

19th ANNUAL Retina Fellows ForumSM

JANUARY 25–26, 2019 • CHICAGO

Westin River North

All North American vitreoretinal fellows in their final year of a traditional 2 year surgical retina fellowship training program are invited.

FREE REGISTRATION

Fellows Forum is open to all North American 2nd year VR fellows. **FREE registration**, \$400 travel stipend and shared lodging included!

MEETING HIGHLIGHTS

- Learn from a faculty of renowned ASRS members
- Informal format features lectures, surgical video presentations and panel discussions
- Intensive review of current VR treatments
- Network with peers and faculty
- “Real World” pearls

AWARD OPPORTUNITIES

- Apply with manuscript for the Retina Fellows Forum Research Award
- Be present to win the FASRS Award

PAST ATTENDEES' COMMENTS

“A can't miss opportunity to learn from today's lead experts and socialize with the leaders of the future – your peers.”

“At this meeting I felt I belong to the retina community and I am ready to fly solo.”

“The conference is a valuable addition to fellows' future practice and allows us to interact in a very fun and informative environment.”

“Great meeting. Great atmosphere. Great faculty interaction.”
