

PAOrtho President’s Message

Dear Colleagues,

We would like to invite you to attend the Pennsylvania Orthopaedic Society (PAOrtho) Annual Meeting in Hershey, Pennsylvania! I am honored and humbled to serve as President of this dynamic society for 2021. Since the origin of PAOrtho, your state professional organization has been the leading vehicle for continued education and fellowship among Pennsylvania orthopaedic surgeons. Our mission to enhance our members’ ability to provide the highest quality musculoskeletal care has taken many new avenues in continuous improvement of our profession.

The Annual Meeting is the premier forum for PAOrtho’s scientific, educational and advocacy awareness. With the dedication of this year’s program committee, Board and executive staff led by our Program Chairman, Dr. Aman Dhawan, we are excited to present a meaningful event to bring practical and inspiring material home to our professional practices and our patients.

Please take some time to review the outstanding Scientific Program we have prepared, including top-notch symposia, rapid fire sessions, an opioid symposium and advanced practice provider seminar.

Our Welcome Reception on Wednesday evening, Exhibitor Reception and OrthoPAC presentation on Thursday will provide you with plenty of opportunity for camaraderie and social interaction with your colleagues.

We greatly appreciate your involvement, participation and membership in PAOrtho, and we look forward to having a great time with everyone in Hershey this October!

Sincerely,

James Guille, MD
PRESIDENT

PAOrtho Society Board Of Directors 2020-2021

2021 PROGRAM COMMITTEE A sincere thank you to this year's Program Committee for developing an outstanding scientific program. Your hard work and dedication are appreciated.	
Aman Dhawan, MD, Chair Daniel C. Farber, MD Matthew Garner, MD Daniel S. Horwitz, MD James T. Guille, MD Kristi E. Gruber, PA-C, Med	

SCIENTIFIC PROGRAM DETAILS The Pennsylvania Orthopaedic Society's Annual Meeting has been developed by the PAOrtho Program Committee in conjunction with the American Academy of Orthopaedic Surgeons.	
--	--

TARGET AUDIENCE The 2021 PAOrtho Annual Meeting is designed to meet the needs of Orthopaedic Surgeons and Orthopaedic Residents and Fellows. Information presented may also be of interest to physicians working in an orthopaedic setting.	
---	--

CME ACCREDITATION This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Orthopaedic Surgeons and the Pennsylvania Orthopaedic Society. The American Academy of Orthopaedic Surgeons is accredited by the ACCME to provide continuing medical education for physicians.	
--	--

The American Academy of Orthopaedic Surgeons designates this Annual Meeting, October 13-15, 2021 to be held in Hershey, Pennsylvania for a maximum of **14.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CEC CREDIT Physician Assistants can receive up to 14.5 credit hours toward Continuing Education Credits. AAPA accepts American Medical Association Category I, Level 1 CME credit for the Physician's Recognition Award from organizations accredited by the ACCME.	
---	--

PURPOSE 1. To provide participants with an unbiased educational experience that will enable them to remain current in the practice of orthopaedic surgery. 2. To provide participants with an in-depth exposure to various subspecialty areas of orthopaedic surgery. 3. To provide participants with an opportunity to be exposed to evidence based orthopaedic advances, treatment and care. 4. To provide a forum for an open exchange of ideas between the presenters, the faculty and the participants through paper presentations, instructional courses, guest lectureships, symposia, multimedia educational sessions and poster sessions.	
---	--

OBJECTIVES Educational objectives will be met through a combination of paper presentations, lectures and symposia in plenary and specialty sessions allowing open discussion with the lecturers and paper presenters. The following objectives will be addressed during the Scientific Program,	
---	--

such that at the conclusion of this course the attendees should be able to:	
1.	Critically evaluate orthopaedic diseases and treatments through evidence-based presentations.
2.	Discuss basic science and clinical study advances and their implications pertaining to the diagnosis, workup and treatment of orthopaedic diseases.
3.	Enhance and maximize clinical and operative skills in the management of new and leading technology in orthopaedic disorders.
These educational objectives will be obtained through paper presentations, instructional courses, guest lectureships, symposia, multimedia educational sessions and poster sessions.	

DISCLAIMER The products, procedures and opinions presented at this meeting reflect the viewpoint or approach of the presenter only and are not to be attributed to the Pennsylvania Orthopaedic Society. The Pennsylvania Orthopaedic Society presents such material for informational purposes only and does not endorse any such product or the content of any such presentation.	
---	--

PHYSICIAN REGISTRATION FEE Registration fee covers the Scientific Program Sessions, Meeting Syllabus, General Meeting Expenses and Continental Breakfast, Breaks and Lunch.
