 – 10:30	Room: Martello suite Coffee Break
10:30 – 12:00	Room: Central Hall EAACI Position Papers
10:30 – 10:50	EAACI Position paper <i>Oliver Pfaar, Germany</i>
10:50 – 11:10	EAACI Guidelines on Allergen Immunotherapy <i>Graham Roberts, United Kingdom</i>

11:10 – 11:30	EAACI Position paper on nasal allergen challenge <i>Ralph Mösges, Germany</i>
11:30 – 11:45	O07: TF
11:45 – 12:00	O08: TF
12:00 – 13:00	Room: Martello suite / Foyer Lunch and Poster Discussion Session II
13:00 – 14:00	Room: Pier suites 1, 2, 3 Practical Workshop Topic 1: AIT: how to organize your AIT / Biologicals clinic <i>Chairs: Michael Rudenko, United Kingdom / Guy Scadding, United Kingdom</i> Topic 2: Nasal sampling, endoscopy, nasal NO, cold dry air <i>Chairs: Maria Doulaptsi, Greece / Valerie Hox, Belgium / Natasha Gunawardana, United Kingdom</i> Topic 3: Biomarkers in AIT and Biologicals in clinical practice <i>Chairs: Mohamed Shamji, United Kingdom / Edward Frank Knol, Netherlands / Jasper Kappen, The Netherlands</i>
14:00 – 14:30	Room: Martello suite Coffee Break
14:30 – 16:30	Room: Central Hall Session 5 - Better control of allergic rhinoconjunctivitis
14:30 – 14:50	AIT and Biologics in severe allergic rhinitis <i>Glenis Scadding, United Kingdom</i>
14:50 – 15:10	AIT and Biologics in rare allergies <i>Ludger Klimek Germany</i>
15:10 – 15:30	AIT and Biologics in severe allergic keratoconjunctivitis <i>Jean-Luc Fauquert, France</i>
15:30 – 15:45	O09
15:45 – 16:00	O10
16:00 – 16:30	Rhinitis: A look into the future <i>Peter Hellings, Belgium</i>

Saturday, 23 March 2019

08:00 – 09:30	Room: Central Hall Session 6 – Biologicals in severe united airways disease
08:00 – 08:20	State of the art <i>Oscar Palomares, Spain</i>
08:20 – 08:40	Biologicals in asthma <i>Ioana Agache, Romania</i>

08:40 – 09:00	Biologicals in nasal polyposis <i>Philippe Gevaert, Belgium</i>
09:00 – 09:15	O11
09:00 – 09:30	O12
09:30 – 10:00	Room: Central Hall Interactive debate AIT and Biologicals <i>Adam Chaker, Germany</i>
10:00 – 10:30	Room: Martello suite Coffee Break
10:30 – 12:00	Room: Central Hall Session 7 – Future directions in AIT and Biologics
10:30 – 10:50	Regeneron
10:50 – 11:10	Recombinant B-cell epitope-based pollen AIT - Biomay
11:10 – 11:30	Allergy Therapeutics
11:30 – 12:00	Room: Central Hall Interactive debate Global warming and thunderstorm Asthma- Are we prepared?
12:00 – 12:15	Room: Central Hall Closing Ceremony <i>Mohamed Shamji, Philippe Gaevert, Carsten Schmidt Weber and Ioana Agache</i>
